LIMITED REVIEW REPORT

To
Food Corporation of India
16-20, Barakhamba Road,
New Delhi-110001

1. We have reviewed the accompanying unaudited financial results of FOOD CORPORATION OF INDIA, 16-20, Barakhamba Road, New Delhi 110001 for the half year and quarter ended on September 30, 2026 (the "Statement"), being submitted by the Corporation pursuant to the requirements of Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

2. This Statement, which is the responsibility of the Corporation's Management and approved by the Board of Directors of the Corporation, has been prepared in accordance with the recognition and measurement principles laid down in the Accounting Standard ("AS") 25 "Interim Financial Reporting" as amended and other accounting principles generally accepted in India and in compliance with the List Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement In accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Corporation personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. As stated in Note no. 2 of the accompanying financial results, the Corporation accounts for gratuity and leave encashment obligations on a cash basis, which is not in accordance with Accounting Standard (AS) 1- "Disclosure of Accounting Policies" and Accounting Standard (AS) 15 (Revised) "Employee Benefits", which require recognition of employee benefit obligations on an accrual basis based on actuarial valuation. In the absence of recognition and measurement of such obligations in accordance with the applicable Accounting Standards, we are unable to determine the financial impact on the accompanying quarterly financial results.

5. As per the books of account, the balance in the Cash Credit (CC) Account Head 4531 stands at **Rs. 2,99,694.48 lakh**. The Corporation has expressed its inability to provide Balance Confirmations for this amount, citing that it comprises approximately 650 individual CC accounts maintained across multiple locations. In the absence of independent confirmations, this balance remains unverified, and we are unable to determine the consequential financial impact, if any, on the accompanying quarterly financial results.

6. As per books of account, an aggregate balance of Rs 8446.72 lakh is appearing under account heads 0931 , 0936 , 0943, 0944 and 0958 which are squared off and reconciled at the end of the financial year. However, for the preparation of quarterly financial statements, the Corporation has adjusted the said balance against the subsidy claims under Trade receivables for the respective quarter. In the absence of complete reconciliation and squaring off these accounts, we are unable to determine the consequential financial impact, if any, on the accompanying quarterly financial results had these account been squared off during the quarter.

7. Based on our review conducted as stated in the preceding paragraphs, except for the possible effects of the matter described in the Para no. 4 to 6 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
