Chemical engr found running MD lab at home, 2 held

Danish Azmi
BADLAPUR

The Badlapur police have arrested two persons, including a chemical engineer for running an illegal mephedrone (MD) manufacturing unit allegedly from a chawl in Mankivli village, Badlapur East. They seized chemicals, laboratory equipment and 11gm of prepared MD (a psychotropic substance) worth Rs2.17 lakh.

The arrested accused have been identified as Santosh Vasant Potnis, 54, (the engineer), from Khawrai village, and Kokan Surju Pahan, 42, a resident of Mankivali village.

The surprise raid was conducted after a tip-off. The police found a makeshift laboratory set up inside the chawl room, where materials and chemicals to manufacture the narcotic substance were allegedly stored. Deputy Commissioner of Police, Zone IV, Sachin Gore confirmed the arrests and seizure and said that Potnis is a habitual offender. A case has been registered under the Narcotic Drugs and Psychotropic Substances (NDPS) Act. A court has remanded both to police custody until Oct 19.

The police further revealed that a similar laboratory allegedly operated by Potnis within the jurisdiction of Badlapur Rural police had been seized earlier during the investigation of a case registered by Ghatkopar police. The police are also investigating the wider network behind the operation.

Ban, awareness, helplines: HC on bursting firecrackers on roads

Court extends ban on bursting crackers in public spaces through 2026; directs state govt to launch awareness campaigns and set up complaint mechanism

Urvi Mahajani
MUMBAI

The Bombay High Court on Thursday extended its restrictions on bursting firecrackers on public roads, streets and footpaths to the entire year as Diwali approaches. Authorities may also involve celebrities to spread awareness about the harmful effects of firecrackers, the court said.

In other significant directives, it ordered the state government and civic authorities to draw up a road map for an awareness campaign within a week to curb noise and air pollution during festivals. The bench also asked municipal corporations, the Maharashtra Pollution Control Board (MPCB) and police to establish a mechanism for citizens to report violations through dedicated helplines and email addresses.

The court further directed the BMC and MPCB to jointly issue notices in newspapers and on social media, informing citizens that bursting firecrackers in public places would not be permitted. As part of the awareness drive, there should be programmes in schools, public announcements and display boards on buses, at bus stops and on trains, the court said.

It underlined that the campaign must encourage citizens to use green crackers and those with lower emissions while adhering to prescribed time limits. A bench of Justices Girish Kulkarni and Neela Gokhale said its September 22 order, which prohibited bursting firecrackers on public roads during festivals, would now apply throughout the year and to all festivals. On September 22, the court had imposed the ban ahead of Ganesh festivals after taking suo motu cognisance of noise and air pollution during festive processions.

During Thursday's hearing, the judges expressed concern over the harmful effects of firecrackers, particularly on children and senior citizens. They observed that toxic pollution becomes difficult to bear after Diwali and stressed the need for authorities to ensure compliance with existing laws. "You have no control over burning firecrackers...the rights of citizens are paramount. The problem is the non-following of law," the bench orally remarked.

The court clarified that it had neither prohibited the manufacture or sale of firecrackers nor restricted festive activities generally. "We have neither banned any manufacture, we are not concerned with any sale, we are not restricting any activity," the judges said. The directions were issued in suo motu proceedings concerning noise and air pollution during festive celebrations.

DGP tells cops to bust networks, track AI misuse

HUMAN TRAFFICKING

Poonam Apraj
MUMBAI

To combat human trafficking, police must focus on dismantling entire networks rather than merely nabbing individual offenders, Maharashtra Director General of Police (DGP) Sadanand Date asserted on Thursday.

Speaking at 'Nyay Setu' 2026, a state-level workshop on human trafficking cases, he said artificial intelligence could create new avenues for human trafficking. Hence, police personnel must focus on preventive measures, prompt detection and quality investigations, Date said.

The workshop was organised jointly by the Maharashtra Police and Prakriti organisation at the Darbar Hall of the DGP's office. It aimed to familiarise officers with constitutional safeguards and new measures under the Bharatiya Nyaya Sanhita.

Date emphasised the need for a victim-centric approach, saying police officers must ensure that their conduct provides support during investigations. He said investigating officers must ensure the effective implementation of safeguards, including protecting the identities of victims and witnesses while recording their statements, as well as provisions for in-camera proceedings.

The DGP further pointed out that the role of police extends beyond participation in judicial proceedings. Officers must coordinate with relevant agencies to ensure that victims receive necessary medical aid and counselling.

Focus on entire trafficking networks, emerging AI threats and victim-centric probe, says state police chief

Former DGP Dr P M Nair, Maharashtra State Commission for Women member-secretary Nandini Awade, Additional DGP (Prevention of Atrocities Against Women and Children) Aswati Dorje and Special Inspector General of Police Sharda Raut were also present at the event.

Dorje said the workshop was organised to equip police officers with comprehensive knowledge of financial transactions linked to human trafficking offences and the use of modern technology in such crimes.

MahaRERA helps buyers get ₹369cr, thanks to new rules

Sweety Bhagwat
MUMBAI

The Maharashtra Real Estate Regulatory Authority (MahaRERA) has recovered Rs369.45 crore in compensation for homebuyers with the help of collectorates following the introduction of a new comprehensive procedure by the state government. Between 2017 and December 2025, approximately Rs260 crore was recovered, while another Rs110 crore was recovered in 2026. The compensation recovery rate stands at 45%, placing MahaRERA first among RERA authorities in India.

Since MahaRERA's establishment in 2017, the quasi-judicial body has had the power only to issue recovery orders on a case-by-case basis. Under Section 40(1) of the Real Estate (Regulation and Development) Act, 2016, the implementation of these orders rests exclusively with the revenue authorities – the collector offices – in accordance with the Maharashtra Land Revenue Code, 1966.

To expedite the recovery process, the state government introduced a comprehensive procedure, designating resident deputy collectors and additional collectors as dedicated revenue recovery officers for MahaRERA cases.

If an erring developer fails to comply with a compensation recovery order, MahaRERA issues a recovery warrant and sends it to the collectorate to initiate proceedings. The move has significantly improved the recovery rate, providing relief to affected homebuyers.

Since its inception, the regulator has issued recovery orders totalling Rs1,037.86 crore in compensation for 1,531 complainants. Of this, cases involving Rs104.70 crore are pending before the National Company Law Tribunal, while cases involving Rs104.46 crore fall under the Maharashtra Protection of Interest of Depositors (in Financial Establishments) Act. As a result, recovery proceedings involving approximately Rs209.16 crore are currently restricted.

Of the Rs369.45 crore recovered, Nagpur (Rs9.65 crore), Palghar (Rs4.90 crore), Nashik (Rs4.90 crore), Chhatrapati Sambhaji Nagar (Rs3.84 crore), Sindhudurg (Rs54 lakh), Solapur (Rs12 lakh) and Chandrapur (Rs9 lakh) have recovered their entire outstanding amounts.
