Subject: Business Update – Highest-Ever Monthly Export Performance of the Company.

Dear Sir/Madam,

Pursuant to the Regulation 30 and 51 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read together with the circulars and notifications issued thereunder ("Listing Regulations"), and in furtherance of the Company's commitment to keeping its stakeholders informed of significant business developments, we are pleased to share the following business update.

- Mangalam Worldwide Limited ("the Company") has achieved its highest-ever monthly export turnover of Rs. 21.79 Crores during July 2026, as against Rs. 5.76 Crores recorded in July 2025, reflecting a substantial year-on-year growth and marking a significant milestone in the Company's operational history.
- The significant key highlights of the Company's export performance for July 2026 are as under:
 - 35 export containers dispatched during the month;
 - 874 Metric Tonnes (MT) exported; and
 - Exports made to more than 15 countries across global markets.

This achievement reflects the Company's continued focus on expanding its international footprint, strengthening customer relationships across geographies, enhancing operational efficiencies, and delivering high-quality products to global markets. The Company remains committed to increasing its export presence and pursuing sustainable long-term growth through diversification of markets, value-added products, and operational excellence.

The above information is being disclosed voluntarily in the interest of investors and other stakeholders.

About Mangalam Worldwide Limited

Mangalam Worldwide Limited, established in 1995, is a fully integrated stainless steel manufacturer, with operations ranging from scrap melting to the manufacturing of seamless pipes and tubes. The company also produces stainless steel (SS) billets, ingots, flat bars, round bars, bright bars, as well as seamless pipes & tubes, heat exchanger tubes and U-tubes. Its infrastructure includes steel melting shops, rolling mills, peeling units with finishing machines, and seamless pipes & tubes facilities spread across four plants located in Halol (Unit I), Changodar (Unit II), and Kapadvanj (Unit III & IV), Gujarat. Together, these facilities span over 1,25,000 square meters and have a total installed capacity of more than 1,90,000 MTPA.

With a skilled workforce of over 750 employees, Mangalam Worldwide Limited is well-positioned to meet the growing demand for stainless steel products across domestic and international markets.
