We have reviewed the accompanying statement of Unaudited Standalone Financial Results of PTC India Financial Services Limited ("Company") for the quarter ended June 30, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' ("Ind AS 34") specified under Section 133 of the Companies Act, 2013, as amended from time to time read with relevant rules issued thereunder and the circulars, guidelines and directions issued by Reserve Bank of India ("RBI") from time to time, applicable to the NBFC ("RBI guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standard ("Ind AS 34") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder the RBI guidelines and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by RBI in respect of income recognition, asset classification, provisioning, to the extent applicable to the NBFC, and other related matters.

Other Matters

5. For loans under stage I and stage II, the management has considered the value of secured portion on the basis of best available information including book value of assets/projects as per latest available audited financial statements of the borrowers. For loans under stage III, the management has considered the latest valuation reports for valuing the security and best estimate of realization available with the Company. (Refer Note No. 11 of the accompanying statement).
6. The balancing figures for the quarter ended March 31, 2026 as reported in the Statement are the balancing figures between the audited figures in respect of the previous full financial year and the published unaudited year to date figures up to the third quarter of the previous financial year which were subjected to limited review by us.

Our conclusion on the Statement is not modified in respect of these matters stated in Para 5 and 6.

Independent Auditor's Limited Review Report on the Quarterly Unaudited Consolidated Financial Results of PTC India Financial Services Limited ("Company") pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

**Limited Review Report
To The Board of Directors
PTC India Financial Services Limited**

Introduction

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of PTC India Financial Services Limited ("the Company") and its associates and its share of the net profit/(Loss) after tax and total comprehensive income/ loss of its associates for the quarter ended June 30, 2026 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' ("Ind AS 34") specified under Section 133 of the Companies Act, 2013, as amended from time to time read with relevant rules issued thereunder and the circulars, guidelines and directions issued by Reserve Bank of India ("RBI") from time to time, applicable to the NBFC ("RBI guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Associate Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued No. CIR/CFD/CMDI /44/2019 dated 29th March, 2019 by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. The Statement includes the results of the following entities: -

S.No.	Name of the Entity	Relationship with the Company
1	R.S. India Wind Energy Private Limited	Associate Company
2	Varam Bio Energy Private Limited	Associate Company

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standard ("Ind AS 34") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder the RBI guidelines and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by RBI in respect of income recognition, asset classification, provisioning, to the extent applicable to the NBFC, and other related matters.

Other Matters

6. For loans under stage I and stage II, the management has considered the value of secured portion on the basis of best available information including book value of assets/projects as per latest available audited financial statements of the borrowers. For loans under stage III, the management has considered the latest valuation reports for valuing the security and best estimate of realization available with the Company. (Refer Note No. 11 of the accompanying statement).
7. The unaudited consolidated financial information/results of the Company also include Company's share of net profit/loss after tax of Rs. Nil and total comprehensive income/loss of Rs Nil for the quarter ended June 30, 2026, in respect of its 2 associate entities referred to in para 4 above whose financial results are not available with the Company (neither audited/reviewed nor management accounts for the purpose of the consolidated financial results). However as mentioned in Note No. 6 of the accompanying Statement, the Company had fully impaired the value of investments in these associates in the earlier years and the Company does not have further obligation over and above the cost of investment and therefore, in view of the management, there is no impact on the unaudited consolidated financial results for the quarter ended June 30, 2026.

8. The balancing figures for the quarter ended March 31, 2026 as reported in the Statement are the balancing figures between the audited figures in respect of the previous full financial year and the published unaudited year to date figures up to the third quarter of the previous financial year which were subjected to limited review by us.

Our conclusion on the Statement is not modified in respect of these matters stated in para 6 to 8.
