The Members

Small Industries Development Bank of India

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of **Small Industries Development Bank of India** (the Bank"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss Account and the Statement of Cash Flows for the year then ended, and Notes to the Financial Statements including a summary of Significant Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to explanations given to us, the aforesaid Standalone Financial Statements give the information required in accordance with Regulation 14(1) of the Small Industries Development Bank of India General Regulations, 2000 in the manner so required and give a true and fair view in conformity with the Accounting Standards notified by the Institute of Chartered Accountants of India ("the ICAI") and accounting principles generally accepted in India, of the state of affairs of the Bank as at March 31, 2026 and its profit and its cash flows for the year ended on that date.

Basis for Opinion

2. We conducted our audit of the Standalone Financial Statements in accordance with the Standards of Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibility under those standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the "Code of Ethics" issued by the ICAI and we have fulfilled our other ethical responsibilities in accordance

with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Emphasis of Matter

3. We invite attention to Note 24 to Schedule XVI of the Standalone financial statements regarding additional provision on standard advances at rates higher than minimum stipulated under IRAC norms, as per Board approved Accelerated Provisioning Policy.

Our opinion is not modified in respect of this matter.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the Key Audit Matters
I. Classification of Advances, Identification of Non-performing Advances, Income Recognition and Provision of Advances (Refer Schedule VIII read with Note 6 of Schedule XV to the standalone financial statements) Advances include Refinance loans to banks, Financial Institutions, Micro Finance Institutions and NBFCs; and Direct loans including Cash credits, Overdrafts, Loans repayable on demand and Term loans.	Our audit approach / procedures towards Classification of Advances, Identification of Non-performing Advances, Income Recognition and Provision on Advances included the following: - Understanding and considering the Bank's accounting policies for NPA identification and provisioning and assessing compliance with the prudential norms prescribed by the RBI (IRACP Norms), including the additional

The Reserve Bank of India ('RBI') has prescribed the 'Prudential Norms on Income Recognition, Asset Classification and Provisioning' in respect of advances for banks ('IRACP Norms').

The identification of performing and non-performing advances (including advances restructured under applicable IRACP Norms) involves establishment of proper mechanism and the Bank is required to apply significant degree of judgement to identify and determine the amount of provision required against each advance applying both quantitative as well as qualitative factors prescribed by the regulations.

Significant judgements and estimates for NPA identification and provisioning could give rise to material misstatements on:

- Completeness and timing of recognition of nonperforming assets in accordance with criteria as per IRACP norms;
- Measurement of the provision for non-performing assets based on loan exposure, ageing and classification of the loan, realizable value of security;
- Appropriate reversal of unrealized income on the NPAs.

provisions and asset classification benefit extended on restructured advances.

- Understanding the key controls (including system based automated controls) for identification and provisioning of impaired accounts based on the extant guidelines on IRACP laid down by the RBI.

- Performing other procedures including substantive audit procedures covering the identification of NPAs by the Bank. These procedures included:

- a) Considering testing of the exception reports generated from the application systems where the advances have been recorded.
- b) Considering the accounts reported by the Bank and other banks as Special Mention Accounts ("SMA") in RBI's central repository of information on large credits (CRILC) to identify stress.
- c) Reviewing account statements, drawing power calculation, security and other related information of the borrowers selected based on quantitative and qualitative risk factors
- d) Reading of minutes of credit and risk committee meetings and performing inquiries with the Bank to ascertain if there were indicators of stress or an

Since the classification of advances, identification of NPAs and creation of provision on advances (including additional provisions on restructured advances under applicable IRACP Norms) and income recognition on advances:

- Requires proper control mechanism and significant level of estimation by the Bank;
- Has significant impact on the overall financial statements of the Bank;

occurrence of an event of default in a loan account or any product.

- e) Considering key observations arising out of Internal Audits and Concurrent Audits conducted as per the policies and procedures of the Bank.
- f) Considering the RBI Financial Inspection report on the Bank, the Bank's response to the observations and other communication with RBI during the year
- g) Reviewing the report submitted by external expert appointed by the Bank to verify compliance with the RBI circular on Automation of IRACP processes through the Bank's core banking system.
- h) Examination of advances including stressed/restructured advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines.
- i) Seeking independent confirmation of account balances for sample borrowers.
- j) Visits to branches/offices and examination of documentation and other records relating to advances.

For Non- performing advances identified, we, based on factors including stressed sectors and account materiality, tested on a sample basis the asset classification dates,

	reversal of unrealized interest, value of available security and provisioning as per IRACP norms. We recomputed the provision for NPA on such samples after considering the key input factors and compared our measurement outcome to that prepared by management.
II. Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule VII read with Note 3 of Schedule XV to the standalone financial statements) Investments are categorized under Treasury operations and Business Operations. Investments include investments made by the Bank in Central and State Governments Securities, Bonds, Debentures, Shares, Mutual Funds, VCFs and other approved securities. RBI Circulars and directives, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, non-recognition of income and provisioning against non-performing investments. The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which	Our audit approach/procedures towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non-performing investments (NPIs) and provisioning/depreciation related to Investments. In particular - - We evaluated and understood the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, reversal of income on NPIs and provisioning/depreciation related to investments; - We assessed and evaluated the process adopted for collection of information from various sources for determining market value of these investments; - For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for

involves collection of data/information from various sources such as FBIL/FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. We identified valuation of investments and identification of NPI as a Key Audit Matter because of the management judgement involved in determining the value of certain investments (Bonds and Debentures, VCFs) based on applicable Regulatory guidelines and the Bank's policies, impairment assessment for HTM book based on management judgement, the degree of regulatory focus and the overall significance to the financial results of the Bank.	each category of the security; - We carried out substantive audit procedures to recompute independently the provision to be maintained in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained and if accrual of income is in accordance with the RBI Circular for those selected sample of NPIs.
III. Information Technology (IT) and controls impacting financial Reporting The Bank's key financial accounting and reporting processes are highly dependent on information systems including automated controls in systems, such that there exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated. Due to the pervasive nature and complexity of the IT environment as well	As a part of our audit procedures for review of the Bank's IT systems and related controls for financial reporting: - We tested the design and operating effectiveness of the Bank's IT systems and controls that are critical to financial reporting. - The Bank has a system in place for getting application software audits for identified Application Systems at reasonable intervals. Information System (IS) Audit is done by Bank at reasonable intervals.

as its importance in relation to accurate and timely financial reporting, we have identified this area as a Key Audit Matter.	- We reviewed key observations arising out of audits conducted on the Bank's IT systems during the year.
IV. Assessment of Provisions and Contingent Liabilities (Note 10 and Note 12 of Schedule XV to the standalone financial statements): Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct Taxes, various claims filed by other parties not acknowledged as debt (Schedule XI to the standalone financial statements) and various employee benefits schemes (Schedule V to the standalone financial statements) was identified as a significant audit area. There is high level of judgement involved in estimating the level of provisioning required as well as in the disclosure of both Provisions and Contingent Liabilities in respect of tax matters and other legal claims. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the	Our audit approach / procedures involved: - Understanding the current status of the litigations/tax assessments; - Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon; - Evaluating the merit of the subject matters identified as significant, with reference to the grounds presented therein and available independent legal / tax advice including opinion of the Bank's tax consultants; - Review and evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and - Ensuring completeness and accuracy of the data, the measurement of the fair value of the schemes' assets, understanding the judgements made in determining the assumptions used by management to value the employee liabilities with specific schemes and market practice. - Our audit procedures included an assessment of some assumptions used by

Balance Sheet. The valuations of the employee benefit liabilities are calculated with reference to multiple actuarial assumptions and inputs including discount rate, rate of inflation and mortality rates. The valuation of funded assets in respect of the same is also sensitive to changes in the assumptions. We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of the matters which requires application of judgment in interpretation of law, circumstances of each case and estimates involved.	the actuary by comparing life expectancy assumptions with relevant mortality tables, benchmarking inflation and discount rates against external market data. We verified the value of plan assets to the statements provided by asset management companies managing the plan assets. - Verification of disclosures related to significant litigations, taxation matters and Employee benefits liabilities in the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditors' Report thereon

5. The Bank's Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditors' report thereon. The Bank's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and Pillar 3 disclosure under the Basel III Disclosure and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Bank's annual report, if we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Bank's Management is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flow of the Bank in accordance with the Small Industries Development Bank of India General Regulations, 2000 and accounting principles generally accepted in India including the applicable Accounting Standards issued by ICAI, and the circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimate that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so. The Bank's Management are also responsible for overseeing the Bank's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statement made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the standalone financial statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

These Standalone Financial Results incorporate the relevant returns of 34 Branches visited /audited by us including Head office by us which covers 95.64% of Advances, 97.67% of deposits, 100% of Borrowings as on March 31, 2026 and 95.43% of Interest income on advances, 96.58% of interest expense on deposits and 99.75% of interest expense on borrowings for the period 01.04.2025 to 31.03.2026. These branches have been selected in consultation with the management of the bank. In conduct our audit, we have relied upon various information and returns received from remaining branches of the bank not visited by us, generated through centralised database at Head Office.

Our opinion is not modified in respect of above matters.

Report on other Legal and Regulatory Requirements

9. The standalone Balance Sheet and the standalone Profit and Loss Account have been drawn up in accordance with the provisions of Regulation 14 (i) of the Small Industries Development Bank of India General Regulations, 2000.

We report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank and
- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

10. We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) The Balance Sheet and Profit and Loss account and Cash flow statement dealt with by this report are in agreement with the books of account;

- c) In our opinion, the aforesaid standalone financial statements comply with the applicable accounting standards.

3. INVESTMENTS

(i) In terms of extant guidelines of the Reserve Bank of India on investment classification and valuation, the entire investment portfolio is categorized as "Held to Maturity", "Available for Sale" and "Held for Trading". Investments are valued in accordance with RBI guidelines. The investments under each category are further classified as

- a) Government Securities,
- b) Other approved securities,
- c) Shares,
- d) Debentures & Bonds,
- e) Subsidiaries/ joint ventures and
- f) Others (Commercial Paper, Mutual Fund Units, Security Receipts, Certificate of Deposits etc.)

(a) Held to Maturity:

Investments acquired with the intention to hold till maturity are categorized under Held to Maturity. Such investments are carried at acquisition cost unless it is more than the face value, in which case the premium is amortized over the period remaining to maturity. Investments in subsidiaries classified as Held To Maturity.

Diminution, other than temporary, in the value of investments under this category is provided for each investment individually.

(b) Held for Trading:

Investments acquired for resale within 90 days with the intention to take advantage of the short-term price/interest rate movements are categorized under Held for Trading. The investments in this category are revalued scrip-wise and net appreciation /depreciation is recognized in the profit & loss account, with corresponding change in the book value of the individual scrips.

In respect of traded/ quoted investments, the market price is taken from the trades/ quotes available on the stock exchanges.

(c) Available for Sale:

- (i) Investments which do not fall within the above two categories are categorized under Available for Sale. The individual scrip under this category is revalued and net depreciation under any of the classification mentioned above is recognized in the profit & loss account. Net appreciation under any classification is ignored. The book value of individual scrip is not changed after the revaluation.
- (ii) An investment is classified as 'Held To Maturity', 'Available For Sale' or 'Held For Trading' at the time of its purchase and subsequent shifting amongst categories and its valuation is done in conformity with RBI guidelines.
- (iii) Treasury Bills, Commercial Papers and Certificates of Deposit being discounted instruments are valued at carrying cost.

- (v) Investments which are made out of the Corpus or Funds provided by the Government of India and netted off from the related Fund balances are carried at cost and not subjected to RBI guidelines of valuation.
- (vi) Recording purchase and sale transactions in Investments is done following 'Settlement Date' accounting.
- (vii) The debentures / bonds / shares deemed to be in the nature of advance, are subject to the usual prudential norms applicable to loans & advances.
- (viii) Cost of investments is determined on the weighted average cost method.
- (ix) Brokerage, commission, etc. paid at the time of acquisition/ sale are recognized in the profit & loss account.
- (x) Broken period interest paid / received on debt investment is treated as interest expenses / income and is excluded from cost / sale consideration. In respect of investments in government securities the broken period interest paid to the seller as part of cost is not capitalized and treated it as an item of expenditure under Profit & Loss Account.
- (xi) In respect of unquoted investments in industrial concerns under Seed Capital Scheme, full provision has been made.
- (xii) Units of mutual fund are valued at repurchase price as per relevant RBI guidelines.
- (xiii) The unquoted fixed income securities (other than government securities) are valued on Yield to Maturity (YTM) basis with appropriate mark-up over the YTM rates for Central Government securities of equivalent maturity. Such mark-up and YTM rates applied are as per the relevant rates published by FBIL.

(xiv) Unquoted Shares are valued at breakup value, if the latest Audited Financial Statements of the investee companies are available, or at ₹1/- per Company as per RBI guidelines.

4. FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions are recorded in the books of account in respective foreign currencies at the exchange rate prevailing on the date of transaction. Accounting for transactions involving foreign exchange is done in accordance with Accounting Standard (AS)-11 issued by Institute of Chartered Accountants of India, as per following provisions:

- (i) Contingent liability in respect of outstanding forward exchange contracts, guarantees; acceptances, endorsements and other obligations are calculated at the closing exchange rates notified by Foreign Exchange Dealers' Association of India ('FEDAI').
- (ii) Foreign currency Assets and Liabilities are translated at the closing exchange rates notified by FEDAI as at the Balance Sheet date
- (iii) Foreign currency Income and Expenditure items are translated at monthly intervals through actual sale/purchase and recognized in the profit & loss account accordingly.
- (iv) The revaluation difference on foreign currency LoC is adjusted and recorded in a special account opened and maintained, in consultation with GOI for managing exchange risk.
- (v) The Bank follows hedge accounting in respect of foreign exchange contracts and derivative transactions as per RBI guidelines.
- (vi) Exchange differences arising on the settlement of monetary items are recognized as income or expense in the period in which they arise.
- (vii) Outstanding Forward Exchange Contracts which are not intended for trading are revalued at exchange rates notified by FEDAI.

5. DERIVATIVES

The Bank presently deals in currency derivatives viz., Cross Currency Interest Rate Swaps for hedging its foreign currency liabilities. Based on RBI guidelines, the above derivatives undertaken for hedging purposes are accounted on an accrual basis. Contingent Liabilities on account of derivative contracts at contracted rupee amount are reported on the Balance Sheet date.

6. LOANS AND ADVANCES

- i. Assets representing loan and other assistance portfolios are classified as performing and non-performing based on the RBI guidelines. Provision for non-performing assets is made in accordance with the RBI guidelines.
- ii. Advances stated in the Balance Sheet are net of provisions made for non-performing advances, and restructured NPA assets.
- iii. General provision on Standard Assets is made as per RBI guidelines.
- iv. Floating provision is made and utilized as per RBI guidelines and Board approved policy.

- (i) Tax expense comprises both current tax and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS).
- (ii) Deferred income taxes reflect the impact of the current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.
- (iii) Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized.
- (iv) Disputed taxes not provided for including departmental appeals are included under Contingent Liabilities.

8. SECURITISATION

- i. The Bank purchases credit rated Micro, Small and Medium Enterprises Asset pools from Banks / Non-Banking Finance Companies by way of pass-through certificates issued by the Special Purpose Vehicle. Such securitization transactions are classified as Investments under Held for Trading / Available for Sale category depending upon the investment objective.
- ii. The Bank purchases credit rated pool of Micro, Small and Medium Enterprises assets under bilateral direct assignment. Such direct assignment transactions are accounted for as 'advances' by the Bank.

- iii. The Bank enters into sale of Loans & Advances through direct assignment. In most of the cases, the Bank continues to service the Loans & Advances sold under these transactions and is entitled to the Residual interest on the Loans & Advances sold. Assets sold under direct assignment are derecognized in the books of the Bank based on the principle of surrender of control over the assets.
- iv. The residual income on the Loans & Advances sold is being recognized over the life of the underlying Loans & Advances.
- v. Security Receipts issued by the asset reconstruction companies are valued in accordance with the guidelines applicable to such instruments, prescribed by RBI from time to time.

9. SALE OF FINANCIAL ASSETS TO ASSET RECONSTRUCTION COMPANIES (ARCs) :

- i. The sale of NPAs is on cash basis or investment in Security Receipt (SR) basis. In case of sale on SR basis, the sale consideration or part thereof is treated as investment in the form of SRs.
- ii. The assets if sold at a price below the Net Book Value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit & Loss A/c. In case the sale value is higher than NBV, the excess provision held can be reversed to profit & loss account in the year the amounts are received. Reversal of excess provision is limited to the extent to which cash received exceeds the NBV of the asset.

Additional disclosures as per RBI guidelines

(iii) Disclosures on risk exposure in derivatives

(i) Qualitative Disclosures	
(1)	The Bank uses derivatives primarily for hedging interest rate and exchange rate risks arising from asset-liability mismatches in its foreign currency borrowings. All derivative transactions are undertaken strictly for hedging underlying exposures and not for trading purposes.
(2)	Internal control guidelines for derivatives are framed and approved by the Board. The organisational framework provides for segregation of duties between Front Office, Mid Office and Back Office. Derivative transactions are undertaken only after approval of the competent authority within defined limits and are reported to ALCO/Board.
(3)	The Bank has systems in place to monitor risks arising from derivative transactions. Mark-to-market valuations are carried out periodically for monitoring purposes, and the effectiveness of hedging instruments is reviewed on an ongoing basis. The Bank follows the accrual method of accounting for derivative transactions in line with applicable guidelines. Income recognition, valuation and provisioning are carried out as per Board-approved policies and RBI guidelines. Appropriate controls, including counterparty exposure limits and periodic valuation, are in place to mitigate risks.
