## **Management's Responsibility for the Statement**

3. The preparation of the Statement is the responsibility of the Management of the Company including the creation and maintenance of all accounting and other records supporting its contents. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Statement and applying an appropriate basis of preparation.

9. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence on the reporting criteria mentioned in paragraph 5 above. The procedures performed vary in the nature and timing from and are less in extent than for a reasonable assurance and consequently, the level of assurance obtained is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
10. In carrying out our examination as described in paragraph 7 above, we have carried out the following procedures:

  - Traced the financial information contained in column A to column J of the Statement with underlying unaudited books and records of the Company as at June 30, 2026, as provided by the Management.
11. For avoidance of doubt, we clarify that we were not required to, and have not performed any procedures on the information included in column K to column O of the accompanying Statement and the same is furnished by the management of the Company. Further, we were not required to comment on the calculations included in the Statement.
