Independent Auditor's Limited Review Report on Quarterly Unaudited Standalone Financial Results of the Company pursuant to Regulation 52 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended)

To
The Board of Directors
Telangana State Industrial Infrastructure Corporation Limited

Introduction

We have reviewed the accompanying Statement of unaudited standalone financial results of **M/s Telangana State Industrial Infrastructure Corporation Limited** (herein after referred as "the Company" or "TGIIC") for the quarter ended 30th June, 2026 ("the Statement") being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").

This Statement, which is the responsibility of the Company's Management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in Compliance with Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.

Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Manohar & Venkata Chartered Accountants Firm Reg. No. 009672S HYDERABAD

Basis for Qualified Conclusion

1. The company has established a Price Fixation Committee responsible for determining the sale price of land. It has been communicated that the price fixation process considers factors such as the cost of land, estimated land development costs, other administrative charges, and a profit markup. As the company has not provided us with the basis for price fixation by the committee, we are unable to validate the price fixed.

2. The company recognizes sales as and when the sale deed is executed. On provisional basis, cost of development of land is accounted as Provision for IE's and IDA's. Such provision is quantified based on the assumption that 27% of the cost of land and development is towards the company's margin and administration overheads. During the Quarter the company has made a provision of Rs. 6,799.72 Lakhs.

   Actual cost incurred during the review period towards development of land is debited to "Inventory – work in progress" amounting to Rs. 19,210.58 Lakhs. Closing balance is Rs. 4,04,357.40 Lakhs.

   Provisions made towards the development of land and Expenses incurred under Inventory – work in progress is not reviewed estate wise to ascertain under absorption or over absorption of cost. As a result, Profit arrived by the company is only based the estimated cost of development but not actual cost. In the absence of adequate information, we are unable to quantify the impact on the aforesaid Statement.

3. On Review of the Statement, it is found that the Charges for allottees such as Extension of time, building plan approval fee from IALA, Delay condonation fee, Penal interest on delayed payments towards land cost & Lease rentals and Dividend income are recognized as income on receipt basis only and further it is noticed that, in some instances, Charges collected under one head are accounted for in another head. In the absence of adequate information, we are unable to quantify the impact of the aforesaid Statement.

4. The Company is accounting for certain expenditure on a payment basis. At the end of the quarter, provision is made for outstanding expenses not paid. However, there is no comprehensive system in place to identify outstanding expenses. As a result, we are unable to comment if the outstanding expenses recognized is complete.

5. The Company is recognizing rental income from the lease of ITE&C Incubation Buildings that are not owned by the Company. The Company also incurs expenses related to these buildings, including maintenance, electricity charges, internet charges, etc., which are recorded as receivables from the ITE&C Department. In the absence of adequate information to substantiate the recognition of this income and the corresponding

Firm Reg. No. 009672S

Chartered Accountants

receivables, we are unable to comment on the potential implications of these matters for the financial statements.

6. The company executed civil works for various Government Departments, such as ITE&C where centage charges (percentage based on agreed terms between the company and the respective government department) are typically levied as an administrative expense towards executing these entrusted Civil Works. However, we have identified certain cases where the company has executed civil works on behalf of ITE&C without levying the centage charges. This has resulted in an understatement of income. In the absence of adequate information, we are unable to comment on the financial implications on the aforesaid financial statements.

7. The company has accounted for certain incomes and expenses that pertain to previous financial years. The accounting treatment given by the company is not in accordance with "Ind AS 8 – Accounting policies, Change in accounting estimates and errors".

8. The company has not carried out the reconciliation of taxable income between the book of accounts and GST returns. As a result, liability, if any has to be recognized, has not been recognized. Turnover Reconciliation could not be carried out due to the non-availability of adequate information. In the absence of adequate information, we are unable to quantify the impact of the financial statements.

9. The Company is not executing the Sale deeds as and when the conditions are met. It has been observed that there are instances where the execution of sale deeds has been delayed by 1 to 5 years, even after the allottees have fulfilled the conditions specified in the agreement of sale. This has resulted in delays in the recognition of income by the Company.

10. The company has been classified as a High-Value Debt Listed Entity (HVDLE) under SEBI (LODR) Regulations, 2015. As per regulatory provisions, the company availed the exemption granted to newly identified HVDLES, which allows a six-month period from the date of identification for compliance with corporate governance requirements. However, the company failed to comply with these requirements even after the expiry of the exemption period.

11. The company has not carried out the reconciliation of Lease rentals which led to understatement of Income under Lease Rentals. In the absence of adequate information, we are unable to comment on the financial implications on the aforesaid financial results.

Qualified Conclusion

Based on our review of the Statement conducted as stated in paragraph 3 above, except for the possible effects of the matters referred to in Basis for Qualified Opinion paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
