Management's responsibilities for the Standalone Financial Results

This statement, which is responsibility of the Company's Management and approved by the Board of Directors, has been prepared based on the related Standalone financial statements for the year ended March 31, 2026. The Company's management and the Board of Directors are responsible for the preparation and presentation of these Standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in Indian Accounting Standards, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. The management and Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act and for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial results, the Board of Directors of the Company are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are also responsible for overseeing the financial reporting process of the Company.

Auditor's responsibilities for the audit of the Standalone financial results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone financial statements in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Company.

- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 52 of the Listing Regulations.
- Conclude on the appropriateness of the Company's Board of Directors use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial results, including the disclosures, and whether the Standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the Company to express an opinion on the Standalone financial results.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13) Revenue Grants in respect of Associate Company M/s Brahmaputra Cracker and Polymer Limited

i) Feed Stock Subsidy:

The feedstock subsidy for the Assam Gas Cracker Project (AGCP), implemented by BCPL, was approved by the Cabinet Committee on Economic Affairs (CCEA) for a period of 15 years of plant operation (from FY2025-16 to FY 3030-31) to ensure a minimum post-tax project IRR of 10% with estimated feedstock subsidy of Rs. 4600 crore. However, due to factors such as the increase in natural gas and naphtha prices, subdued polymer prices, exchange rate fluctuations, and changes in feed mix, BCPL has already claimed the entire estimated feedstock subsidy of Rs. 4,600 crore by FY 2024-25, against the originally envisaged subsidy period up to FY 2030-31. Against the total claim of Rs. 4600 crore, an amount of Rs. 581.58 crore is pending for release as on 31.03.2026, out of which an amount of Rs. 281.50 crore has been provisioned in BE 2026-27. BCPL expects to receive the balance subsidy during the year in RE 2026-27/BE 2027-28 or the year ended 31st March 2026. The impact of the same is not material.

Further, as per the CCEA approval for the feedstock subsidy, the achievement of a post-tax IRR of 10% was sacrosanct, while the amount of Rs.4,600 crore, along with a provision for true-up every five years, was only indicative in nature. However, due to factors such as an increase in gas and naphtha prices, changes in feed mix, and other operational variables, the entire subsidy amount of Rs.4,600 crore was exhausted by FY 2024-25. Accordingly, a true-up proposal, duly recommended by the Board, was submitted to the Ministry.

Subsequently, at the instance of the Department of Expenditure, Government of India, the scheme was evaluated by the Office of the Chief Adviser (Cost). Thereafter, the Ministry of Petroleum and Natural Gas (MoPNG) constituted a committee to examine the recommendations of Chief Adviser (Cost) and deliberate on the long-term sustainability of the project. The Committee recommended continuation of the feedstock subsidy. Based on these developments, MoPNG has initiated the necessary administrative process for enhancement of the feedstock subsidy to BCPL. In view of the progress made and the recommendations of the Committee, BCPL has recognised an amount of Rs. 634.83 crore (previous year Rs. 638.08 crore) as feedstock subsidy under 'Other Operating Income' on an accrual basis for the financial

S. K. Sharma

year 2025–26. The claims for FY 2025-26 shall be submitted on completion of the audit for the said period.

The estimate for feedstock subsidy is based on the assumptions considered by the administrative ministry and may change in the due course of approval. Any adjustments shall be made in the year of approval, accordingly.

ii) Northeast Industrial & Investment Promotion Policy (NEIIPP) Subsidy:

The Company is registered under NEIP (North-East Industrial & Investment promotion Policy) and eligible for various subsidy schemes. Accordingly, the Company has accounted the following eligible subsidies under various schemes on accrual basis.

Rs/Crore

Description	Opening Claim Receivable	Accounted During Current Year	Received During Current Year	Provision / Written off During the Year	Closing Claim Receivable
Freight Subsidy	108.02	-	95.44	12.58	-
Insurance Subsidy	98.65	18.72	-	-	117.37
Grand Total	206.57	18.72	95.44	12.58	117.37

a) Insurance Subsidy Claims

During the current financial year, the Company's claim towards Insurance Subsidy amounting to ₹ 18.72 Cr has been adjusted against the respective expenditure (Previous year: ₹ 20.70 crore). Out of the total claim receivable, an amount of ₹ 22.94 Cr is pending for submission.

Further, the State Level Committee (SLC), a recommending body, has capped the settlement amount against insurance subsidy at ₹ 9.42 crore (equivalent to first claim) from the fifth claim onwards. The management is actively pursuing the matter with the highest level of authorities for early settlement of the balance claim. Based on ongoing discussions and representations made, the management remains confident of a favourable outcome. Accordingly, no provision has been considered necessary in the financial statements for the unsettled claims as on the reporting date. As per the NEIP Scheme guidelines and management assessment, realization of these claims is virtually certain and expected to be settled within a period of 12 months.

b) Freight Subsidy Claims

The Company had submitted a total of 20 claims under the Freight Subsidy Scheme for the period from 02.01.2016 to 31.12.2020. Out of these, the first six claims amounting to ₹ 12.58 crore were rejected by the SLC on the grounds of being time-barred. The claims against the remaining 14 claims were duly approved, and funds amounting to ₹ 95.44 Cr were received during the current Financial Year.

In respect of the six rejected claims amounting to ₹ 12.58 crore, though the Company is continuously following up the matter with DPIIT and the Industries Department, considering the long delay in recovery of the claims amounting to Rs.12.58 Crores, a suitable provision has been made in the books of accounts against the same during the FY 2025-26 based on prudent assessment. Since the recovery efforts are ongoing, the receivable continues to be carried in books and has not been written off.

14. In respect of the Joint Venture Company M/s Assam Bio Ethanol (P) Limited, the Company has incurred losses of Rs 793.38 lakhs during the financial year ended 31 March 2026 (31 March 2024: Rs 781.19 lakhs) and as of that date, the Company's current liabilities exceeded its current assets by Rs 77,188.83 lakhs (31 March 2024: Rs 27,618.83 lakhs).

Notwithstanding the above, the company's management is in process to get the support to obtain new funding and based on the future business plans, future cash flow projections and support provided by its shareholder, one of the Joint Venture Partner, to complete its project and start its commercial production and operations, the company believes that it will be able to continue to operate as a going concern for the foreseeable future and meet all its liabilities as they fall due for payment. On the analysis of the forecasted cash flow considering the future outcome of events or conditions the management of the company is of the view that a material uncertainty does not exist that may cast significant doubt on the Company's ability to continue as a going concern. Accordingly, these financial statements have been prepared on a going concern basis:

Further, events or conditions, along with others matters as set forth, future cash flow projections and extended support by its shareholder (one of the Joint Venture Partner), the management is of the view that the Company will be able to meet its liabilities as they fall due for payment in the foreseeable future. Accordingly, these financial statements have been prepared on a going concern basis.

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Results by the Directors of the Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the company and its Joint Ventures and Associate are responsible for assessing the respective entities' ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its Joint Ventures and Associate are also responsible for overseeing the financial reporting process of the respective entity.

Auditor's responsibilities for the audit of the consolidated financial results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

8

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of consolidated financial statements on whether the Company and its Joint Ventures and Associate incorporated in India have adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Company.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 52 of the Listing Regulations.
- Conclude on the appropriateness of the Company's Board of Director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and other entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future

8

events or conditions may cause the Company and other entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the Company and its joint ventures and associate to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of the entity included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
