### RISKS TO INVESTORS

1. *Risk to Investors: Summary description of key risk factors based on materiality:*

- Our revenue is significantly dependent on a key brand relationship, and any adverse change in this relationship could materially affect our business, financial condition, and results of operations.
- The Restated Financial Statements have been provided by Peer Reviewed Chartered Accountants who were not the Statutory Auditor of our Company for FY 2022-23.
- A significant portion of our revenue is generated from our top ten customers, and the loss of one or more such customers, the deterioration of their financial condition or prospects, or a reduction in their demand for our products could adversely affect our business, revenues, profitability, financial condition and cash flows.
- Our revenue is highly dependent on sale of footwear products, and any adverse developments in this product category may materially affect our business, financial condition and results of operations.
- We rely on non-exclusive supply, license and distribution arrangements with multiple international brands, and any adverse changes in these arrangements may materially affect our business, operations, and financial results.
