- Dependence on certain key clients:** We generate a considerable portion of our revenue from operations from certain key clients. Our top 10 clients contributed to 86.40%, 78.13% and 88.56% of our revenue from operations in Fiscals 2026, 2025 and 2024, respectively. The loss of one or more of these clients could have an adverse effect on our business prospects, results of operations, financial condition and cash flows.

We do not have long-term agreements with these suppliers for the supply of raw materials and components. Further, the cost of our product offerings depends on our ability to source such raw materials and components at acceptable prices and maintain a stable and sufficient supply thereof.
