RISKS TO INVESTORS

1. Risk to Investors: Summary description of key risk factors based on materiality:

- Our business is capital intensive in nature. If we are unable to raise additional funds when needed, or on terms acceptable to us, we may be required to scale down or abandon our expansion & growth plans and/or reduce capital expenditures and the size of our operations, any of which could materially and adversely affect our business, financial position and results of operations.
- We generate a significant percentage of our revenue from few clients. The loss of any one or more of our major clients would have a material adverse effect on our business operations and profitability.
- We depend on a few key suppliers who help us procure cameras. Our Company has not entered into long-term agreements with its suppliers for the same. In the event we are unable to procure the same, at competitive prices our business, results of operations and financial condition may be adversely affected.
- Changes in technology render our current equipment obsolete and require us to make substantial capital investments.
- Our company faces uncertainty, and payment risks due to Project-Based Business.

2. Details of suitable ratios of the company and its peer group for the latest full financial year: Not Applicable as our company does not have any listed peer group operating in the same line of business.

3. Weighted Average Return on Net worth for the last 3 financial years (RONW)

As per Restated Financial Statements

Financial Year ended	RONW (%)	Weights
March 31, 2023	99.34%	1
March 31, 2024	87.01%	2
March 31, 2025	26.35%	3
Weighted Average	58.74%	

Note: The Return on Net worth has been computed by dividing net profit after tax (as restated), by Net worth (as restated) as at the end of the year.

4. Disclosures as per clause (9)(K)(4) of Part A to Schedule VI:

a) The price per share of our Company is based on the primary issuance of equity shares

Except as disclosed below, there has been no issuance of Equity Shares, during the 18 months preceding the date of the Red herring prospectus, where such issuance is equal to or more than 5% of the fully diluted paid-up share capital of the Company (calculated based on the pre-issue capital before such transaction(s) and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of 30 days:
