RISKS TO INVESTORS

- Our business is dependent on the timely and cost-effective procurement of quality raw materials, which are subject to seasonality and price fluctuations. Any disruption in procurement may adversely affect our business, results of operations, Cash flows, and financial condition.
- Our processing facility is critical to our operations, and any slowdown, disruption, or shutdown could have a material adverse effect on our business, financial condition, and results of operations. Our factory premises, registered office & corporate office, godown and shop are on rental/lease basis.
- Our Company is substantially dependent on the sale of cashew products, and any adverse changes in market conditions, supply, or regulations may materially affect our business, financial condition, cash flows, and reputation.
- We are exposed to Risk arising from transition in Company's Procurement Model from High Seas Purchase to Front Load Procurement
- Our factory premises, registered office & corporate office, godown and shop are on rental/lease basis.
- We face intense competition which may lead to a reduction in our market share and may cause us to increase our expenditure on marketing and promotion as well as cause us to offer discounts, which may result in an adverse effect on our business and a decline in our profitability.
- The Company has recently undertaken a strategic shift in its business model by adding a trading vertical in addition to its established processing operations. Any failure to effectively manage this diversification could materially and adversely affect our operations and financial condition.
- The Processing of Raw Cashew nuts involve number of stages and during the process the cashew nuts may get broken.
- We have limited Geographical Presence in the market. Any loss of business from one or more of these states may adversely affect our revenues and profitability
- The Company is dependent on few suppliers for purchase of product. Loss of any of these large suppliers may affect our business operations.
