Press reports regarding M/s. Reliance Industries Ltd.

The press had reports on April 27, 2004 that Reliance Industries Limited is to double polyester capacity.

The Exchange, in order to verify the accuracy or otherwise of the information reported in the press and to inform the market place so that the interest of the investors is safeguarded, had written to the officials of the company.

Reliance Industries Limited has vide its letter inter-alia stated, "Reliance Industries is increasing polyester staple fibre and polyester filament yarn capacity by 216,000 tonnes each. The total capacity of Reliance along with associate companies after expansion will be 1.38 million tonnes. This expansion will place Reliance as the world's largest producer of polyester fibre and yarn. With this expansion, Reliance will fully capture the incremental demand from downstream textile industry and significantly add value to its upstream investments in PTA and PX. Reliance is planning to use state-of-the art polyester manufacturing technology for new capacities. The company is in the stage of finalizing appropriate technology and machinery."
