Press reports regarding M/s. Digital GlobalSoft Ltd.

The press had reports that there are talks of a consolidation of Digital GlobalSoft Limited with Hewlett Packard Indian Software Operations (HPISO), 100% subsidiary of HP.

The Exchange, in order to verify the accuracy or otherwise of the information reported in the press and to inform the market place so that the interest of the investors is safeguarded, had written to the officials of the company.

Digital GlobalSoft Limited has vide its letter inter-alia stated, "The company management completely denies this as it is based upon the speculation and market supposition and is not based on any indication given by the company. In this regard we would like to state that following global merger between Hewlett Packard and Compaq, the future business and operating structure of Digital Globalsoft is currently under consideration. However, no decision in this regard, has been arrived at. Until such time that a conclusive decision is taken, the Digital Globalsoft Board has officially indicated that the company's business will continue as usual. Any announcement regarding the Company's future operating structure / financial options will be made in a formal manner in public domain following formal Board discussions and approvals. "
