Press reports regarding Larsen & Toubro Limited

The press today had reports that Larsen & Toubro Ltd has decided to put on the backburner its plans for setting up a special purpose vehicle for routing its investments in the power sector

The Exchange in order to verify the accuracy or otherwise of the information reported in the press and to inform the market place so that the interest of the investors is safeguarded had written to the officials of Larsen & Toubro Ltd.

Larsen & Toubro Ltd has vide its letter dated October 30, 2001 stated," We wish to clarify that while in principle, the investments in BOT/BOOT projects would be made through an investment/holding company structure, the need to form a Special Purpose Vehicle would arise only when a project materializes. The report that the company has decided to put on the backburner its plans for setting up an SPV is, therefore, incorrect."
