Dear Sir,

**Sub: Reply to Clarification – Audited Financial Results for the period ended on March 31, 2018**

**Scrip Code: AIROLAM**

This is with reference to the clarification sought by NSE by its mail dated June 05, 2018 for Quick Financial Results submitted to the Exchange on May 29, 2018 for the period ended on March 31, 2018 along with the following remark:

"1. Financial results submitted is not as per format prescribed by SEBI-Note on balancing figure not mentioned as per Reg. 33."

In this matter we wish to clarify that by mistake the note on balancing figure was not mentioned in the financial results for current financial year uploaded on Emerge platform of National Stock Exchange of India.

Therefore we hereby mentioning the note as per Regulations 33(3)(e) that 'the figures of the half year ended March 31, 2018 and March 31, 2017 are the balancing figures between audited figures in respect of the full financial year and the 'Published' year-to-date figures up to 1<sup>st</sup> half years of the respective financial years was made part of the notes to the Audited Financial Results.

We hope that this fulfils the requirement and clarifies. Whether there is need for any other clarification/further information, please let us know.

Thanking you

Yours Faithfully,

For Airo Lam Limited
