Mindtree named a Top 10 Outsourcing Service Provider by ISG in the Americas and EMEA

Bangalore (India) and Warren (NJ), November 4, 2015 – Mindtree, a leading digital transformation and technology services company, today announced it has been named a Top 10 Outsourcing Service Provider in the Americas and EMEA regions by Information Services Group (ISG), a leading technology insights, market intelligence and advisory services company.

Mindtree was among the leading providers in the Breakthrough category for both the regions based on annual contract value won over the last 12 months, according to the ISG Global Outsourcing Index®. Now in its 52nd consecutive quarter, the ISG Outsourcing Index® provides an independent quarterly review of the latest sourcing industry data and trends for enterprises, service providers, analysts and the media.

Krishnakumar Natarajan, CEO and Managing Director, Mindtree said, "Today's organizations are looking at aligning IT service delivery efforts with business goals. Our primary focus is to deliver business value for our clients through innovative offerings which enable us to transform IT into a strategic profit center. This recognition, validates our growth strategy."

"Mindtree continues to establish itself as a leading player in the global market for technology services, based on its volume of business in relation to other industry providers," said Paul Reynolds, chief research officer of ISG. "This is the third consecutive time Mindtree has been featured in the Breakthrough category in 2015."

The ISG Outsourcing Index® has been the authoritative source for marketplace intelligence related to outsourcing transaction structures and terms, industry adoption, geographic prevalence and service provider performance for over a decade.
