--	---

Dear Sir,

Sub : Compliance with Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015

Indian Oil Corporation Ltd. has today executed a Definitive Tolling agreement with Dhamra LNG Terminal Pvt. Ltd. (DLTPL) for booking 3 Million Metric Tonnes Per Annum (MMTPA) of Regasification Capacity in their 5 MMTPA LNG Terminal, being constructed at Dhamra Port, in Odisha. DLTPL is a special purpose vehicle owned by Adani Petroleum Terminal Pvt. Ltd. (APTPL)), which in turn is a wholly owned subsidiary of Adani Ports & SEZ Ltd. (APSEZL).

The LNG Terminal at Dhamra would meet the captive gas requirements of three refineries of IndianOil situated in Barauni, Haldia and Paradip. The project will also enable supply of gas to City Gas Distribution (CGD) networks being set up in 7 important towns in eastern India, namely, Varanasi, Patna, Ranchi, Jamshedpur, Kolkata, Bhubaneswar and Cuttack.

The LNG Terminal at Dhamra would provide clean and economically viable fuel to the potential customers like Industries, Transport and Domestic Households in the states of Odisha, Bihar, Jharkhand and West Bengal.

The above is for information and record please.

Yours faithfully,

For **INDIAN OIL CORPORATION LIMITED**
