Re.: Commissioning of 15 MW Wind based Power Project at Village Kotadapitha,  
Dist.:Amreli, Gujarat.

Ref.:1.Regulation 30 of the SEBI (Listing Obligations and Disclosure  
Requirements) Regulations, 2015; and

2.Our Intimations dated 3rd September, 2014, 21<sup>st</sup> May, 2015 and 3<sup>rd</sup> June,  
2016.

Dear Sir,

1. Further to our Intimation dated 3<sup>rd</sup> June, 2016, it is hereby informed that two more Wind Turbine Generators (WTGs) of 1.5 MW each have been commissioned at the Kotadapitha Wind Farm Site, Dist.: Amreli, in Gujarat for which Certificate of Commissioning has been issued by Gujarat Energy Development Authority (GEDA). Accordingly, the total capacity of Kotadapitha Site is 10 WTGs x 1.5 MW i.e. 15 MW.
2. It is also hereby informed that on account of financial constraints faced by Leitwind Shriram Manufacturing Ltd., (LSML), Chennai, the EPC Contractor, the said 27 MW Kotadapitha Wind Farm Site has been downsized and truncated at 15 MW (1.5 MW x 10 WTGs). Accordingly, the Alteration/Variation Order (AVO) dated 22/11/2016 for the downsized capacity has been issued by GIPCL to the EPC Contractor.

Kindly acknowledge receipt and take the above on your records.

Thanking you,

Yours faithfully,

For Gujarat Industries Power Company Limited

CS A C Shah

Company Secretary and DGM (Legal)
