Mindtree positioned in Leadership Zone for Publishing, Broadcasting and Education in Zinnov Zones 2016 – Media & Technology

Bangalore (India) and Warren (NJ) –March 30, 2017 - Mindtree, a global digital transformation and technology services company, has been featured in the leadership zone for Publishing, Broadcasting and Education verticals in Zinnov's global study of Media and Technology services titled Zinnov Zones 2016 – Media & Technology. In the technology specific ratings section, Mindtree has been rated as a Mature and Established player for over-the-top Video technology.

The study provides vertical and technology specific ratings based on parameters like capabilities, ecosystem linkages and client relationships among others. The vertical specific rating assesses vendors on all service lines and offerings for respective segments. While the technology specific rating evaluates service providers across capabilities in key emerging technology areas. For the executive summary of the study, please click here.

"The Media industry continues to be reshaped in very interesting ways with the emergence of Digital technologies. Our Media clients see us as a trusted advisor, due to our strong capabilities in digital, mobility, analytics, content management, and other related solutions", said Balaji Thirumalai, SVP and Head of the Technology, Media & Services business, Mindtree. "This recognition by Zinnov is testimony to our significant investments, innovative approach and competencies, which helps us create valuable business outcomes for our clients."

"Mindtree has been rated in the leadership zone for Publishing, Broadcasting and Education segments. A significant product engineering experience as well as the ability to provide end to end data management/analytics services has helped Mindtree differentiate themselves with respect to the competition. Going forward these capabilities put them at a unique positon to tap into other high growth segments in the Media and Entertainment space", said Sidhant Rastogi, Partner & Practice Head, Zinnov.
