Sub.: Consolidation of plant operations and consequent discontinuation of manufacturing operations at Manesar

Ref.: Disclosure under Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ["Listing Regulations"]

Dear Sir/Madam,

The Company regularly monitors operating efficiencies of each plant and evaluates consolidation of operations at appropriate juncture. During this exercise, we consider various factors including uninterrupted supplies of auto components to our Original Equipment Manufacturer (OEM) customers.

In line with this exercise and keeping in view the overall business interests of all the stakeholders, the Company plans to consolidate the manufacturing operations at its Manesar plant. Towards this, the Company has decided to discontinue manufacturing activities at its plant situated at Manesar with effect from 31st August, 2018. Requisite notice to this effect has been given to the authorities concerned under the Industrial Disputes Act, 1947.

This consolidation of operations, resulting in discontinuation of manufacturing activities at Manesar plant, is likely to provide long term benefit and improve the Company's operating results, as well as cater to OEMs more effectively. This exercise is not expected to result in any loss of turnover/revenue for the Company.

The above information is filed with the Stock Exchange for wider dissemination of the action initiated by the Company with respect to its Manesar plant.

Thanking you,

Yours faithfully,
For **Endurance Technologies Ltd.**

Sunil Lalai
Company Secretary and Vice President - Legal
