Vadodara, December 16, 2010

20 MICRONS ADDING NEW HORIZONS

20 Microns Limited (20ML), a Vadodara based renowned Mining & Mineral processing Company; had recently, in the month of November, 2010, participated in the World's most prestigious and honored Exhibition – “**K-2010**” held at Dusseldorf in Germany where mainly the Entrepreneurs from Plastics, Rubber and Chemicals participated as Exhibitors. This mega global event was witnessed and experienced by about 3100 Exhibitors and around 3,00,000 visitors, globally.

20ML, exhibited at Hall 08B/G27 of K-2010 and received remarkable response from the Visitors for its innovative products in the fields of functional fillers, Extenders and Specialty Chemicals. The gorgeous appearance with an aesthetic theme tempted the visitors to walk in to the Hall and went with appreciation of the products of 20ML and its cheerful Team.

20ML could impress the visitors at large to make them know about the products of the Company and its on-going research and development. This would create positive inquiries in days to come said Mr. Chandresh Parikh, CMD of 20ML.

With the strong business presence in about 47 countries of 20ML, by participating in K-2010, we see wider penetration of 20ML on international platform, said Mr. Rajesh Parikh, the MD of 20ML.

As always, visitors of the Exhibition appreciated the efforts of Research & Development team and various product applications of 20ML.

“**K-2010**” will open up new opportunity which would translate in terms for profitable growth of 20ML with increasing business all across the Globe with Europe being the focus. K-2010 also opened up process of development with GLOBAL giants in the plastic Industry and these developments will have positive impact on 20ML growth in the years to come in Global and Domestic arena.
