Notes to the Financial Results:

- 1 The above results have been reviewed by the Audit Committee, approved by the Board of Directors of the Company at its meeting held on August 11, 2017. The Statutory Auditors of the Company have carried out a "Limited Review" of the results for the quarter ended June 30, 2017

2 **First time adoption of IND AS :**

The Company adopted Indian Accounting Standards (IND AS) from April 1, 2016 and accordingly, the transition was carried out, from the Accounting Principles generally accepted in India as specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (previous GAAP), in accordance with IND AS - 101 "First time adoption of Indian Accounting Standards". Accordingly, the impact of transition has been recorded in opening reserves as at April 1, 2016 and the periods presented have been restated accordingly.

Reconciliation of net profit after tax reported in accordance with Indian GAAP to total comprehensive income in accordance with IND AS is given below:

			(₹ in Million)
Sr No	Particulars	Note No	Quarter ended June 30, 2016
	Net profit after tax as per Previous GAAP (Indian GAAP)		468.00
	Add/Less :		
1	Impact of measuring Financial Investments at fair value through profit or loss (FVTPL)	a	0.36
2	Discounting of Non Current Provisions	b	(0.94)
3	Re-measurements of post-employment benefit obligations	c	1.57

	Total comprehensive income for the period		467.27

Notes :

a **Fair valuation of Financial Investments :**

Under previous GAAP, Financial Investments were measured at transaction cost. Under Ind AS these financial investments have been classified as FVTPL on the date of transition and fair value changes after the date of transition has been recognised in the statement of Profit and Loss.

b **Discounting of Non Current Provisions :**

Under the previous GAAP, discounting of Non Current provisions were accounted at transaction cost. Under Ind AS, if the effect of time value is material, then Non Current provisions are to be measured at discounted values. Accordingly, under Ind AS these Non Current provisions have been classified as FVTPL on the date of transition and fair value changes after the date of transition has been recognised in the statement of Profit and Loss.

c **Re-measurements of post-employment benefit obligations :**

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expenses on the net defined benefit liability, are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

- 3 The format for un-audited quarterly results as prescribed in SEBI's Circular CIR/CFD/CMD/15/2015 dated November 30, 2015 has been modified to comply with requirements of SEBI's circular dated July 5, 2016, Ind AS and Schedule III (Division II) to the Companies Act, 2013 applicable to companies that are required to comply with Ind AS.
- 4 The statement does not include Ind AS compliant results for the preceding quarter and previous year ended March 31, 2017 as the same is not mandatory as per SEBI's circular dated July 5, 2016 .
- 5 This Ind AS financial results and financial information for the quarter ended June 30, 2016 have been compiled by the management after making necessary adjustments to give a true & fair view of the results. This information has not been subject to any Limited Review or audit.
- 6 There is a possibility that these quarterly Financial Results may require adjustment before constituting the final Ind AS Financial Statements as at and for the year ending March 31, 2018 due to changes in financial reporting requirements arising from new or revised standards or interpretation issued by MCA / appropriate authority or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS as per permitted under IND AS-101.
- 7 The Company is of the view that it manufactures Forging and Engineering quality carbon and alloy steels which is a single business segment in accordance with Ind AS 108 - "Operating Segment" notified pursuant to Companies (Indian Accounting Standards) Rules, 2015.

Limited Review Report

To The Board of Directors Kalyani Steels Limited

We have reviewed the accompanying statement of unaudited financial results of **Kalyani Steels Limited** for the period ended 30th June, 2017. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
