## **3i Infotech Limited secures Global Spotlight, Ranking 35<sup>th</sup> Worldwide for its Annual Report FY 2024-25**

**Mumbai, February 17, 2026:** 3i Infotech Limited (BSE: 532628) (NSE: 3IINFOLTD) ("the Company / 3i Infotech"), a leading global provider of digital transformation, technology services and technology solutions, has once again made its mark on the international stage at the 2024/25 Vision Awards Annual Report Competition organized by the League of American Communications Professionals ("LACP").

For the third year in a row, 3i Infotech's Annual Report has earned global acclaim **securing the prestigious Gold Award** at the LACP Vision Awards 2024/25.

The Company's Annual Report titled "**Reset. Refocus. Rebound.**" achieved an exceptional overall score of **98 out of 100**, earning **35<sup>th</sup> rank globally** and securing a prominent place among the Top 100 Annual Reports worldwide.

The Company was also honoured with the **Technical Achievement Award**, celebrating excellence in annual report theme, design and presentation.

The LACP Vision Awards is one of the world's most recognized platforms for excellence in corporate reporting with participation from organizations across more than a dozen countries. Entries are evaluated across parameters including first impression, cover design, shareholder communication, narrative quality, presentation of financial and statutory information, creativity and clarity.

Commenting on the achievement, Mr. Raj Ahuja, Group CEO, 3i Infotech Limited, said:

*"Winning the Gold Award for the third year in a row and earning coveted spot among the Top 100 Annual Reports worldwide is a moment of immense pride for all of us. This recognition is a powerful testament of our commitment to transparency, governance excellence and meaningful stakeholder communication.*

*Our 2024/25 Annual Report reflects more than just numbers – it captures our transformation journey - **Reset, Refocus and Rebound** and reflects the organisation's resilience, strategic clarity and the unwavering dedication of our Senior Management Team under the guidance of the Board of Directors of the Company. We remain steadfast in our pursuit of sustainable value creation and in upholding the highest standards of corporate reporting."*

This recognition reinforces 3i Infotech's reputation for strong governance, transparent disclosure practices, and enhanced quality of investors' communication.

The detailed results are available on the official LACP Vision Awards website.

### **About 3i Infotech Limited**

3i Infotech Limited incorporated in 1993 and headquartered in Mumbai, India, provides information technology services and software solutions. Since, its inception the company has 30+ years of

experience in delivering business value to its clients across multiple industry verticals. 3i Infotech has emerged as a leading name in propelling the current wave of digital transformation initiatives, with deep domain expertise across BFS, IT, Insurance, Manufacturing, Retail and Government sectors.
