3i Infotech Joins SAP Partner Ecosystem to Strengthen Enterprise Transformation Capabilities

NAVI MUMBAI, India - April 17, 2026 - 3i Infotech Limited (NSE, BSE: 3IINFOLTD), a global IT services and solutions group, today announced that its wholly owned subsidiary, 3i Infotech Inc., USA, has been onboarded into the SAP Partner Ecosystem under the PE Service Partnership model, with a focus on SAP Cloud ERP and enterprise transformation services.

This partnership marks a significant step in 3i Infotech's cloud-led and lifecycle-driven SAP strategy, enabling the organization to support enterprises across the SAP landscape, including SAP S/4HANA Cloud, RISE with SAP, and SAP Business Technology Platform (BTP).

Through this engagement, 3i Infotech will deliver a comprehensive suite of SAP services, including implementation, application management services (AMS), managed services, and industry-led solutions, enabling long-term value realization and operational continuity.

As part of the SAP ecosystem, 3i Infotech will leverage SAP's technology framework to strengthen service delivery and accelerate outcomes across enterprise resource planning, data-driven decision-making, and business process transformation.

Raj Ahuja, Group CEO, 3i Infotech Limited, said:

"Becoming part of the SAP Partner Ecosystem is a strategic milestone for us as we continue to strengthen our enterprise transformation capabilities across the SAP landscape. This partnership aligns with our long-term vision of enabling enterprises to modernize their core systems with agility and scale. We look forward to collaborating closely with SAP to deliver meaningful business outcomes for our customers globally."

This onboarding reflects 3i Infotech's focus on strategic alliances and expanding its presence in key global markets, particularly North America. The company aims to drive faster deployments, predictable transformation journeys, and measurable business impact for its clients.
