Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To

The Board of Directors

GVP Infotech Limited

1. We have reviewed the accompanying statement of unaudited financial results of GVP Infotech Limited (Formally known as Fourth Dimension Solutions Limited) (the Company) for the quarter ended June 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We draw attention to Note 6 of the financial statements, which describes a subsequent event pertaining to the arbitration proceedings with **Minosha India Limited**. The arbitration, originally involving an amount of Rs. 110,02,25,224/- (Rupees One Hundred Ten Crores, Two Lakhs, Twenty-Five Thousand, Two Hundred and Twenty-Four Only), has been withdrawn and settled for a reduced amount of Rs. 20,00,00,000/- (Rupees Twenty Crores Only). As a result, the balance amount of Rs. 90,02,25,224/- (Rupees Ninety Crores, Two Lakhs, Twenty-Five Thousand, Two Hundred and Twenty-Four Only) is expected to be written off in the next quarter.

This event has occurred after the date of the financial statements but prior to the release of the limited review report, and has been disclosed in the financial statements as a subsequent event.

The write-off of the balance amount will have a material impact on the company's financial position in the subsequent period.

Our review of the financial statements for the current quarter did not identify any issues with the recognition or disclosure of this subsequent event in accordance with the applicable accounting standards.

Here in, the **Emphasis of Matter** points out the arbitration withdrawal and settlement, clearly states that the write-off will be done in the next quarter, and treats this as a **subsequent event**. It confirms that the matter is appropriately disclosed, without affecting the current quarter's financials directly.

5. We have observed that the company did not establish a provision for doubtful debts viz RUDSICO amounting to Rs. 40 crores (Arbitration notice served to RUDSICO, local self-government Department to invoke Arbitration as on 06.03.2023 for non-payment and termination of "Smart Rajasthan" contract. Presently the matter is pending before Hon'ble High court of Jaipur for appointment of Arbitrator as per the terms of contract.), Ind AS 37 requires entities to recognize a provision for doubtful debts when there is a possibility that the company will be able to collect all the amounts due from its debtors is uncertain. The provision should reflect the best estimate of the credit losses that are likely to be incurred on the company's receivables portfolio. By not establishing a provision for doubtful debts, the company's financial statements may be misstated by overstatement of trade receivables and understatement of Expenses.
6. The Company has filed application U/S 9 of IBC, 2016 against Link well Tele systems Pvt Ltd for outstanding amount of Rs 7.90 Crore. the same is pending before Hon'ble National Company Law Appellate Tribunal Chennai Bench, however, the Company has not made any provision against the same as per IND AS-37
7. Based on our review conducted as above, nothing has come to our attention except the matters stated in para 4 to 6 above that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
