INDEPENDENT AUDITOR'S REPORT

To The Trustees of Future Hope India

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Future Hope India** ("the Trust"), which comprise the Balance Sheet as at March 31, 2025 and the Income and Expenditure Account and the cash flow statement for the year then ended and a summary of material accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the Accounting Standards issued by the Institute of Chartered Accountants of India ("ICAI") to the extent applicable and in the manner so required and other accounting principles generally accepted in India, of the state of affairs of the Trust as at March 31, 2025, the income and expenditure and the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Trust's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, income and expenditure and cash flows of the Trust in accordance with the Accounting Standards issued by ICAI and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

The Trust's board of Trustees are also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trust.
- Conclude on the appropriateness of Trust's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Deloitte
Haskins & Sells

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

FUTURE HOPE INDIA
Notes to the financial statements

Note 1
Significant Accounting Policies

a) Organizational Overview:
Future Hope is a charitable organisation which provides opportunity through its homes, school, sports and medical programme for some of the most vulnerable children from the streets and slums of Kolkata, India.

b) Basis of accounting and preparation of financial statements
The Trust follows the accrual method of accounting under historical cost convention and the financial statements are in compliance with the accounting standards as issued by the Institute of Chartered Accountants of India.

The preparation of the financial statements requires the Management to make estimates and assumptions that affects the reported amounts of assets and liabilities including contingent liabilities as of the date of the financial statements and the reported income and expenses for the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.
Consequent to the Trust being a non-corporate entity certain information relating to Accounting Standards issued by the Institute of Chartered Accountant of India are not disclosed by the Trust pursuant to exemptions/ relaxations as contained in the Accounting Standards.

During the Financial year 2024-25 Government of West Bengal Directorate of Child Rights & trafficking & State Child Protection Society, West Bengal has also approved Future Hope India under the list of Child Care Institutions under the Mission Vatsalya scheme and sanctioned recurring Grant-in-aids under the CPS scheme (Now Named as Mission Vatsalya). Following the same, the management has accordingly adopted the appropriate policy for government grants, including the methods of presentation in the financial statements. In addition to the above, the pertinent policy has also been adopted regarding the nature and extent of government grants recognized in the annexed financial statements, including grants

c) Property, Plant and Equipment and Depreciation
(i) Property, Plant and Equipment, other than those acquired by way of donations, as mentioned in (ii) and (iii) below, are stated at cost of acquisition / construction less depreciation and impairment losses. The cost of the asset is inclusive of expenses incidental to its acquisition. Impairment loss is recognized, where applicable, when the recoverable amount of an asset is less than its carrying amount.
(ii) Property, Plant and Equipment acquired partly/fully out of donations earmarked for such assets are stated at cost together with any incidental expenses of acquisition and net of such donations.
(iii) Donated Property, Plant and Equipment are shown at nominal value of rupee one.
(iv) Depreciation on Property, Plant and Equipment is provided on written down value method at rates and on the basis stipulated in the Income Tax Act, 1961.

d) Foreign Currency Transactions
Transactions in foreign currency are recorded at the rate of exchange ruling at the time of transaction. Grants & Donation received from foreign sources are accounted for on the basis of bank advices received from our banker's. Therefore no foreign exchange differences are arising out of such transactions

e) Interests on Corpus Fund and Restricted Fund Investment
Interest on deposits with bank is recognised as income on a time proportion basis taking into account the amount outstanding and the rate applicable.

The interest earned from the Corpus Fund Investments is considered as part of the Corpus Fund and the interest income earned from the Restricted Funds' Investments is considered as part of the Restricted Funds.

f) Donation and grant in aid
Donations are accounted for when actually received. Grants & donations received from foreign sources are accounted for on the basis of bank advices received from the bankers.

Donations expressly made to the Corpus of the Trust are not taken to income but are transferred to the Corpus Fund and on utilization for acquisition of Property, Plant and Equipment are adjusted against the cost of such assets acquired therefrom. Similarly, donations made for restricted purposes also are not taken to income but are transferred to the separate fund maintained for that restricted purpose under funds employed.
Donations for meeting various revenue expenses of the Trust are credited to the Income & Expenditure Account.

Grants that relate to capital expenditure is reduced from the cost of asset and depreciation is charged on the cost net of grant received. Other grants are credited to Income and Expenditure Account on the basis of certainty and shown as part of revenue from operations. Such grants are received for taking care of homeless people belonging to different age groups and recorded when it is certain that it will be received from the department.

g) Employee Benefits
Contribution made to approved Employees' Provident Fund for employees are recognized in the Income & Expenditure Account on an accrual basis.

The Trust makes annual contribution to Life Insurance Corporation of India (LICI) under the Group Gratuity Scheme for the gratuity liability of its employees based on valuation carried out by LICI. This post-employment benefits (gratuity) are recognised as an expense in the Income & Expenditure Account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using valuation techniques.
Short term employee benefits are recognised as expenses at the undiscounted amount in the Income & Expenditure Account for the year in which the related service is rendered.

h) Provisions, Contingent Liabilities and Contingent Assets
Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes to accounts. Contingent assets are neither recognised nor disclosed in the financial statements.

Notes to the financial statements

Note 19
The Trust is registered under Section 12A of the Income Tax Act, 1961 and eligible for exemption of income tax under Section 11 of the Act and hence no tax provisions have been made in the books.

As per the Trust's significant accounting policies, donations expressly received towards restricted purposes are not taken to income but transferred to a separate fund maintained for that restricted purpose under funds employed and the expenditure incurred towards the restricted purpose is deducted from the respective restricted funds. Refer Note 2 for details of the funds.

As per the Trust's significant accounting policies stated above, the fixed assets which have been acquired out of donations earmarked for such assets are stated at cost together with any incidental expenses of acquisition and net of such donations i.e. such assets appear at nil value. Refer note 7 for details of the same.

Note 20
As per the information available with the trust, during the year, there have been no transactions with the enterprises covered under the Micro, Small and Medium Enterprises Development Act, 2006. There are no Micro, Small and Medium Enterprises, to whom the Trust owes dues (including interest on outstanding dues), which are outstanding as at March 31, 2025 and March 31, 2024. The above information has been determined to the extent such parties have been identified on the basis of information available with the Trust. This has been relied upon by the auditors.

Note 21

Notes to the Financial Statements
As at and for the year ended 31st March, 2025
Note 23 Employee Benefits
1) Post Retirement Benefits - Defined Contribution Plan

Benefit (Employer contribution to)	As at 31st March 2025	As at 31st March
	Rs.	Rs.
Provident fund	1,792,868	1,583,613
Total included in "Employees Benefit Expenses"	**1,792,868**	**1,583,613**

2) Post Retirement Benefits - Defined Benefits Plan
a) Gratuity

The trust has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years or more of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. The trust accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation using projected unit credit method. The trust investment in plan assets which is managed by Life insurance Corporation of India and hence it is funded in nature

The present value of defined benefit obligation and related current service cost has been done as per Projected unit credit method. Actuarial Valuation for Gratuity has been done in line with requirements of AS 15 (revised 2005). Below notes sets out in details the assumption used for gratuity valuation.

The amounts recognised in the balance sheet and the movements in the net defined benefit obligation are as follows:

	As at 31st March 2025	As at 31st March
	Rs.	Rs.
(Decrease) / Increase in Trade Payables		
Balance at the beginning of the year	4,465,158	3,989,068
Increase / (Decrease) in Short-term Loans & Advances	485,489	458,262
Increase / (Decrease) in Other Current Assets	323,724	289,207
Benefit Paid	(705,541)	(94,545)
Actuarial (gain)/loss	(109,822)	(176,834)
Net Cash flows generated from operating activities (A)	**4,459,008**	**4,465,158**
(ii) Reconciliation of fair value of plan assets		
Balance at the beginning of the year	4,548,638	3,989,068
Expected return on plan assets	348,881	305,962
Actuarial gain/(loss)	(35,295)	14,202
Actual trust contributions	254,407	333,951
Benefits paid	(705,541)	(94,545)
Balance at the end of the year	**4,411,090**	**4,548,638**
(iii) Net defined benefit liabilities / (assets)		
Present value obligation as at the end of the year	4,459,008	4,465,158
Fair value of plan assets as at the end of the year	4,411,090	4,548,638
Net asset/ (Liability) recognized in balance sheet	(47,918)	83,480
(iv) Expense recognised in Statement of Income and Expenditure		
Employee benefit expenses:		
Service cost	485,489	458,262
Finance costs		
- Interest costs	323,724	289,207
- Interest income	-	-
Expected return on plan assets	348,881	305,962
Actuarial (gain)/loss	(74,527)	(191,036)
Total amount recognised in Income and Expenditure account	**385,805**	**250,471**

(v) With the objective of presenting plan assets and obligations of the defined benefit plans at their fair value at Balance Sheet date, assumptions used under AS 15 are set by reference to market conditions at the valuation date.

Particulars	As at 31st March 2025	As at 31st March 2024
Discount rate (per annum)	7.25%	7.25%
Expected rate of return on plan assets	7.68%	7.67%
Salary escalation rate (per annum)	5.50%	5.75%
Expected average remaining working lives of employees (years)	58	14.97
Attrition rate		
based on age (% p.a.)		
up to 30 years	3	3
From 31 years to 44 years	2	2
More than 44 years	1	1
Mortality	100% of IALM 2012 - 2014	100% of IALM 2012 - 2014

Deloitte Haskins & Sells Chartered Accountants

FUTURE HOPE INDIA

The discount rate indicated above reflects the estimated timing and currency of benefit payments. Itis based on the yields / rates available on applicable bonds as on the current valuation date.
The salary growth rate indicated above is the trust best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.
Attrition rate indicated above represents the trust best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined considering various factors such as nature of business, retention policy, industry factors, past experience, etc.

(vi) Sensitivity Analysis: Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligations by the amounts shown below:

	As at 31st March 2025		As at 31st March 2024	
	Increase	Decrease	Increase	Decrease
	Rs.	Rs.	Rs.	Rs.
(i) Discount Rate (1% Movement)	(4,110,470)	4,853,614	(4,122,571)	4,854,167
(ii) Future Salary (1% Movement)	4,867,678	(4,092,238)	4,866,561	(4,106,130)
(iii) Attrition Rate (50% Movement)	4,479,950	(4,436,157)	4,482,571	(4,446,150)
(iv) Mortality Rate (10% Movement)	4,466,735	(4,451,148)	4,472,185	(4,458,012)

(vii). Best estimate of contribution during next year : Rs 6,22,758/- (FY 25-26)

Note : The gratuity disclosure for the period ended March 31, 2025 is disclosed and the actuarial valuation has been done for the Financial year 2024-25

b) Leave Encashment

The actuarial valuation of leave encashment is not done as leave is not encash able in future years and it gets lapsed in the year for

3) Aforesaid defined benefit plans typically expose the trust to actuarial risks such as: investment risk, interest rate risk, longevity risk

Investment risk	The present value of the defined benefit liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.
