Item	***S1: Upto Rs1 Cr***	***S2: More than Rs1 Cr***
1c1) Vision Statement *(A vision statement should be no more than one sentence. It should not be more than 20-25 words. It should be simple enough for every employee across all levels to express it easily. It is the end result of your organisation's work. If your organisation were to work for 30-35 years, what would you visualise as the final state of affairs? Every time you say the vision, you should be able to visualise the end situation. It is the final picture/ photo of the situation in your chosen theme or area of work in the end! It is a description of the "after" picture you would see as a result of your organisation's work at the end of its lifetime when you believe its purpose is accomplished.)* ❖ *A socially just and eco-sustainable rural society where empowered farmers, women, and children live with dignity, equal rights, secure livelihoods, and resilient communities free from exploitation and deprivation.*	*Desirable*	*Must Have*

1c2) Purpose & Mission *Why the organization exists and explain why the cause taken up by the organization matters?* *Ans: SISTRY FOUNDATION exists to address the deep-rooted poverty, marginalization, and lack of opportunities faced by rural farmers, farm women, tribal communities, and vulnerable children in backward regions of West Bengal. The organization was formed to respond to the exploitation of farmers by middlemen, the absence of scientific and sustainable agricultural practices, the denial of basic rights to women and children, and the lack of access to health, nutrition, and livelihood opportunities. It seeks to empower disadvantaged communities so they can live with dignity, self-reliance, and equal rights.* ***Why the Cause Matters*** 1. ***Because poverty and exploitation trap generations:*** *Without intervention, marginal farmers, sharecroppers, and rural laborers remain stuck in a cycle of low income, debt, and exploitation by middlemen.* 2. ***Because women and children remain the most vulnerable:*** *High levels of gender discrimination, early marriage, trafficking, violence, and lack of education make targeted empowerment essential.* 3. ***Because climate change threatens rural livelihoods:*** *Promoting climate-smart and eco-friendly agriculture is critical for ensuring food security, sustainable production, and environmental protection.* 4. ***Because lack of health awareness leads to preventable diseases:*** *Many rural families suffer from malnutrition, diabetes, infections, and poor sanitation—issues that can be prevented through awareness and community-based health care.* 5. ***Because organized communities are more resilient:*** *Strengthening SHGs, FIGs, and Farmers Producer Companies gives rural communities bargaining power, better markets, higher income, and long-term stability.* 6. ***Because empowering the marginalized builds a just society:*** *Supporting tribal, Dalit, minority communities, and distressed women promotes equality, human rights, and social justice.* *What is your organisation aiming to accomplish? Use the below sentence construction format to state your mission.* *Clearly and concisely state your intended long term impact (description with a broad number)*	*Must reply*	*Must reply*

2f) Organisation level potential risks and mitigation plan 1. Governance Risks Risk: Weak governance systems, lack of board engagement, or non-compliance with statutory requirements (FCRA, CSR, Income Tax, ROC filings). Mitigation: • Regular governance review meetings with Trust/Board. • Maintain compliance calendars for all statutory filings. • Capacity building for Board members on governance standards. • Strengthen internal audit, finance committee, and documentation processes. 2. Operational & Implementation Risks Risk: Delays or interruptions in program implementation due to field constraints, staff shortage, logistics issues, or natural disasters. Mitigation: • Develop clear implementation plans with monthly and quarterly targets. • Maintain field-level monitoring systems through supervisors and MIS tools. • Cross-train staff to ensure continuity. • Create disaster preparedness plans and flexible timelines for high-risk blocks. 3. Community Engagement & Social Risks Risk: Resistance from target communities, local influencers, or political actors that may hinder participation in programs. Mitigation: • Conduct community mobilisation sessions before program rollout. • Engage local leaders, PRI members, SHG leaders, and FPC directors from the beginning. • Transparent communication about benefits, entitlements, and roles. • Build trust through long-term presence and grievance redressal mechanisms.	*Desirable*	*Must Have*
