Form 1B.2

This section covers the Annual Impact Report (AIR) that should, at a minimum, cover the aspects described below.

This should cover at least the top 67 percent of programme spending for the reporting period. For each of the thematic areas the organisation works in, as per the SEBI defined 16 thematic areas, a separate AIR is to be prepared in Form 1B.2. This would help the organisation to determine eligibility for listing projects.

If the organisation has active listed securities in the same period, they should be covered using Form 2that needs to be assessed by a competent social impact assessor of an empanelled social impact assessment firm, for each of the listed securities.

Sub-Section 1B.2.1 Annual Impact Report (AIR) Self-Reported

*of **NARAYANI CHARITABLE TRUST** for the period*

from 01 April 2025 to 31 March 2026

For Pahela Kadam School: special education, therapy and vocational training comprising [38.3%]% spending in the financial year under review

Under Promoting education, employability and livelihoods (SSE Thematic Area)

Programme start date Trust formed 25-11-2014 .

Programme Objective(s): To provide education, therapy and vocational training that enables children and adults with disabilities in Dhanbad district to learn, become independent and be included in society, and to help their families access government entitlements.

1) Strategic Intent and Planning

Item	***S1: Upto Rs1 Cr***	***S2: More than Rs1 Cr***
a) What is the social or environmental or cultural challenge the organization is addressing in this thematic area? Has this changed in the last year?	Children with disabilities in Dhanbad, including children with intellectual disability, autism, ADHD, cerebral palsy, hearing and visual impairment and multiple disabilities, have very limited access to specialised schooling, therapy and vocational training close to home. The Trust's founding note describes families travelling to distant cities such as Hyderabad, Bengaluru and Mumbai for treatment. The Annual Report also cites that more than 75% of the over two million children in India with multiple disabilities are not in school.	*Must Reply*

b) How is the organization attending to the challenge or planning to attend to the challenge in this thematic area? Has this changed in the last year?	The Trust runs Pahela Kadam School, which provides special education through IEP and GEP, early intervention, behaviour, speech, physio, occupational, sensory, music, sand and water therapy, audiology and speech services, medical check up, sign language and Braille based education, pre vocational and vocational training, sports and cultural activities and parent counselling. It helps families obtain Aadhaar, UDID, Nirmaya health insurance, disability certificate, pension, ration card, bank account, legal guardianship and railway concession. Through six Divya Jyoti General Stores, students gain livelihood experience. Planned expansion: 100 Divya Jyoti Stores and 50 rehabilitation centres across Jharkhand and a national level campus.	*Must Reply*
c) Who or what is being impacted (target segment/ affected area)? Has this changed in the last year?	Children and adults with disabilities (educable and trainable intellectual disability, autism, ADHD, cerebral palsy and locomotor disability, hearing impairment, visual impairment and multiple disabilities) and their families in Dhanbad district, Jharkhand. About 250 to 300 children are currently educated and trained (Annual Report 2025-26).	*Must Reply*
d) What will be the outcomes of the activities, intervention, programs or project? Disclosure should include positive and potential unintended negative outcomes.	Positive outcomes the programme works towards: better learning, communication, behaviour and daily living skills; greater independence and employability through vocational training; livelihood for students running Divya Jyoti General Stores; access to entitlements such as health insurance, pension and UDID; and less travel burden for families.	*Must Reply*

2) Approach

Item	***S1: Upto Rs1 Cr***	***S2: More than Rs1 Cr***
a) What is the baseline status at the start of the activity/intervention/programs or project and at the end of the last reporting period?* **Baseline status incudes situation analysis/ context description at the start*	At the start: the Trust began about 15 years ago from the founder's home with two children, then moved to two rented rooms as more families joined (founding note, Annual Report 2025-26). At the end of the reporting period: about 250 to 300 children are educated and trained with need based therapies, more than 50 children are in vocational training and six Divya Jyoti General Stores operate.	*Must Reply*
b) What has been the past performance trend? (if relevant)	Audited annual expenditure rose from Rs. 51,64,768 in FY 2023-24 to Rs. 59,62,025 in FY 2024-25 (about 15.4%), and donations reported in Form 10BD rose from Rs. 56,57,810 to Rs. 65,05,526 (about 15.0%). Six Divya Jyoti General Stores were opened between January 2022 and December 2023.	*Must Reply*
c) What is the solution implementation plan and the	Implementation: assessment and enrolment of children, individual education plans (IEP and GEP), need based therapies, pre vocational and vocational training after age 16, parent counselling and linkage to	*Must Reply*

measures taken for sustainability of activity/intervention/programs or project outcomes? Has there been any material change in your implementation model in the last one year?	government entitlements. Sustainability measures: student run Divya Jyoti General Stores for livelihood; support from CSR and institutional supporters such as Coal India and BCCL; individual donations (Rs. 65,05,526 reported in Form 10BD for FY 2024-25); and an owned school building and classrooms (fixed assets of Rs. 1,38,47,670 at 31 March 2025).	
d) *Please brief out alignment of solution to Sustainable Development Goals (SDGs)/national priorities/state priorities/ developmental priorities.*	SDG 4 Quality Education (primary); SDG 3 Good Health and Well being (therapy and medical check up); SDG 8 Decent Work and Economic Growth (vocational training and stores); SDG 10 Reduced Inequalities. National priorities: Rights of Persons with Disabilities Act, 2016; National Trust schemes (Nirmaya health insurance, legal guardianship); UDID; inclusive education and skill development. State priorities: Jharkhand disability pension (Swami Vivekananda pension) and disability certification.	*Must Reply*
e) *How have you taken into consideration stakeholder feedback in this reporting period?*	Regular parent meetings are held as part of speech and audiology therapy, and parent counselling is part of the services (Annual Report 2025-26).	*Must Reply*
f) *In the last year, what have you seen as the biggest risks to the achievement of the desired impact? How are these being mitigated?*	The biggest risks to impact this year were dependence on a small number of donors and CSR partners, difficulty finding and retaining trained special educators and therapists in Dhanbad, and the strain of expanding services and facilities quickly. Some families also find it hard to keep children attending regularly because of cost and distance. The Trust is mitigating these by diversifying its funding sources, paying regular salaries with statutory benefits and providing staff training, expanding in phases with trustee review of progress and spending, and supporting families through parent counselling and help in obtaining government entitlements.	*Must Reply*

3) Impact Indicators

Item	***S1: Upto Rs1 Cr***	***S2: More than Rs1 Cr***
a) What are the indicators used to evaluate the effectiveness and outcomes of programmes	children served (250 to 300), children in vocational training (more than 50) and Divya Jyoti General Stores (6).	*Must Reply*

Item	***S1: Upto Rs1 Cr***	***S2: More than Rs1 Cr***
i) Timeline specific output indicators from inception to end of project *(1) Number of interventions implemented* *(2) Timeliness of intervention delivery* *(3) % of planned vs. achieved programmes*	(1) Number of interventions implemented: six Divya Jyoti General Stores opened between 26-Jan-2022 and 10-Dec-2023; 250 to 300 children served. (2) Timeliness of intervention delivery: The project was implemented over a 12-month period, from 01 August 2025 to 31 July 2026. Therapeutic services for 100 children, inclusive education for 50 children, vocational training for 30 youth, and community awareness activities were delivered during this period. All planned interventions were completed by July 2026. (3) % of planned vs achieved programmes: The project successfully achieved 100% of its targets for therapy, inclusive education and vocational training, while exceeding the community outreach target by 2%, reaching 510 beneficiaries against the planned 500.	*Must Reply*
ii) Intermediate outcomes indicators (for e.g.) - starts around mid-term and continue to end-term of project *(1) Increased awareness or knowledge among the target population* *(2) Changes in attitudes or perceptions* *(3) Adoption of new behaviours or practices* *(4) Improved skills or capabilities* *(5) Increased access to resources or services*	(1) Increased awareness or knowledge: Over 500 beneficiaries, including youth, women, parents and Anganwadi members, benefited from awareness and sensitization initiatives. More than 20 village-level awareness campaigns and 30 parent awareness sessions were conducted, while over 24 Anganwadi teachers received training on disability awareness, early identification and inclusive education. (2) Changes in attitudes or perceptions: Community awareness programmes helped reduce stigma and promote greater acceptance of children with disabilities. Parents developed better understanding of home-based care, rehabilitation and the importance of regular therapy and inclusive education. Increased community participation encouraged more positive attitudes towards disability inclusion. (3) Adoption of new behaviours or practices: Parents were encouraged to participate actively in children's therapy, follow home-based care practices and support regular rehabilitation and education. Anganwadi teachers were equipped to identify developmental delays early and follow appropriate referral mechanisms. (4) Improved skills or capabilities: more than 50 children trained in vocational activities such as candle making, paper plate making, tailoring and computers (5) Increased access to resources or services: The project improved access to essential healthcare and rehabilitation services, particularly for children and families from rural and underserved communities. Beneficiaries received physiotherapy, occupational therapy, clinical and psychological consultations, medical guidance and health awareness support through dedicated health camps and community outreach initiatives.	*Must Reply when applicable*

Item	*S1: Upto Rs1 Cr*	*S2: More than Rs1 Cr*
iii) Overall outcome indicators (for e.g.) towards end-term and after end of the project period (depends on project gestation period) *(1) Behavioural change sustained over time* *(2) Improved social or economic conditions* *(3) Reduced rates of negative outcomes (e.g., poverty, disease, crime)* *(4) Enhanced quality of life* *(5) Increased resilience to future challenges*	(1) Behavioural change sustained over time: Continuous therapeutic interventions, parent counselling and inclusive education have contributed to sustained improvements in children's behaviour, communication, social interaction, attention span and daily living skills. Parents have also become more actively involved in their children's development and rehabilitation. (2) Improved social or economic conditions: students operate six Divya Jyoti General Stores as self reliant individuals (3) Reduced rates of negative outcomes: The project helped address the risk of social exclusion, untreated developmental difficulties and delayed rehabilitation by improving access to early intervention, healthcare, therapy and inclusive education. Community awareness initiatives also encouraged early identification of disabilities and timely access to support services. (4) Enhanced quality of life: A total of 100 children benefited from multidisciplinary therapeutic services, resulting in improvements in mobility, balance, communication, sensory integration, cognitive functioning and activities of daily living. Inclusive education for 50 children further enhanced learning, confidence, participation and social interaction. (5) Increased resilience to future challenges: The project strengthened the long-term capabilities of children, youth and families through life skills, vocational training, family counselling, inclusive education and community awareness. Training of more than 24 Anganwadi teachers also strengthened community-level capacity for early identification and referral of children with developmental disabilities.	*Must Reply when applicable*

4) Relevance and Sustainability

(Please share in 3-5 sentences with a supporting fact/ data point)

Item	*S1: Upto Rs1 Cr*	*S2: More than Rs1 Cr*
i) Relevance: Explain with a supporting fact/ data point how the initiative aligns with the organization's values and goals and is relevant to the target audience *ii) Sustainability: Explain with a supporting fact/ data point how the initiative is sustainable and if it can continue to make a positive impact in the future.*	**Relevance:** The programme directly supports the Trust's objective of improving the life of differently abled children through education and training. b) Beneficiary[4]/Stakeholder Validation through surveys and other feedback mechanism	The project used multiple feedback and monitoring mechanisms to assess beneficiary progress and validate outcomes, including: 1. Individual Assessments: Regular functional and developmental assessments of children to monitor improvements in mobility, communication, behaviour, cognitive abilities and daily living skills. 2. Parent Feedback & Counselling: Regular parent counselling sessions and individual family meetings to understand children's progress and challenges. 3. Parent–Teacher Meetings: Progress reviews and individual progress reports shared with parents, covering academic, therapeutic and behavioural development. 4. Continuous Monitoring: Regular monitoring by therapists, special educators, psychologists and vocational trainers, supported by team-based case reviews. 5. Community Feedback: Feedback and responses from beneficiaries and local residents during health camps, awareness programmes and community outreach activities. These mechanisms helped validate improvements, identify gaps and strengthen the quality and effectiveness of project interventions.	*Must Reply*
