Four days of thunderstorms behind cooler May this year

Continued from P1

This has been the second coolest May 15 since 2012. The only year when May first half was even cooler was 2023, when the average maximum temperature at Safdarjung was 36 degrees C. However, unlike this year, the relatively mild May in 2023 had followed a cool April, when the average maximum temperature was 35.3 degrees C.

Except for 2025, all years since 2011 (temperature records of Safdarjung are publicly available only since that year) have followed the climatological trend of May first half being warmer than April. The lowest difference in temperatures during the two periods was seen in 2022, when the average maximum was 40.4 degrees C in April and just 6.2 degrees higher at 46.6 degrees C in May 1-15. At the other end, 2015 saw a massive 5.3-degree difference when a pleasant April (average max 34.5 degrees C) gave way to a torrid May first half (average max 39.8 degrees C).

"May temperatures being lower than April is unusual although it is part of the weather variability. The main reason for this higher rainfall in May so far in contrast to dry conditions in April," said Mrutyunjay Mohapatra, chief of IMD.

There have been at least four days of thunderstorm activity in May so far with Safdarjung recording 98.1mm of rain, the highest for the first half of the

COOL MAY 1ST-HALF WETTEST IN 15 YRS

So far, this wettest May in at least 15 years. Electricity consumption decreased in May.

monsoon in May. It intensifies into cyclones. If it moves in the northwest direction, north India will dry up and temperatures will rise," Mohapatra said.

Meanwhile, the relief from peak heat conditions has translated directly to energy savings. While power demand usually rises sharply in May, this year the average demand so far in Delhi this month has been 4,670 MW, lower than the demand of 4725 in the second half of April.

Traders' body vows to boycott Turkey, Azerbaijan products

Times News Network

New Delhi: Chief minister Rekha Gupta expressed solidarity with the growing movement to boycott Turkey and Azerbaijan on Friday. Emphasising the nation's unified stance against those who support terrorism, she said, "if any country gets involved in any way against India, the people of India will boycott it in every way. India is united against the supporters of terrorism."

During her inspection of Aazadpur Mandi, she commended the traders' decision to stop importing apples from Turkey, demonstrating their support for the cause. At the all-India trade leaders' national conference in Delhi, meanwhile, several representatives from across the country resolved to boycott all forms of trade and commercial engagement with Turkey and Azerbaijan, including travel and tourism. The meeting was called by Confederation of All India Traders (CAIT) in New Delhi, with over 34 states participating.

"More than 125 leading trade leaders agreed to boycott trade with the two countries, stand in solidarity with PM Narendra Modi, and oppose stoutly those who are against India at this crucial juncture," said CAIT secretary

4 months on, NGT awaits CS reply

Priyangi.Agarwal@timesofindia.com

New Delhi: Four months after the National Green Tribunal passed an order regarding the environmental damage caused by the illegal extraction of groundwater in Paharganj, the Delhi chief secretary's response is yet to be submitted. The order called for identifying and holding accountable the officials responsible for the unregulated withdrawal of water under the guise of a non-existent voluntary disclosure scheme. The tribunal is hearing a plea by activist Varun Gulati over the illegal groundwater extraction by hotels and guesthouses in Paharganj. In its order dated Jan 29, the tribunal asked the chief secretary to ascertain the extent of the loss to the exchequer from such unregulated withdrawal in the name of the 'non-existing' voluntary disclosure scheme, the extent of damage caused to the environment, and the effect of such an illegal action on the

groundwater of the area. It also sought to fix responsibility upon the officials who are responsible for the unregulated water withdrawal. "One action taken report was submitted under the signature of special secretary environment dated May 5, but said action taken report does not cover the issues which were flagged by the tribunal in the proceedings dated Jan 29 and response on the issues sought from the chief secretary," said the bench headed by Justice Prakash Shrivastava in an order dated May 8. The bench further added that the report of the chief secretary was necessary because it was a serious matter. The report by the chief secretary in terms of the order dated Jan 29 will be filed within six weeks, govt stated.

Details on PG admission at AUD just a click away

Times News Network

New Delhi: Dr BR Ambedkar University Delhi (AUD) launched its online admission portal for post-graduate courses on Friday, marking the start of the admission process for the 2025-26 academic year.

A record 3.6 lakh students have expressed interest in AUD through the Common University Entrance Test for Postgraduate (CUET-PG), the university said. A total of 1,491 seats are available across 28 PG programmes, spanning disciplines such as humanities, social sciences, psychology, law, management, and development studies. A new Master's programme in Political science has also been introduced this year.

The newly-launched portal provides details on eligibility, programme offerings, and application procedures. AUD also announced that candidates who did not select the university during CUET can still apply directly through its portal if eligible.

Brief of Standalone audited Financial Results of the Quarter and Year ended March 31, 2025

Sl No.	Particulars	Quarter ended		Year ended	
		March 31, 2025	December 31, 2024	March 31, 2025	March 31, 2024
1	Total Income from Operations	97,826.74	1,07,206.69	96,874.97	4,15,620.70
2	Profit/(Before Tax)	4,977.49	7,706.57	5,215.74	26,925.85
3	Profit/(After Tax)	3,809.53	6,225.77	3,998.01	21,216.48

Notes:

- The financial results have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013, as amended (the "Act") read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The consolidated and consolidated financial results of LT Foods Limited (the "Company") or the "Holding Company", will be available on the website of www.ltfoods.com (or) www.ltfoods.com/india and on Company's website www.ltf.com.
- The Company, its subsidiaries, its associates and its joint ventures (the "Group") is primarily engaged in the business of manufacturing, trading and marketing of rice which is a primary staple food item as per Indian Accounting Standard "Operating Segments" (Ind AS 108) and is a business with multiple and diverse products.
- The Group has insurance claim recoverable (including non-current assets) amounting to ₹13,41,053 lakhs as at March 31, 2025. The claim was attributable to the loss of one of its materials, incurred by the Group, due to a major fire which occurred in the warehouse of Daawat Foods Limited (the "Subsidiary Company") in India in FY 2014-15. The Group had recognized the insurance claim recoverable (including non-current assets) of ₹13,41,053 lakhs, based on the management's assessment of the loss amount and the positive outcome in the report of the surveyors, then approved by the insurance Company, later on the insurance Company repudiated the insurance claim due to the order dated February 1, 2016, against which the Subsidiary Company had filed a commercial suit with the Hon'ble District Court of Feroze, Bhagalpur, District Court. On the basis of developments in the commercial suit, claim and basis of the surveyors which were reviewed and submitted to the claims adjuster by the insurance Company and which had been the basis for the Group to finally recognize the claim, the Group had written off claim amounting to ₹4,68,025 lakhs during the FY 2015-16.
- During the year ended March 31, 2024, on December 22, 2023, the District Court passed a decree in favour of the Subsidiary Company in the commercial suit, and allowed the claim in the extent of ₹16,12,027 lakhs, considering terms and conditions of the insurance policy, along with interest thereon (6% p.a. with effect from the date of the incident which is estimated to be ₹12,29,539 lakhs) by the Subsidiary Company. On February 23, 2024, the Subsidiary Company submitted an application for the execution of the judgment passed in its favour with the District Court claiming ₹28,41,566 lakhs (including ₹16,12,027 lakhs + interest amounting to ₹12,29,539 lakhs).
- The Board of Directors of the Holding Company had filed an appeal with the Hon'ble High Court of Madhya Pradesh, High Court, Bhopal, against the order of the District Court. The Subsidiary Company had filed an appeal with the Hon'ble District Court of Feroze, Bhagalpur, District Court. The application on admissibility of appeal and stay was heard by the High Court on May 31, 2024, based on which the insurance Company's appeal was admitted but stay application in the amount directed to be deposited with the District Court was rejected by the High Court. On or after March 29, 2024, the Subsidiary Company entered into a settlement of ₹50% of the amount, without furnishing any security to the remaining amount to be withdrawn after furnishing to the bank guarantee.
- Against the dismissal of stay application by the High Court, the insurance Company had further filed an appeal with the Hon'ble Supreme Court, wherein the Hon'ble Supreme Court has dismissed the appeal vide order dated July 22, 2024, and directed that the judgment of the District Court be given effect by the Subsidiary Company to be borne by the insurance Company. On November 26, 2024, based on above, the District Court passed an order directing the Subsidiary Company to deposit the beneficial amount within three weeks.
- Further, the insurance Company on December 13, 2024, went to the Hon'ble Supreme Court seeking clarification on its order dated July 22, 2024, regarding deposit of the deposit amount. The Hon'ble Supreme Court vide its order dated January 19, 2025, clarified that the amount amounting to ₹50% of the amount, without furnishing any security to the remaining amount to be withdrawn after furnishing to the bank guarantee and the underlying charge for the amount will be borne equally by the insurance Company and the Subsidiary Company. Further, as per order of Hon'ble Supreme Court, the insurance Company deposited the amount of ₹26,50,525 lakhs (₹16,12,027 lakhs claim amount and ₹10,38,500 lakhs interest amount) on March 25, 2025, and the amount of ₹10,38,500 lakhs interest amount has been released on April 18, 2025, to the Subsidiary Company.
- Based on management's assessment of the facts of the case, including inclusion of the independent legal opinion obtained from the external counsel, the director obtained in favour of the Subsidiary Company from the District Court as mentioned above and the approval of stay application by the High Court and the Hon'ble Supreme Court, the Group is confident about the positive outcome and accordingly, the carrying value of ₹13,41,053 lakhs is considered appropriate and reasonable as at March 31, 2025 based on the Subsidiary Company's overall assessment in light of the applicable accounting guidance. Further, given the uncertainty in this stage where the hearing of High Court is still pending, the utmost certainty about the recoverability of differential net amount of ₹13,41,053 lakhs (including interest of ₹10,38,500 lakhs) and which had been recognized as stand alone will be established once the verdict is passed by the High Court, taking in further account. Therefore, the Group and the Subsidiary Company management are of the view that it is not appropriate to recognize the differential excess amount of ₹13,41,053 lakhs in the consolidated financial results of the Group for the year ended March 31, 2025.
- The financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 15, 2025.
- The figures for last quarter are the audited figures in respect of the full financial year ended March 31, 2025 and the unaudited published year to date figures upto December 31, 2024, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- The Board of Directors at their meeting held on May 15, 2025 recommended a final dividend of ₹1.00 per equity share of ₹1.00 each of the Company, making a total dividend of ₹2.00 per equity share of ₹1.00 each of ₹2.00 per equity share has been already paid in previous quarters for the last year ended March 31, 2024. The Final Dividend is subject to the approval of the shareholders.
- The final dividend will be paid through the period as stipulated in the Companies Act, 2013. The Company will be required to deduct tax at Source (TDS) at the time of making the payment of dividend.
- The consolidated financial results include the results of the Holding Company, its associates, subsidiaries, joint ventures and other entities.
- During the year ended March 31, 2025, 2024, the Company acquired 1,13,10,000 shares of its equity shares in Future Foods Limited from India Agri Food Fund Ltd. for an amount of ₹11,00,00,000 (Rupees Eleven Hundred Lakhs) on or after December 1, 2024. Post acquisition, Future Foods Limited has become a wholly owned subsidiary of the Company. The said transactions were completed with due approval of the statutory authorities concerned.
