Dear Sir/ Madam,

This is with reference to the Company's intimation dated June 20, 2025 and June 23, 2025, wherein details were provided regarding the United States Department of Commerce, International Trade Administration ("US DoC") initiating an administrative review of the countervailing duty ("CVD") order on organic soybean meal from India for the period January 1, 2023 to December 31, 2023 ("Administrative Review"). It was disclosed that the US DoC had applied the 'adverse facts available' ("AFA") methodology to Ecopure Specialities Limited ("Ecopure"), a step-down subsidiary of the Company, resulting in the imposition of a provisional CVD rate of 340.27% on Ecopure's sales of Rs. 50 crore during the period January-December 2023.

In continuation of the above, the Company hereby informs you that the US Department of Commerce, through its Final Order dated February 23, 2026, has significantly revised the CVD rate applicable to Ecopure's exports of organic soybean meal to the United States. The duty rate has been reduced from 340.27% to 75.48% pursuant to the final determination issued in the Administrative Review.

Thanking you.
