Dear Sir/Madam,

Sub: Additional information on the Exchange communication by the Company on 13.09.2024

In furtherance of our communication dated 13.09.2024 regarding the proceedings filed by NSEL Investors Action Group (NIAG) before the Hon'ble Supreme Court, we inform that the contempt proceedings initiated by NIAG before the Hon'ble Supreme Court are separate, independent and unconnected with the proposal for one time settlement received by the Company from NSEL Investors Forum ("NIF"). The Company has been informed that NIF is in the process of discussions with those who traded on National Spot Exchange Limited across multiple states and with a huge number of traders and that the matter from NIF's end is progressing very well. The Company requests the public at large not to get carried away with propaganda.

With respect to the allegations in Hon'ble Supreme Court, it may be noted that 63 moons has not done anything to violate any Supreme Court's Order.

Detailed information in this regard has been provided to the Competent Authority and as a matter of fact, all particulars in this regard have been filed in the MPID Court by 63 moons. NIAG is fully aware of these proceedings but still it has moved to Supreme Court without even serving the petition upon us.

63 moons shall respond in Supreme Court with all information and particulars. 63 moons maintains that it has abided and will continue to abide by all orders of Courts in India.

Kindly take the information on your records and acknowledge receipt.

Thanking you,

Yours faithfully,

For 63 moons technologies limited

Hariraj Chouhan
