- The Company invested ₹ 20,000 Lakhs (face value) in Secured Non-Convertible Debentures issued by IL&FS Transportation Networks Ltd (ITNL), a subsidiary of Infrastructure Leasing & Finance Ltd (IL&FS). A Resolution process was initiated under Sections 241 and 242 of the Companies Act, 2013 under the supervision of National Company Law Appellate Tribunal (NCLAT). The Company filed its claim and also took various measures including filing legal cases against specified parties before the appropriate forum. The Hon'ble NCLAT directed ITNL to make interim distribution to the creditors, pursuant to which ITNL made partial interim distribution to the creditors including the Company and thereby Company has received ₹ 2,978.00 Lakhs and 32,00,000 units of the Roadstar Infra Investment Trust at issue price of ₹ 100/- per unit till March 31, 2025. - The Company invested in 9% Yes Bank Perpetual Additional Tier I (AT-1) Bonds amounting to ₹ 30,000 Lakhs (face value). The Final Reconstruction Scheme of Yes Bank had excluded the writing off AT-1 bonds. The Company originally challenged the aforesaid decision of the Administrator of Yes Bank before the Hon'ble Madras High Court and later transferred before the Hon'ble Bombay High Court. The Hon'ble Bombay High Court quashed and set aside the decision of the Administrator of Yes Bank to write off AT-1) bonds which has been challenged by Yes Bank and RBI before the Hon'ble Supreme Court where the matter is stayed subject to the final order of the Hon'ble Supreme Court. In many cases legal notices have been sent to the parties in earlier years; however, we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

NSEL Management Response:

Majority in value of the other receivables, loans and advances etc. are under litigation/subject to court orders. Where amount is doubtful for recovery, Company has either made provision or disclosed the reason for non-provisioning. Company is making full efforts for recovery of the amounts.

Introduction

1. We have reviewed the accompanying statement of standalone unaudited financial results of 63 moons technologies limited ("the Company") for the quarter and six months ended 30th September 2025 ("the Statement") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Regulation 2015") as amended.

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors on 29th October, 2025, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 ("the Act") and other recognised accounting practices and policies generally accepted in India and Regulation 33 of the SEBI Regulation 2015, as amended. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of review

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Qualified Opinions

3. As stated by the Management of the Company in Note 8(a) to the Statement, Civil Suits have been filed against the Company in relation to event occurred on National Spot Exchange Limited trading platform. These matters are pending at various stages of adjudication. As stated in the said note, the management of the Company does not foresee that the parties who have filed Civil Suits would be able to sustain any claim against the Company. In addition, as stated by the management in Note 8 (b, c, d, e) to the Statement, there are First Information Reports ("FIR")/ complaints/ charge-sheets/ orders/ notices registered/ received against various parties including the Company from/ with the Economic Offences Wing of the Mumbai Police (EOW), Central Bureau of Investigation (CBI), Home Department - Government of Maharashtra under MPID Act, the Directorate of Enforcement and the Serious Fraud Investigation Office (SFIO). Above matters are pending at various stages of adjudication/investigation.

In this regard, the Management and those charged with Governance have represented to us that other than as stated in the said notes to the Statement, there are no claims, litigations which require adjustments to / disclosures in the Statement.

Accordingly, in view of above representations regarding legal matters at various stages of adjudication and ongoing investigations/ matters, the outcome of which is not known and is uncertain at this stage, we are unable to comment on the consequential impact in respect of the same on the results for the quarter and six months ended 30th September 2025.

Qualified conclusion

4. Except for the possible effects of the matter specified under "Basis for Qualified Conclusion", and based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 as prescribed under section 133 of the Act and other recognised accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI Regulation 2015 ,as amended ,including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of matter

5. We draw attention to the Note 3 to the statement which describes that the Company invested ₹ 20,000 Lakhs (face value) in Secured Non-Convertible Debentures issued by IL&FS Transportation Networks Ltd (ITNL), a subsidiary of Infrastructure Leasing & Finance Ltd (IL&FS). A Resolution process was initiated under Sections 241 and 242 of the Companies Act, 2013 under the supervision of National Company Law Appellate Tribunal (NCLAT). The Company filed its claim and also took various measures including filing legal cases against specified parties before the appropriate forum. The Hon'ble NCLAT directed ITNL to make interim distribution to the creditors, pursuant to which ITNL made partial interim distribution to the creditors including the Company and thereby

Company has received ₹ 2,978.00 Lakhs and 32,00,000 units of the Roadstar Infra Investment Trust at issue price of ₹100/- per unit till March 31, 2025. In view of the uncertainty about further distribution, without prejudice to its rights, adopting conservative approach, the Company has impaired and written off amount of ₹13,557.10 lakhs till March 31, 2025 which was included under Exceptional items in financial results of the respective periods.

6. We draw attention to Note 4 to the Statement which describes that the Company invested in 9% Yes Bank Perpetual Additional Tier I (AT-1) Bonds amounting to ₹ 30,000 Lakhs (face value). The Final Reconstruction Scheme of Yes Bank had excluded the writing off AT-1 bonds. However, Yes Bank through its Administrator informed the stock exchanges that Additional Tier I Bonds for an amount of ₹ 8,415 crores were written down permanently which led to legal actions by the trustees of the issue and by the Company. The Company originally challenged the aforesaid decision of the Administrator of Yes Bank before the Hon'ble Madras High Court and later transferred before the Hon'ble Bombay High Court. The Hon'ble Bombay High Court quashed and set aside the decision of the Administrator of Yes Bank to write off AT-1) bonds which has been challenged by Yes Bank and RBI before the Hon'ble Supreme Court where the matter is stayed subject to the final order of the Hon'ble Supreme Court. In view of the uncertainty prevailing in the matter and irrespective of the final decision in the case, the Company expects an impairment. Hence, adopting a conservative approach, the Company has impaired and written off amount of ₹10,000.00 lakhs during the year ended March 31, 2025 which was included under Exceptional items in financial results.
7. We draw attention to Note 5 to the Statement which describes that the Board of Directors of the Company, in its meeting held on 18.02.2025 approved the participation and support of the Company to the Scheme of Arrangement between National Spot Exchange Limited ("NSEL") and the Traders ("Specified Creditors" i.e., investors having outstanding claims above 10 lakhs). The Board also approved the payment of ₹1,950 Crore as the settlement amount ("Settlement Amount"), in accordance with the terms of the Scheme, towards a One-Time Full and Final Settlement ("OTS") of the claims of ₹4610 Cr. Approx. to 5682 Specified Creditors. This Scheme of Arrangement ("Scheme") came into place on the initiative of an investors' association called NSEL Investors Forum ("NIF") who came up with a proposal for OTS between the investors, NSEL and the Company to bring an end to all the litigations and to settle the claims of the investors. The Scheme entails payment of a Settlement Amount of ₹1,950 Crore by the Company to the Specified Creditors in proportion to their outstanding claims as on 31.07.2024. The Scheme envisages that on payment of the Settlement Amount, it would result in closure of proceedings against the Persons in 63 moons Group (as defined in the Scheme) and release and discharge the persons in 63 moons Group from the Specified Creditors' Claims and remove restraints in dealing with its properties. The Scheme entails full assignment of Specified Creditors' Claims to the Company on payment of the Settlement Amount. The Scheme seeks a structured resolution through a statutory mechanism provided by the Companies Act, 2013.

On filing of an application before the National Company Law Tribunal, Mumbai ("NCLT") by NSEL, the Ld. NCLT directed NSEL to convene a meeting of Specified Creditors through postal ballot with a facility of voting through electronic means (e-voting) for the purpose of considering, and, if thought fit, approving the proposed scheme. The Company was informed by NSEL that as per the report dated 19.05.2025 received from the Scrutinizer appointed by the NCLT, the Scheme has been duly approved in number 92.81% of Specified Creditors and value 91.35% in accordance with section 230 of the Companies Act 2013 and the relevant provisions. This approval exceeds the statutory majority required by Section 230(6) of the Companies Act 2013, that is a majority in number representing three-fourths in value. As a consequence, NSEL has filed the Company Petition for the Scheme's final approval before the NCLT and is pending.

Our conclusion is not modified in respect of emphasis of matters mentioned above.
