Nibe Space Receives IN-SPACe registration for EO Data Dissemination

14th April, 2025 | India: Nibe Limited is pleased to announce that as a significant milestone in its journey, Nibe Space Private Limited (Subsidiary of the Company) gets the approval for registration with IN-SPACe for operations as a 'Data Disseminator' for the dissemination of Earth Observation (EO) data pertaining to Indian Territory with a Ground Sampling Distance (GSD) greater than 30 cm.

This registration marks a crucial step for Nibe Space to contribute in India's growing space ecosystem by facilitating the controlled and compliant distribution of EO data. With this registration, Nibe Space is now officially recognized under IN-SPACe's regulatory framework, ensuring adherence to national guidelines and policies for space-based data dissemination.

The signing ceremony was held on April 08, 2025 in the presence of **Mr. Dnyaneshwar Nibe, Director Nibe Space Private Limited**, and **Mr. PK Jain, Director, PMA, IN-SPACe**, representing IN-SPACe, the nodal agency of the Government of India responsible for regulating space activities and granting authorizations.

Commenting on this achievement, **Mr. Dnyaneshwar Nibe** stated, *"This authorization from IN-SPACe reinforces our commitment to advancing space-based data services in India. We are dedicated to leveraging EO data for various applications while ensuring full compliance with regulatory standards."*

He Further commented that Nibe Space remains committed to supporting national and global initiatives by providing high-quality EO data, fostering innovation, and enhancing the accessibility of geospatial intelligence.

About NIBE Limited:

Established in 2021 under the leadership of Mr. Ganesh Ramesh Nibe, the company and its subsidiaries specialise in manufacturing a wide spectrum of Critical Components catering to the Defence industry such as fabrication of Structures and Sub-assemblies for programmes such as Modular Bridge, Rudder Blade Assembly, Pinaka Launcher, and MRSAM launcher, for the tri-services of Indian defence, to components of Electronic systems, Small arms (such as Assault Rifles and LMGs), and Space projects, for domestic as well as international applications.

NIBE Limited, along with its subsidiaries, is committed towards continuously refining and adapting its approach, positioning itself as a leader in the defence industry. Moreover, in alignment with the vision of Atmanirbhar Bharat, NIBE Limited extends its commitment to fostering self-reliance in the defence sector.

About Nibe Space Private Limited

Nibe through its subsidiary i.e. Nibe Space Private Limited is in the space technology sector, focusing on satellite-based data services, Earth Observation solutions, and geospatial analytics. The company is dedicated to driving innovation and contributing to the growth of India's space ecosystem through cutting-edge technological advancements.
