PRESS RELEASE

Rossell Techsys Announces up to ₹300 Crores Fundraise to Power Its Next Phase of Growth and Capability Expansion

Bengaluru, November 10, 2025: Rossell Techsys Limited (**NSE: ROSSTECH**), a leading provider of high-reliability engineering and manufacturing solutions for the aerospace and defence sector announced that its Board of Directors has approved a fundraise of **up to ₹300 Crores**. The capital will be raised through the issuance and allotment of fully paid-up equity shares and/or other eligible securities, including through a Qualified Institutions Placement (QIP), in accordance with applicable law.

The Company anticipates growth opportunities in its existing operations and continues to evaluate avenues for organic expansion. In line with this, the Company intends to undertake a capital raise by way of a Qualified Institutions Placement (QIP) to eligible investors through an issuance of equity shares or other eligible securities in accordance with applicable law.

The proceeds from the issue will be utilised towards capital expenditure, working capital requirements, general corporate purposes, and such other purposes as may be permitted under applicable law.

Commenting on the announcement, Rishab Gupta, Managing Director, Rossell Techsys Limited, said:

“This capital infusion will support the Company’s growth and capability expansion plans and strengthen our financial position, enabling us to continue building scale and serving our customers with excellence. We remain focused on prudent capital deployment and long-term value creation for all stakeholders.”

To facilitate the fundraise, the Company has initiated a postal ballot seeking shareholder approval, with e-voting scheduled from **November 4 to December 3, 2025**.

In August 2025, the Company reported its strongest quarterly performance to date, recording a **94% year-on-year increase in total income**.

The Company is scheduled to announce its financial results for the quarter ending September 2025 on **10 November 2025**.
