Dear Varun,

Thank you for your guidance and advice yesterday on pursuing the opportunity that has come my way. I am deeply grateful for the support, trust, and learning I've received under your leadership, and for the opportunity to contribute to Juniper.

I would like to formally resign to explore the next phase of my professional journey and continue growing in my domain of Marketing, PR, and Corporate Communications. May I propose my last working day to be Friday, 5th December please. Before which, I will ensure a detailed handover — with all files and folders systematically labelled and shared both on the external hard drive and on cloud server (VDR).

Thank you once again for your constant support and mentorship. Wishing you and Juniper continued success.

Regards,
Nikita
