A2Z Maintenance & Engineering Services Limited ("AMESL") wins order worth Rs 122.50 crores

- Award for execution of the turnkey project worth Rs. 122.50 Crores from M P Madhya Kshetra Vidyut Vitaran Company Limited (A Wholly Owned Government Undertaking of Madhya Pradesh), Bhopal

Gurgaon, 29th April, 2011: AMESL is providing engineering, procurement and construction ("EPC") services for building power distribution networks etc., has won new orders to the tune of Rs. 122.50 Crores from M P Madhya Kshetra Vidyut Vitaran Company Limited, Bhopal for supply of material, survey, installation, testing and commissioning of new 33/11 KV S/s including renovation and maintenance of existing 33/11 KV S/s in the location of Bhind, Murena and Gwalior in the State of Madhya Pradesh

About the A2Z Maintenance & Engineering Services Limited

AMESL has been operating in EPC business since fiscal 2006 and has historically focused primarily on the power distribution sector. EPC services provided by the Company includes the installation of distribution line infrastructure with capacities of up to 33 KV, the construction of substations of up to 33 KV and participation in system strengthening projects and rural electrification projects. In the power transmission sector, the Company has undertaken selected projects in the EPC services portfolio which includes the construction of extra high voltage ("EHV") substations of up to 400 KV and EHV transmission lines of up to 765 KV. The Company is executing projects in the power transmission and distribution sector in both India and abroad for various State and Central public sector utilities including but not limited to PGCIL, NTPC and NHPC. The Company is also setting up Bio mass based power generation projects at certain location in India.
