Subject: Clarification Regarding Typographical Correction in Investor Presentation:

Dear Sir/Madam,

This is further to our letter dated October 28, 2024, pertaining to the Investor Presentation shared with the stock exchange.

Upon our internal review of the submitted presentation, we identified a typographical correction needed on page 16, under the slide heading *Capacity Expansion*. The statement currently reads:

"We are thrilled to announce that our recent expansion has successfully enhanced our production capabilities, resulting in an estimated additional revenue of ₹150 crores. By doubling our production capacity, we have positively impacted our operations and delivered a range of benefits to our valued customers."

The intended text is as follows:

"We are thrilled to announce that our ongoing expansion is expected to enhance our production capabilities, resulting in an estimated additional revenue of ₹150 crores. By doubling our production capacity, we will positively impact our operations and deliver a range of benefits to our valued customers."

We wish to emphasize that this correction does not reflect any change or modification to the operational progress of our expansion project or any other information shared in the communication. The remainder of the Investor Presentation remains unchanged and accurate.

This is for your information and records.

Thanking You,

Yours faithfully,
For Aaron Industries Limited
