Press Release

“AARON INDUSTRIES LIMITED INTRODUCES FIRE-RATED STEEL DOORS FOR COMMERCIAL AND INDUSTRIAL APPLICATIONS”

Surat, October 15, 2026: Aaron Industries Limited (NSE:AARON), is pleased to announce the introduction of **Fire-Rated Steel Doors as a new product offering under the Commercial and Industrial Fire Door Systems category**, marking a further expansion of the Company's product portfolio into fire-safety solutions for the building and infrastructure industry.

The Company's Swing Metal Fire Doors have received a Fire Certificate from **Gujarat Test House, Ahmedabad, with a fire-resistance rating of 120 minutes in accordance with IS 3614:2021**. This development represents an important milestone in the Company's product expansion initiatives and reinforces its focus on quality, safety and engineering capabilities.

Designed for applications such as **building passageways, corridors, fire exits and other designated fire-safety installations**, the Fire-Rated Steel Doors are intended to address the requirements of commercial and industrial infrastructure. The product is also suited to relevant applications in hospitals, hotels, residential projects and other buildings, subject to applicable building codes and certified product specifications.

Developed with an emphasis on safety, durability and precision engineering, the new product broadens Aaron Industries Limited's offerings beyond its established portfolio of elevator cabins, automatic door systems, EVOQ360 Home Lifts, cabin safety frames and other elevator components. The introduction reflects the Company's continued efforts to leverage its manufacturing capabilities, develop new products and address evolving customer requirements across the construction, infrastructure and allied industries.

With this addition, Aaron Industries Limited aims to expand its presence in the Commercial and Industrial Fire Door Systems category, creating opportunities to serve a wider customer base through its growing range of engineered products. The Company remains focused on product innovation, manufacturing excellence and the development of value-added solutions to support its long-term growth objectives.

About Aaron Industries Limited

Aaron Industries Limited is a trusted name in the elevator industry, offering a comprehensive range of high-quality elevator products, components, EVOQ360 Home Lifts, and stainless steel polishing services. The Company specializes in end-to-end elevator solutions, designing and manufacturing elevator cabins, automatic door systems, and cabin safety frames that seamlessly blend functionality with artistic elegance for residential and commercial projects. To enhance its supply chain efficiency and ensure in-house quality control, Aaron Industries established a state-of-the-art stainless steel sheet polishing division, which plays a key role in its backward integration strategy by providing polished stainless steel for elevator doors and cabins. With a strong commitment to innovation, quality, and customer satisfaction, the Company continues to expand its footprint across India, solidifying its position as a leader in elevator solutions and stainless steel processing.
