Dear Sir/Ma'am

Pursuant to Regulation 30 read with Schedule III, Part A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that **Faradigm® Ultracapacitors Pvt. Ltd.**, a wholly owned subsidiary of Aartech Solonics Limited, has initiated the development of its manufacturing facility for energy storage systems in the Renewable Energy Manufacturing Cluster at Mohasa-Babai, District Narmadapuram, Madhya Pradesh.

The Bhoomi Pujan (Foundation Stone Laying Ceremony) was recently conducted, marking a significant step in the implementation of the Company's vision to expand into next-generation energy storage technologies and align with national missions such as Atmanirbhar Bharat and Make in India.

The facility is expected to play a key role in supporting India's growing renewable energy infrastructure and is targeted to be operational by the end of 2026.

Please find enclosed herewith the detailed press release for your kind reference and dissemination.

We request you to kindly take the same on record and acknowledge the receipt.

Thanking You,

Yours faithfully,

For Aartech Solonics Limited**K R Tanuj Reddy**

FOR IMMEDIATE RELEASE

Bhopal, Madhya Pradesh | July 26, 2025

Aartech Solonics Limited's Wholly Owned Subsidiary Faradigm® Ultracapacitors Pvt Ltd lays Foundation Stone at Manufacturing Zone for Power and Renewable Energy Equipment under Renewable Energy Manufacturing Cluster at Mohasa Babai, District Narmadapuram, Madhya Pradesh for manufacturing Energy Storage Systems.

Aartech Solonics Limited is pleased to announce the commencement of construction at the newly allotted site of its wholly owned subsidiary, Faradigm® Ultracapacitors Pvt. Ltd., in the Mohasa-Babai Industrial Area, Madhya Pradesh. The Bhoomi Pujan (foundation stone laying ceremony) was recently conducted, signaling a major milestone in Aartech's mission to build indigenous, next-generation energy technologies.

The new facility will focus on the manufacturing of high-performance energy storage systems with applications in renewable energy, defence and transportation sectors. The land for the plant was allotted on a 99-year lease basis in 2024, and the facility is expected to begin operations by the end of 2026.

This development is in alignment with national initiatives such as **Make in India** and **Atmanirbhar Bharat**, and aims to contribute meaningfully to the needs of global energy infrastructure.

About Faradigm®

Faradigm® Ultracapacitors Pvt. Ltd., established in 2017, is a 100% subsidiary of Aartech Solonics Limited. It was formed to carry out research, design, development and manufacturing of energy storage devices such as ultracapacitors (also known as supercapacitor or electrochemical double layer capacitors) and energy storage applications.

"The name Faradigm combines 'Farad' (the measurement unit of electrical capacitance value) and 'Paradigm', symbolizing a paradigm change in how we shall store and deploy energy in the future," said Vivek Attri, Chief Marketing Officer of Aartech Solonics. "Pulse Power Applications from jump-starting systems for military vehicles, battery backup systems, short duration UPS systems, scalable solutions for renewables and grid power quality support and shaving the power spikes in AI data centers, we're creating products designed for real-world performance and global relevance. We are also working on a variety of energy storage applications with a focus on developing solutions by leveraging technologies such as advanced batteries, flywheels, fuel cells etc."

All Faradigm® products are exclusively marketed and supported by Aartech Solonics, leveraging its legacy of innovation and customer trust in power and energy solutions.
