Dear Sir/Madam,

Ref: Our letter dated 22nd March, 2013.

Sub: Update on Occurrence of Accident at Tarapur Plant.

Aarti Drugs Limited is having nine manufacturing units in Tarapur, Maharashtra & Sarigam, Gujarat. There was an explosion in one of the plants in manufacturing unit located at Plot No. N - 198 Tarapur on 22nd March 2013. This plant was manufacturing MNI, an intermediate which was further processed to manufacture two APIs. These two APIs contribute about 13% of the total turnover of the Company on an annualised basis.

Meanwhile the Company has taken efforts to procure the affected intermediate from outside and the supplies would be restored within a month approximately. Timeframe to rebuild the affected intermediate plant is being worked out.

Assets of the affected plant are adequately insured.

Thanking you,

Yours faithfully,
For **AARTI DRUGS LIMITED**
