Subject: Increase in Volume

With reference to your above referred letter from Surveillance Department seeking our clarification in connection with the increase in volume of trading in Equity Shares across Exchanges in the recent past, we would like to state that our Company is a newly Listed Company and was listed on the BSE Limited and National Stock Exchange of India Limited on 1st September 2017, pursuant to the Composite Scheme of Arrangement between the Company, Aditya Birla Nuvo Limited and Grasim Industries Limited and their respective Shareholders and creditors.

We further clarify that all information furnished by the Company is in the public domain and the Company doesn't hold any material information/ announcements that may have a bearing on the price or triggered the jump in the volume behaviour in the scrip in the recent past. In our opinion, the increase in the trade volume is market driven.
