6 The Management has considered the possible effects that may arise out of the covid 19 pandemic and exercised due care in concluding on significant accounting judgements and estimates, inter-alia, recoverability of receivables, assessment for impairment of inventory, and other assets based on the information available to date, both internal and external, to the extent relevant, while preparing these financials as of and for the year ended March 31, 2021. Based on the assessment of current indicators of future economic conditions, the management does not envisage any significant impact on its financials and financial positions as on March 31, 2021 owing to the pandemic. The impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration, and accordingly, the eventual outcome may be different from those estimated as on the date of approval of the financials.
