NOTES:

1. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") read with Clause 1.2.5 of Secretarial Standard-2, for the person seeking re-appointment as Director at the Annual General Meeting, are given and forms integral part of the notice as **Annexure-A**.

2. The Register of Members and Share Transfer Books of the Company will remain closed from 23.09.2026 to 29.09.2026 (both days inclusive) for the purpose of AGM.

3. SEBI, vide Section V of its *Master Circular for Registrars to an Issue and Share Transfer Agents* dated February 06, 2026, has prescribed requirements relating to furnishing/updation of PAN, KYC details, including contact details, bank account details and specimen signature, and nomination by holders of securities in physical form.

Members holding shares in physical form who have not yet furnished/updated their PAN, KYC details, including postal address, e-mail address, mobile number, bank account details and specimen signature, are requested to furnish/update the same by submitting the duly filled-in **Form ISR-1**, along with the requisite supporting documents, to the Company/RTA, as applicable. For updation of specimen signature, **Form ISR-2** may be submitted along with the requisite documents. Members holding shares in physical form who have not yet registered their nomination are requested to register the same by submitting **Form SH-13**. Members who wish to opt out of nomination may submit **Form ISR-3**, and members who wish to cancel or vary an existing nomination may submit **Form SH-14**, as applicable, along with the requisite documents.

Members are also requested to ensure compliance with the applicable requirement for linking PAN with Aadhaar. The detailed process for furnishing/updation of PAN, KYC details and nomination, together with the

prescribed forms, is available on the website of the Company and the website of its Registrar and Share Transfer Agent, **M/s Beetal Financial & Computer Services Private Limited**.

4. In terms of Regulation 40(1) of the Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be effected only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or to the Company's Share Registrar and Transfer Agents (M/s Beetal Financial & Computer Services Private Limited), for assistance in this regard.

Special Window for lodgment of physical share transfer requests

pursuant to subsequent SEBI Circular No. HO/38/13/11(2)2026-MIRSD- POD/ I/3750/2026 dated January 30, 2026, members who had executed the transfer prior to April 1, 2019 but had not lodged their securities for transfer or they were lodged and subsequently rejected, returned or not attended due to deficiency in the documents have been provided a special re-lodgement window for a period of one year from February 05, 2026 to February 04, 2027, to re- lodge the transfer requests. Such transfers would be approved if all the requisite documents as per the SEBI requirements, communicated by the RTA were in place. Further, Share Transfer under this window will be credited only in dematerialized form and will carry a one-year lock in period from the date of transfer registration.

The Company has been publishing the Special Window Notice(s) in Newspapers informing the shareholders about the same. Members can contact the Company / RTA, for assistance in this regard.

Eligible shareholders are requested to submit the requisite documents to the Company/RTA on or before February 4, 2027. Securities transferred through this mechanism shall be mandatorily credited to the transferee only in dematerialized form and shall remain under lock-in for a period of one year from the date of registration of transfer, during which such securities shall not be transferred, lien-marked or pledged.

5. Dematerialization of shares SEBI has mandated the listed companies to issue securities in demat form only, while processing any service request viz, issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition, subject to folio being KYC compliant. Accordingly, Members are requested to submit duly filled and signed Form ISR-4. With effect from April 2, 2026, SEBI has dispensed with the requirement of issuance of a Letter of Confirmation (LOC) by the Company/RTA while processing service requests.

Accordingly, securities will be credited directly to the shareholder's demat account upon submission of valid documents including demat account details along with the latest Client Master List. [SEBI Master Circular No. HO/38/13/(4)2026-MIRSD-POD/I /4298/2026 dated February 6, 2026].

6. SEBI has established a common Online Dispute Resolution Portal ('ODR Portal') for resolution of disputes arising in the Indian Securities Market. Pursuant to this, post exhausting the option to resolve their grievance with the Company/RTA directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>).

7. In pursuance to the provisions of Section 124 and 125 of the Act read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, ("IEPF rules") read with relevant circulars, the amount of dividend remaining unpaid / unclaimed for a period of seven years from the due date is required to be transferred to the credit of the Investor Education and Protection Fund ("the IEPF") established by the Central Government. Since no dividend was declared by the Company for the financial year ended 2018-19, therefore, there was no unpaid/unclaimed dividend amount lying with the Company required to be transferred to Investor Education and Protection Fund during the reporting period in terms of section 125 of the Act.

8. Statutory Registers and documents referred to, in the Notice and Explanatory statement are open for inspection by the Members at the Registered office of the Company on all days (excluding Saturdays and Sundays) between 11.00 a.m. to 1.00 p.m. upto the date of the 43rd AGM.

9. The Company has designated an exclusive e-mail id to redress shareholders' complaints/grievances. In case you have any queries/ complaints/grievances, then please write to us at cs@abmintl.in.

10. General instructions for accessing and participating in the 43rd AGM through VC/OAVM Facility and voting through electronic means including remote e-Voting.

CDSL e-Voting System – For e-voting and Joining Virtual meetings.

I. As per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated May 5, 2020, General Circular No. 02/2021 dated January 13, 2021, General Circular No. 10/2022 dated December 28, 2022, General Circular No. 09/2023 dated September 25, 2023, General Circular No. 09/2024 dated September 19, 2024, and the latest General Circular No. 03/2025 dated September 22, 2025, (which permits holding of AGMs through VC/OAVM till further orders), thus the Company is permitted to convene its 43rd Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM), without the requirement of a physical venue, in compliance with the conditions prescribed under Para 3 and Para 4 of General Circular No. 20/2020. In view of the above circulars, the 43rd AGM of the Company is being convened through VC/ OAVM in compliance with the applicable provisions of the Companies Act, 2013 ("the Act"). Hence, Members can attend and participate in the ensuing AGM through VC/ OAVM only. The deemed venue for the AGM shall be the Registered Office of the Company at 37 DLF, Industrial Area, Kirti Nagar, New Delhi-110015.

II. In compliance with applicable provisions of the Companies Act, 2013 ("the Act") read with the MCA Circulars and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the 43rd Annual General Meeting (AGM) of the members will be held through VC/OAVM. Hence, members can attend and participate in the AGM through VC/OAVM only. The detailed procedure for participation in the meeting through VC/ OAVM is explained in the Notice and is also available at the Company's website www.abmintl.in.

III. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), along with various Circulars issued by the Ministry of Corporate Affairs, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) as the Authorised e-voting agency for facilitating voting through electronic means. The facility of casting votes by a member using remote e-voting as well as e-voting system on the date of the AGM will be provided by CDSL.

IV. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

V. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

VI. Pursuant to the aforesaid MCA circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting. In this regard a duly certified copy of the Board Resolution/ Power of Attorney authorizing their representative is required to be provided to the company.

VII. In line with the Ministry of Corporate Affairs (MCA) General Circular No. 17/2020 dated April 13, 2020, General Circular No. 10/2022 dated December 28, 2022, General Circular No. 09/2023 dated September 25, 2023, General Circular No. 09/2024 dated September 19, 2024 and General Circular No. 03/2025 dated September 22, 2025, the Notice of the 43rd AGM along with the Annual Report for the financial year 2025–2026 is being sent only through electronic mode to those Members whose email addresses are registered with the Company, Depositories or the Registrar and Share Transfer Agent (RTA). The Company shall send physical copy of the Annual Report for F.Y. 2025-2026 only to those members who request the same at cs@abmintl.in. However, such requests shall be processed only if received from the registered e-mail id of the shareholder mentioning their Folio No./DP ID and Client ID. Members may note that the Notice of the AGM and the Annual Report for the financial year 2025–2026 have been uploaded on the website of the Company at www.abmintl.in. The same can also be accessed on the website of National Stock Exchange of India Limited at <https://www.nseindia.com>.

Additionally, the AGM Notice is available on the website of Central Depository Services (India) Limited, the agency providing the remote e-voting facility and the e-voting system during the AGM, at CDSL e-Voting. Additionally, as per Regulation 36(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') a letter providing the weblink of the Annual Report for F.Y. 2025-26, will be sent to those shareholder(s) who have not registered their e-mail address with the Company/ Depositories/ Depository Participants/RTA.

VIII. Members are requested to send in their queries, if any, at least ten days in advance to the Company at the Registered Office of the Company to facilitate clarifications during the Annual General meeting.

IX. The voting rights of the members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cut-off date i.e. Tuesday, September 22, 2026.

X. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Tuesday, September 22, 2026, shall be entitled to avail the facility of remote e-voting as well as e-voting system on the date of the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.

XI. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Tuesday, September 22, 2026, shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the procedure outlined in this Notice.

XII. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.

XIII. In accordance with Regulation 36(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a letter providing the web-link, including the exact path, where the complete Annual Report is available, is being sent to those Members whose email addresses are not registered with the Company, the RTA or the Depositories. A physical copy of the complete Annual Report shall be provided, free of cost, to any Member who requests the same by writing to the Company Secretary at cs@abmintl.in or to the Registrar and Share Transfer Agent at Investor@beetalfinancial.com. The Notice and the Annual Report are also available on the Company's website at www.abmintl.in, on the website of National Stock Exchange of India Limited at <https://www.nseindia.com> and on the website of Central Depository Services (India) Limited at www.evotingindia.com.

XIV. Pursuant to Rule 20(4)(ix), Companies (Management and Administration) Rules, 2014, the Board of Directors of your Company at its meeting held on 14th August, 2026, has appointed **Mr. Alok Jain** (Membership No. ACS 14828), Practicing Company Secretary as the Scrutinizer to scrutinize the voting and remote e-voting process in a fair and transparent manner.

XV. After the conclusion of voting at the AGM, the Scrutinizer will submit a report to the Chairman of the Company or any other person authorized by the Chairman, after taking into account votes cast at the AGM as well as through remote e-voting in accordance with provisions of Rule 20 of Companies (Management and Administration) Rules, 2014, as amended. The consolidated results in respect of voting along with the Scrutinizer's Report will be submitted to the Stock Exchanges and will also be uploaded on website of the Company and CDSL.

XVI. Members, whose email address is not registered with the Company or with their respective Depository Participant(s), and who wish to receive the Notice of the 43rd AGM and the Annual Report for the financial year 2025-26 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-

a. Members holding shares in physical form may send scan copy of a signed request letter mentioning the name, folio number, complete address, email address to be registered along with scanned self-attested copy of the PAN and any document (such as Driving License, Passport, Bank Statement, AADHAR) supporting the registered address of the Member, by email to the Company's email address at cs@abmintl.in or to BEETAL Financial & Computer Services Private Limited ("RTA/BEETAL") at investor@beetalfinancial.com.

b. Members holding shares in dematerialized mode are requested to register/update their e-mail addresses by following the process mentioned above for Physical Holding and send 16 digit DPID & Client ID in

place of Folio No. along with scanned copy of self-attested Client Master copy or consolidated Demat Account Statement.

However, for permanent registration of e-mail address, Members should contact their respective Depository Participants. After successful registration of the e-mail address, a copy of the Notice along with the Remote E-voting user ID and password will be sent to your registered e-mail address. In case of any queries/difficulties in registering the e-mail address or any other matter related to this Notice, Members may write to the Company at cs@abmintl.in.

XVII. THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 26th September, 2026 (9:00 a.m. IST) and ends on 28th September, 2026 (5:00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Step 1: Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

MANAGEMENT DISCUSSION AND ANALYSIS

(As per Regulation 34 of the SEBI Listing Regulations)

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Company is primarily engaged in the business of importing plastic raw materials, including PVC Resin, and continued its operations in this segment during the financial year under review.

The plastic and petrochemical industry continues to play an important role in various downstream sectors, including packaging, construction, infrastructure, consumer goods and other industrial applications. The demand for plastic raw materials is influenced by domestic consumption, international commodity prices, crude oil prices, domestic production capacity and the prevailing demand-supply position.

The Company continues to closely monitor developments in the domestic and international plastic and polymer markets and evaluates business opportunities based on market demand, prevailing prices and commercial viability.

OPPORTUNITIES AND THREATS:

The plastic and petrochemical industry continues to offer opportunities on account of sustained demand from various downstream industries. The Company believes that the continuing demand for plastic raw materials and the prevailing gap between domestic demand and indigenous production and supplies provide opportunities for importers and traders of such materials.

The Company's business, however, remains exposed to fluctuations in international prices of petrochemical products, crude oil prices, foreign exchange rates, global economic conditions, domestic demand and supply conditions and competition from other importers and domestic manufacturers.

The volatility in international commodity prices and foreign exchange rates may have a direct impact on the Company's procurement costs and margins. The Company therefore continuously monitors domestic and international market conditions and takes appropriate business decisions based on prevailing circumstances.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

The Company is primarily engaged in the import and trading of plastic raw materials, with PVC Resin being one of its principal products.

During the financial year under review, the Company continued to import PVC Resin based on prevailing domestic market demand and commercial considerations. The Company closely monitors international prices, domestic market demand and selling prices and the prevailing demand-supply position.

The Company also keeps a close watch on the production and supply levels of indigenous manufacturers and evaluates import opportunities with due consideration to the prevailing demand-supply gap, international prices, foreign exchange movements and other relevant commercial factors.

OUTLOOK

The Company remains cautiously optimistic about the prospects of its business. Plastic raw materials continue to witness significant demand from various downstream industries in India.

The Company's business prospects will, however, depend upon various factors, including domestic demand, international polymer prices, crude oil prices, foreign exchange movements, domestic production and supply, competition from other importers and overall economic conditions.

The Company will continue to closely monitor developments in the domestic and international markets and undertake imports based on prevailing market demand, pricing conditions and commercial viability.

RISK AND CONCERNS:

The Company's business is exposed to various risks, including volatility in international prices of plastic and petrochemical raw materials, fluctuations in foreign exchange rates, changes in domestic demand and supply, competition, changes in economic conditions and developments in international markets.

Foreign exchange fluctuations are particularly relevant to the Company's import business and may affect the cost of imported materials and consequently the Company's margins. The management closely monitors foreign exchange market movements and has subscribed to the services of a leading foreign exchange experts for receiving relevant market inputs on a daily basis. The management evaluates such information and takes appropriate commercial decisions in accordance with prevailing market conditions.

The Company has also subscribed to a leading plastic and polymer industry information service and receives regular alerts, news and market updates relating to the industry. These developments are closely monitored by the management on a regular basis.

The Company believes that domestic demand for plastic raw materials continues to remain significant vis-à-vis indigenous production and supplies. The prevailing demand-supply position and the requirement for imports to meet domestic demand provide opportunities for the Company's business. However, the Company continues to closely monitor market conditions and associated risks while undertaking its business operations.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has in place adequate internal control systems, commensurate with its size and nature of operations and compliances so as to ensure smoothness of operations and compliance with applicable legislation. The Company has well defined system of management reporting and periodic review of businesses to ensure timely decision making. It has an internal audit team with professionally qualified financial personnel, which conducts periodic audits of all businesses to maintain a proper system to checks and control.

All assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported correctly. The internal control is exercised through documented policies, guidelines and procedures. It is supplemented by an extensive program of internal audits conducted by in house trained personnel. The audit observations and corrective action taken thereon are periodically reviewed by the audit committee to ensure effectiveness of the internal control system.

The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data, and for maintaining accountability of persons.

Independent Auditor's Report

To Members of ABM International Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of ABM INTERNATIONAL LIMITED (hereafter referred to as the "Company") which comprise the Balance Sheet as at 31st March, 2026 and the statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its **Loss**, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company' Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act" with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant of the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company' financial reporting process.

Auditor' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also

responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of the a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial Statements of the current period and are the key audit matters. We describe these matters in our auditor' report unless law or Regulation precludes public disclosure about the matter or when, in extremely rare circumstances were determined that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be accepted to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure 'A' to the Independent Auditor' Report

Referred to in Paragraph 1 (f) of Report on Other Legal and Regulatory Requirements section of our Report to members of **ABM International Limited** of even date) Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ABM International Limited** ("the Company") as of 31st March, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "CAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company' policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ii) In respect of its inventories:

- a) The inventory, has been physically verified by the management at reasonable intervals (excepts goods in transit) during the year. In our opinion, the frequency of such verification is reasonable. In respect of goods-in-transit, subsequent goods receipts have been verified or confirmations have been obtained from the parties. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt in the books of accounts.
- b) As informed by the management, the proper records of inventory are being maintained and no material discrepancies were noticed during such physical verifications.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits (NON FUND BASE) in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- (xvii) The Company has incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.

- (xviii) There has been no resignation of the statutory auditors of the Company during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

- (b) There are no ongoing projects, for which the Company has to transfer unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Standalone)

1 Corporate Information

ABM INTERNATIONAL LIMITED (the 'Company') is a Company domiciled in India, with its registered office situated at 37, DLF Industrial Area, Kirti Nagar, New Delhi – 110 015. The Company has been incorporated under the provisions of Companies Act, 1956 and its equity shares are listed on the National Stock Exchange of India Limited (NSE) in India.

The Company Established in 1983, is Importer of plastic raw materials and in particular PVC Resin, finished leather, DOP, Urea etc. from all over the world, and also a Government Recognised Golden Export House.

2 Basis of Preparation

A. Statement of compliance

Financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provision of the Act under the historical cost convention on an accrual basis except for certain financial instruments which are measured at fair values, notified under the Act and Rules prescribed there under.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to nearest rupees in lakhs or as otherwise stated.

C. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities (including derivative instruments)	Fair value
Net defined benefit (asset)/ liability	Present value of defined benefit obligations

D. Use of estimates

In preparing these financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

E. Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are furnished in the relevant notes.

F. Measurement of fair values

The Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

For the purpose of Fair value disclosures the company has determined classes of assets and liabilities on the basis of nature characteristics and risk of assets or liabilities and the level of fair value hierarchy, as explained above, this note summarises accounting policies for fair value and the other fair value related disclosures are given in relevant notes.

3 Summary of significant accounting policies

The accounting policies set out below have been applied consistently, unless otherwise indicated.

a) Current versus non-current classification

The Company assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Standalone)

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Property, plant & Equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

c) Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

d) Depreciation method

Depreciation has been provided in accordance with the revised rates derived from changed lives of the assets in pursuance to the schedule II of the Companies Act, 2013 on written down value method

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The asset's residual value & useful lives are reviewed & adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The estimated useful lives of items of property, plant and equipment are estimated by the Management, which are equal to the life prescribed under the Schedule II of the Act.

e) Investment Property

Investment properties held to earn rentals or for capital appreciation are stated at cost less subsequent accumulated depreciation and subsequent accumulated impairment loss. Gain or loss on disposal of investment properties is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the statement of profit and loss. Transfer to, or from, investment property is done at the carrying amount of the property.

f) Investment In equity instruments

- i. Investment in unquoted equity instruments issued by associates are measured at cost less impairment if any.
- ii. Investment in quoted equity instrument are measured at FVTOCI.

g) Valuation of Inventories:

Inventories are valued at cost or market price whichever is lower, using FIFO method. Cost includes costs of purchases, costs of conversion and other costs incurred in bringing the inventories to their present location. Taxes which are subsequently recoverable from taxation authorities are not included in the cost.

h) Contingent Liabilities:

Disputed liabilities and claims against the company including claims by taxation authorities pending appeals are treated as contingent liabilities and are not accounted for and shown by way of notes.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Standalone)

i) Taxes on Income:

a. Current Tax

Tax expenses for the relevant period comprises of current tax and deferred tax.

b. Deferred Tax

Deferred tax is recognized, subject to consideration of prudence, on all timing difference between taxable income and accounting income that originate in one period and are capable of being reversed in one or more subsequent periods. The accumulated deferred tax liability is adjusted by applying the tax rates and tax laws applicable at the year-end.

j) Foreign currency transactions

Transactions in foreign currencies are translated into functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

- Foreign currency monetary items are translated in the functional currency at the exchange rate at the reporting date.
- Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined.
- Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.
- Exchange differences are recognised in profit or loss in the period in which they arise, except exchange differences arising from the translation of the items which are recognised in OCI.

k) Financial instruments

i. Recognition and initial measurement

Financial instruments are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Standalone)

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

v. Derivative financial instruments

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at each reporting date. Changes in the fair value of any derivative instrument are recognised immediately in the statement of profit and loss and are included in other income or expenses.

1) Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed during the period as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Gratuity liability is a defined benefit obligation and is provided for on the basis of a valuation on projected unit credit method made at the end of each financial year. The Company accounts for gratuity liability of its employees on the basis of valuation carried out at the year end by the management.

iii. Other long-term employee benefits

Company treats accumulated leave, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the valuation using the projected unit credit method at the year-end.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Standalone)

m) Revenue

i. Sale of goods

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

n) Recognition of dividend income, interest income or expense

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognised using the effective interest method.

o) Leases

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

ii. Assets held under leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets.

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's balance sheet.

iii. Lease payments

Payments made under operating leases are generally recognised in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expense over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

p) Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Expected future operating losses are not provided for.

Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

q) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

r) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

s) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

t) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

Independent Auditor's Report

To Members of ABM International Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **ABM INTERNATIONAL LIMITED** (hereafter referred to as the "Company") and its associate, which comprise the consolidated balance sheet as at 31 March 2026, and the consolidated statement of profit and loss (including other comprehensive income (loss)), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries and associate as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31 March 2026, of its consolidated Loss and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
- If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Company' Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income (loss), consolidated statement of changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate is responsible for overseeing the financial reporting process of each company.

Auditor' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor' report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters,

the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter:

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. The consolidated financial statements include the Group' share of net profit/loss for the year ended 31st March, 2026, as considered in the consolidated financial statements, in respect of M/s Prisha Promotors Pvt Limited an associates, whose financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the associates, is based solely on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of an associate as audited by other auditors, as noted in the 'ther Matters' paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

ANNEXURE `A' TO THE INDEPENDENT AUDITOR' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act" (Referred to Paragraph 2 (f) of Report on Other Legal and Regulatory Requirements of our Report of even date)

We have audited the internal financial controls over financial reporting of ("the Company") as of 31st March, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Company' management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company' policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March,2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated)

1 Corporate Information

ABM INTERNATIONAL LIMITED (the 'Company') is a Company domiciled in India, with its registered office situated at 37 ,DLF Industrial Area, Kirti Nagar, New Delhi - 110 015 .The Company has been incorporated under the provisions of Companies Act, 1956 and its equity shares are listed on the National Stock Exchange of India Limited (NSE) in India.

The Company Established in 1983, is Importer of plastic raw materials and in particular PVC Resin, finished leather, DOP, Urea etc. from all over the world, and also a Government Recognised Golden Export House.

2 Basis of Preparation

A. Basis of Consolidation

There is no subsidiary and /or Joint ventures in the ABM International Limited ("The Group") it has only an associate M/s Prisha Promotors Private Limited.

Associates

Associates are those entities over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control of those policies. Significant influence is presumed to exist when the Group holds between 20 and 50 per cent of the voting power of the investee unless it can be clearly demonstrated that this is not the case.

The consolidated financial statements include ABM International Limited and its associates.

The results, assets and liabilities of joint ventures and associates are incorporated in these financial statements using the equity method of accounting.

Cost recognition

Investment in associates are accounted for using the equity method of accounting, after initially being recognised at cost. These financial statements are prepared by applying uniform accounting policies in use at the Group.

The fair value of any investment retained at the date when control is lost is regarded as the cost on initial recognition of investment in an associate or jointly controlled entity or as the fair value on initial recognition of investment classified as a financial asset, as the case may be.

B. Statement of compliance

Financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provision of the Act under the historical cost convention on an accrual basis except for certain financial instruments which are measured at fair values, notified under the Act and Rules prescribed there under.

C. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to nearest rupees in lakhs or as otherwise stated.

D. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities (including derivative instruments)	Fair value
Net defined benefit (asset)/ liability	Present value of defined benefit obligations

E. Use of estimates

In preparing these financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

F. Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are furnished in the relevant notes .

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated) (Cont.)

G. Measurement of fair values

The Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

For the purpose of Fair value disclosures the company has determined classes of assets and liabilities on the basis of nature characteristics and risk of assets or liabilities and the level of fair value hierarchy, as explained above, this note summarises accounting policies for fair value and the other fair value related disclosures are given in relevant notes .

3 Summary of significant accounting policies

The accounting policies set out below have been applied consistently , unless otherwise indicated.

a) Current versus non-current classification

The Company assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Property, plant & Equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

c) Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated) (Cont.)

d) Depreciation method

Depreciation has been provided in accordance with the revised rates derived from changed lives of the assets in pursuance to the schedule II of the Companies Act, 2013 on written down value method

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The asset's residual value & useful lives are reviewed & adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The estimated useful lives of items of property, plant and equipment are estimated by the Management, which are equal to the life prescribed under the Schedule II of the Act.

e) Investment Property

Investment properties held to earn rentals or for capital appreciation are stated at cost less subsequent accumulated depreciation and subsequent accumulated impairment loss. Gain or loss on disposal of investment properties is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the statement of profit and loss. Transfer to, or from, investment property is done at the carrying amount of the property.

f) Investment In equity instruments

- i. Investment in unquoted equity instruments issued by associates are measured at cost less impairment if any.
- ii. Investment in quoted equity instrument are measured at FVTOCI.

g) Valuation of Inventories:

Inventories are valued at cost or market price whichever is lower, using FIFO method. Cost includes costs of purchases, costs of conversion and other costs incurred in bringing the inventories to their present location. Taxes which are subsequently recoverable from taxation authorities are not included in the cost.

h) Contingent Liabilities:

Disputed liabilities and claims against the company including claims by taxation authorities pending appeals are treated as contingent liabilities and are not accounted for and shown by way of notes.

i) Taxes on Income:

a. Current Tax

Tax expenses for the relevant period comprises of current tax and deferred tax.

b. Deferred Tax

Deferred tax is recognized, subject to consideration of prudence, on all timing difference between taxable income and accounting income that originate in one period and are capable of being reversed in one or more subsequent periods. The accumulated deferred tax liability is adjusted by applying the tax rates and tax laws applicable at the year-end.

j) Foreign currency transactions

Transactions in foreign currencies are translated into functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

- Foreign currency monetary items are translated in the functional currency at the exchange rate at the reporting date.
- Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined.
- Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.
- Exchange differences are recognised in profit or loss in the period in which they arise, except exchange differences arising from the translation of the items which are recognised in OCI.
- Exchange differences are recognised in profit or loss in the period in which they arise, except exchange differences arising from the translation of the items which are recognised in OCI.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated) (Cont.)

k Financial instruments

) i. Recognition and initial measurement

Financial instruments are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated) (Cont.)

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

v. Derivative financial instruments

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at each reporting date. Changes in the fair value of any derivative instrument are recognised immediately in the statement of profit and loss and are included in other income or expenses.

l) Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed during the period as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Gratuity liability is a defined benefit obligation and is provided for on the basis of a valuation on projected unit credit method made at the end of each financial year. The Company accounts for gratuity liability of its employees on the basis of valuation carried out at the year end by the management.

iii. Other long-term employee benefits

Company treats accumulated leave, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the valuation using the projected unit credit method at the year-end.

m) Revenue

i. Sale of goods

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

n) Recognition of dividend income, interest income or expense

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognised using the effective interest method.

o) Leases

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease.

At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

ii. Assets held under leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets.

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's balance sheet.

ABM INTERNATIONAL LIMITED

Notes to the financial statements for the year ended 31 March, 2026 (Consolidated) (Cont.)

iii. Lease payments

Payments made under operating leases are generally recognised in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expense over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

p) Provision, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Expected future operating losses are not provided for.

Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets has to be recognised in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise. Contingent assets are assessed continually and no such benefits were found for the current financial year.

q) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

r) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

s) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

t) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.
