Notes :

a. The consolidated financial results of IRIS RegTech Solutions Limited (Formerly known as IRIS Business Services Limited) (the "Company") have been prepared in accordance with recognition and measurement principles of Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other recognised accounting practices generally accepted in India.

b. The above consolidated financial results for the quarter and year ended March 31st, 2026 were reviewed and recommended by the Audit committee of the Board and approved by the Board of Directors at its meeting held on May 15th, 2026.

c. Based on the "management approach" as defined in Ind-AS 108 - Operating Segments, the Chief Operating Decision Maker evaluates the Group's performance on three business segments, namely: "SupTech", "RegTech", and "DataTech". These segments represent separate lines of business that generate revenues and incur expenses independently from each other. For internal reporting and decision-making purposes, the CODM evaluates segment performance based on revenues and directly attributable costs, without allocation of costs that cannot be directly attributable to the business segment. Accordingly, costs that are not directly attributable to business segment are disclosed separately as unallocated expenses. Previous period figures have been regrouped / reclassified wherever necessary to conform to the above presentation.

d. During the year ended March 31st, 2026, the Parent divested its Tax Technology GST Application Service Provider ("GST ASP") business, along with its 100% equity stake in IRIS Logix Solutions Private Limited, to Sovos Compliance Limited, UK, and its e-invoicing business in Malaysia to Sovos Malaysia. The divestments form part of a strategic initiative to simplify operations and focus on core business lines. The transactions resulted in recognition of an exceptional gain, and the GST ASP business has been presented as discontinued operations in accordance with Ind AS 105.

e. The Government of India has announced the implementation of four new Labour Codes, namely, the Code on Wages-2019, the Code on Social Security-2020, the Industrial Relations Code-2020, and the Occupational Safety, Health and Working Conditions Code-2020 (collectively referred to as the "New Labour Codes") with effect from 21st November 2025. While the codes are effective from specified date, the detailed rules are pending for issuance. To comply with the above, the Company has assessed its employee benefit obligations based on the revised definition of wages in line with the New Labour Codes. Pursuant to management assessment and based on valuation report provided by an independent auditor, the Company has recognised an incremental expense of ₹ 6.85 lakhs against Gratuity, as past service cost for the year ended March 31st, 2026, resulting in increase in gratuity obligation. The impact on other employee benefit obligations is not material, and the Company continues to monitor developments, therefore no impact has been taken in the financials for the year ended March 31st, 2026.

f. The Board approved a proposal to establish a Wholly Owned Subsidiary in the United Arab Emirates (UAE). This strategic move is intended to expand the Company's footprint in the Middle East and strengthen its global operations through a dedicated regional entity.

g. As part of a business rationalization exercise, the Board approved the closure of Atanou S. R. L., a foreign Wholly Owned Subsidiary of the Company. This decision aims to streamline the group structure and reducing associated costs.

h. On March 5th, 2026, IRIS Data Solutions Private Limited, a wholly owned subsidiary was incorporated in India subsequent to approval from the Board of Directors of the Company. As of the quarter ended 31st March 2026, the subsidiary has not commenced operations and, therefore, has no income, expenses, assets and liabilities. The incorporation process is complete, and the subsidiary is in the preliminary stages of setting up its operational framework.

i. Figures for the quarter ended March 31st, 2026 and March 31st, 2025 are the balancing figure between audited figures in respect of respective full financial years and published year to date figures up to the third quarter of the respective financial years which were subjected to limited review.

j. During the year, the Board of Directors at its meeting held on February 14th, 2026, appointed Mr. Bhaswar Mukherjee as Chairman of the Board. He is an Independent Director and is not related to any Director or Key Managerial Personnel of the Company. This change does not have any impact on the financial results of the Company.

k. Corresponding previous year / period's figures have been regrouped and reclassified wherever necessary.

l. The above is an extract of the detailed format of Financial Results for the quarter & year ended March 31st, 2026, filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Standalone and Consolidated Financial Results for the quarter & year ended March 31st, 2026, are available on stock exchange websites at www.nseindia.com and www.bseindia.com and on Company's website at www.irisregtech.com.
