India ‘priest’ of world peace, but capable of replying to aggression: Rajnath

PRESS TRUST OF INDIA
Arunachal Pradesh, June 17

IN A STATEMENT seen as an implicit message to Beijing, Defence Minister Rajnath Singh on Thursday said that though India is a peace loving country, it has the capability to reply to aggression.

Dedicating 12 strategic roads constructed by the Border Roads Organisation (BRO) to the nation here, Singh described India as a priest of world peace but added any serious disturbance to peace and tranquility in border areas would have adverse implications.

“We seek world peace (but) if someone shows us an aggressive attitude, we will respond,” Singh said, adding the “new roads will help secure international borders.”

Singh’s statement comes in

the backdrop of China continuing to hold on to positions in Hot Springs and Gogra Post on the border, after clashes between the armies of the two Asian giants in the bleak Galwan valley in Ladakh a year ago.

The defence minister said “last year in Galwan Valley, our soldiers displayed exemplary courage and valour in line of duty. I salute all brave soldiers who laid down their lives fighting for the nation.”

China also claims most of Arunachal Pradesh as its territory and has dubbed it South Tibet in internal maps. The northern neighbour which fought a bloody border war with India in 1962 when it invaded parts of Arunachal Pradesh including Tawang, often sends border patrols into areas controlled by India.

In September last year, five young Arunachali hunters were allegedly kidnapped by Chinese troops from Sera-7, in Upper Subansiri district of Arunachal Pradesh. The youth were later released in Anjaw district, around 800 km from the state capital, after several days in Chinese custody.

With no let up in India-China border tension, the Modi government is now looking to expedite work on border infrastructure, especially on roads leading to forward areas in the frontier state.

J&K integral part of India; no amount of questioning can change it: MEA

INDIA ON THURSDAY said J&K is an integral part of it and no amount of questioning can change the reality, an assertion that came following a letter by the Pakistan foreign minister to two UN officials over alleging a design by New Delhi to change the demographic composition of the region.

MEA spokesperson Arindam Bagchi also said cross-border terrorism is “unacceptable.” “The Union Territory of Jammu and Kashmir is an integral part of India. No amount of questioning can change the reality. Also cross border terrorism is unacceptable and no amount of justification can make it acceptable.” —PTI

The 40:30:30 formula: Class XII results to count marks in X & XI, results out by July 31

ANANTHAKRISHNAN G & ARANYA SHANKAR
New Delhi, June 17

ENDING UNCERTAINTY OVER results of the Class XII board examinations hit by the Covid-19 pandemic, the CBSE informed the Supreme Court Thursday that marks for the theory component will be calculated according to a 40:30:30 formula based on the student’s performance in Classes XII, XI and X, respectively.

For the practical and internal assessment component, the student will be assessed according to the actual marks submitted by the school to CBSE. Schools will have to finalise the results and upload marks on the Board’s link by July 15, after which CBSE will declare the results by July 31.

Students not satisfied with such an assessment process “will be given an opportunity to appear in examinations to be conducted by the board when conditions are conducive for holding the examinations” and “as per this policy, marks scored in later exams,” the CBSE said.

The bench of Justices A M Khanwilkar and Dinesh Maheshwari, while stating that there was no question of reversing its earlier decision to accept cancellation of the Class XII board exams by the CBSE owing to the Covid-19 situation, accepted the CBSE and ICSE schemes for assessing results of students on the basis of their performance in Classes XII, XI and X.

“After perusing the scheme presented by the concerned Boards, prima facie, we have no hesitation in accepting the

same and permit the Boards to proceed on that basis,” the bench said, adding that “the scheme must incorporate two aspects... The first is about providing for a Dispute Resolution mechanism in case the students apply for correction of the final result declared by the concerned Boards. The 2nd is about the timeline to be specified for (a) declaration of the result and (b) the date before which the optional examination will be conducted, subject to conducive situation and logistical constraints.”

This is what Attorney General K Venugopal informed the bench — CBSE Controller of Examination Sanyam Bhardwaj also stated this in his affidavit — regarding the assessment formula:

■ While assessing the theory por-

tion, Classes X and XI performances will be given 30% weightage each while that of Class XII will get 40% weightage.

■ Class XII marks will be evaluated based on Unit Test/Mid-Term/Pre-Board exams.

■ Class XI marks based on the theory component of the final exam.

■ Class X marks based on average theory component of the best three performing subjects out of the main five subjects.

■ Marks for Practical/Internal Assessment etc. of Class XII will be on actual basis as uploaded by the school on the CBSE portal.

In the affidavit, Bhardwaj said that to standardise the marking, the “total marks awarded should be in consonance with the past performance of the school in Class XII Board Examinations.”
