These results have been reviewed and recommended to the Board of Directors of the Holding Company by the Audit Committee and subsequently approved by the Board of Directors of the Holding company at their respective meetings held on 29 July 2026.                                           |
| 2 | Effective 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. The Group has assessed the financial implications of these changes which has resulted in increase in gratuity liability arising out of past service cost by INR 1,171.61 lakhs primarily arising due to change in the definition of "wages". Considering the materiality and non-recurring nature of this impact, the Group has presented such incremental impact under "Exceptional items" in the consolidated financial results for the year ended 30 June 2026. The Group continues to monitor the finalisation of central and state rules, as well as Government clarifications on aspects of Labour Codes, and will incorporate accounting treatments, if any, based on these developments. |
| 3 | The Group is engaged in the business of providing software solutions to the global airline and travel industry. The Group's Chief Operating Decision Makers (which includes the Managing Director and members of the Board of Directors of the holding company) monitor and review the operating results of the Group as a whole. Therefore, there are no reportable segments for the Group as per requirements of Ind AS 108 'Operating Segments'.                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

**Auditor's Responsibilities for the Audit of the Statement**

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Holding Company;
  - Conclude on the appropriateness of Board of Directors of the Holding Company use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial results of the entities or business activities within the Group, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors.

These results have been reviewed and recommended to the Board of Directors by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 29 July 2026.
- Effective 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. The Company has assessed the financial implications of these changes which has resulted in increase in gratuity liability arising out of past service cost by INR 1,171.61 lakhs primarily arising due to change in the definition of "wages". Considering the materiality and non-recurring nature of this impact, the Company has presented such incremental impact under "Exceptional Items" in the standalone financial results for the year ended 30 June 2026. The Company continues to monitor the finalisation of central and state rules, as well as Government clarifications on aspects of Labour Codes, and will incorporate accounting treatments, if any, based on these developments.
- The Company is engaged in the business of providing software solutions to the global airline and travel industry. The Company's Chief Operating Decision Makers (which includes the Managing Director and members of the Board of Directors) monitor and review the operating results of the Company as a whole. Therefore, there are no reportable segments for the Company as per requirements of Ind AS 108 'Operating Segments'.
- The Board of Directors has recommended a final dividend of INR 35/- per equity share, subject to the approval of the shareholders at the ensuing Annual General Meeting.
- The figures for the quarters ended 30 June 2026 and 30 June 2025 are the balancing figures between the audited standalone figures for the years ended on those dates and the unaudited standalone published year to date figures up to the end of the third quarter of the respective financial years which were subjected to a limited review by the statutory auditors.
- The previous periods' figures have been regrouped, reclassified or rearranged wherever considered necessary to conform with current period presentation.
