

Accelya Kale Q2 Consolidated Income at Rs.743 Million

Mumbai, 6th February 2013: Accelya Kale Solutions Limited, an Accelya group company and a leading solutions provider to the Airline and Travel industry, has recorded consolidated operating income of Rs. 743.08 million for the second quarter ended December 2012 compared to Rs. 524.52 million in the corresponding quarter of the previous year. Consolidated PAT stood at Rs.209.48 million compared to Rs.73.69 million in the corresponding period.

For the quarter ended September 2012, the consolidated operating income and PAT was Rs 716.53 million and Rs 201.78 million respectively.

Half yearly operating income stands at Rs.1,459.60 million.

Commenting on the performance, **Mr. Vipul Jain, Managing Director**, said, "It has been a good first half of the year so far. However, with many of our licensed and hosted customers going "live", one time implementations revenue will be lower in the second half. The overall macro environment continues to be challenging for the airline industry".

Accelya Kale provides comprehensive financial and business intelligence solutions to the airline industry. Accelya Kale's solutions are available as hosted and outsourced in pay-per-use models. These innovative models are beneficial for customers since they reduce upfront capital investments. The return on investment on the pay-per-use model is quite fast since the business benefits of the solution pays for itself. Accelya Kale thereby partners with customers in sharing risks and rewards.
