

Accelya voted 'Readers Choice' company 2015 after winning 'IT Company of the year 2014' at ATN Awards

Accelya gets maximum votes to win Readers Choice Company of airline industry

Barcelona, Mumbai, 25th March, 2015: Accelya, the leading provider of financial and business intelligence solutions to the Airline industry, has been voted as the 'Readers Choice' company for 2015 at the Air Transport News (ATN) Awards ceremony hosted in Geneva on March 21st 2015.

Air Transport News Awards introduced 'Readers Choice' award category to honour the company which gets maximum votes across all categories. This is Accelya's second consecutive success at ATN Awards. In 2014 Accelya won the 'IT Company of the Year'.

Air Transport News Awards are conducted annually and are the only international award that cuts across all the main categories of the air transport industry.

Dr. Kostas Iatrou, Managing Director of Air Transport News stated that, "This is the first time ATN introduced Readers Choice category to recognise preferred company of airline professionals. We would like to congratulate

Accelya for being the first recipient of the award."

Speaking on the occasion, Mr. John Johnston, Group CEO, Accelya said, "We are delighted to be recognized as the 'Readers Choice' Company for 2015. I would like to congratulate all employees of Accelya for the value delivered and a big thank you to our customers and the readers of Air Transport News."

About Accelya Group

Accelya is a leading provider of financial and business intelligence solutions to the Airline and Travel industry. Accelya helps airline and travel companies manage their financial processes and gain insights into their business performance.

Accelya's expertise spans across all critical airline financial processes - BSP Processing, Revenue Accounting, Audit & Revenue Recovery, Card Management, Miscellaneous Billing, Cost Management and Business Intelligence. Accelya partners with airlines right from the time a ticket or an air waybill is issued, all the way through its entire financial life cycle, until the data is converted into actionable decision support.

With over 200 airline customers, our operations are spread across 9 countries and Accelya employs over 2000 professionals worldwide.

Accelya has been voted as 'IT Company of the Year' at Air Transport News Awards 2014 and 'Information Technology for the Air Cargo Industry' at ACW World Air Cargo Awards 2014. Visit us at: www.accelya.com
