Vinay Tonse's Pick Hints at Cautious Approach at Yes Bank

RIPPLE EFFECT Shares of software cos hit by overnight sell-offs in US peers on worries that automated tools may replace outsourced IT services ● Nifty IT index falls 5.9%

Indian IT Cos Tumble on Anthropic Shock; Some Feel its a Short Alarm

Kairavi Lukka

Mumbai: Shares of Information Technology companies tumbled on Wednesday, as the ripple effects of a heavy overnight sell-off in their US counterparts, sparked by the launch of Anthropic's legal AI tool, reverberated across traditional software services stocks.

The Nifty IT index fell 5.9% on Wednesday, in its worst performance since the peak of the Covid sell-off in March 2020, leading to a market cap erosion of ₹1.9 lakh crore in the Indian IT pack.

"The sell-off has been triggered by market concerns that Anthropic's new automation tools could replace currently outsourced IT services, leading to margin pressure for Indian IT companies," said Vinod Nair, head of Research, Geojit Investments.

The San Francisco-based AI company's new tool — Claude Cowork, an open-source plugin, is designed to automate tasks across legal, sales, marketing and data analysis.

Nair said automation tools from companies like Anthropic are viewed as a challenge to traditional IT service models.

After the launch announcement, US-based stocks Accenture, Microsoft, Cognizant and Salesforce fell 3-10% while American Depository Receipts (ADRs) of Infosys and Wipro fell 5.6% and 4.8%, respectively, in the US on Tuesday.

At home, Infosys fell the most, down 7.4%, followed by TCS, which declined 7%. The rest of all stocks on the Nifty IT index were down 3.8-6%.

The benchmark Nifty ended 0.2% higher at 25,776.

Sagar Shetty, research analyst at StoxBox said Wednesday's sell-off was largely a knee-jerk reaction.

"At this stage, unless we see a clear and material impact on revenues, we don't see any immediate reason to worry about large-scale disruption to the industry," he said.

Nifty IT index advanced 1.4% in Tuesday's trading after the finalisation of the India-US trade deal. Though Indian IT companies were not directly impacted by the tariffs, caution over business demand in the US had weighed on sentiment.

SHORT-TERM WORRIES, LONG-TERM STABILITY

Nair said Indian IT stocks are experiencing sentiment-driven volatility amid concerns about AI disruption, though underlying fundamentals remain stable.

"At this stage, long-term investors may selectively accumulate high-quality IT names with strong client stickiness and solid balance sheets. It is important, however, to monitor deal win trends over the next few quarters to assess any impact from AI adoption," he said.

Shetty also said while near-term volatility may persist, deal momentum remains healthy, and the longer-term outlook for software services remains constructive.

"We remain positive on the adaptation capabilities of Indian IT players, as the revenue model shifts from headcount-led, time-and-material billing to an AI-driven, outcome-based model," he said.

Shetty remains bullish on Infosys, HCL Tech, Coforge and Persistent, and sees dips as good buying opportunities.

All Fall Down

Company	CMP (₹)	Day's Chg (%)	6Mnt Chg (%)	1-Year Chg (%)
Infosys	1,535.8	-7.3	3.7	-19.1

EXISTING FRAMEWORK TO CONTINUE: PANDEY

'No Immediate Steps Planned to Regulate Equity Derivatives'

Sebi chairmain also hints at more investments coming to India post trade deal with the US

Our Bureau

Mumbai: The Securities and Exchange Board of India (Sebi) is not planning any immediate measures to regulate equity derivatives, chairperson Tuhin Kanta Pandey said on Wednesday.

"At this moment, we are not contemplating any measures, and whatever framework that we have put in place, that will continue," Pandey said. "When we as a regulator look at derivative markets, we do so in a very methodical manner based on data."

The government raised transaction taxes on equity derivatives in the Union Budget to curb speculative trading. India's futures and options volumes are more than 500 times the country's GDP, underscoring the need for a rate adjustment to rein in excessive activity, it said.

SEBI TO EASE 'FIT AND PROPER PERSON' CRITERIA ▸▸ ON SMART INVESTING

Separately, on the US-India trade deal, he said it would help get more investments into the country.

"Fundamentally, when you have an overhang of a regulatory action which is removed, and trade frictions removed, capital formation is always accelerated," Pandey said. He added that the removal of the uncertainties can spur investment decisions and get a greater predictability on capital. "So overall in the situation I could say that with the deals that have been done on the trade side, a lot of uncertainties have been removed," he said.

Algo Trades may Soon Not Face OTR Penalties

MUMBAI The Securities and Exchange Board of India (Sebi) on Wednesday proposed changes to its order-to-trade ratio (OTR) framework for equity options, to exempt algorithmic orders placed by market makers from OTR penalties.

Under the revised framework, for equity option contracts, orders placed within a range of 40% above or below the last traded price (premium) "or ± ₹20, whichever is higher, shall be exempted from the framework for imposing penalty for high OTR," the regulator said in a circular.

At present, stock exchanges place economic disincentive for high order-to-trade ratio of algorithmic orders placed by stockbrokers. Further, algorithmic orders placed by designated market makers for market making activity would not be considered towards computation of OTR, Sebi said. "Orders placed within the range of ±0.75% of the LTP shall be exempted from the framework for imposing penalty for high OTR," it said.—**Our Bureau**

TO BACK WOMEN-LED ENTERPRISES

SBI Raises $1-b Social Loan from MUFG

Joel Rebello

Mumbai: State Bank of India (SBI), the country's largest lender by assets, has raised $1 billion (₹9,100 crore) through a five-year loan from Japan's largest lender Mitsubishi UFG Financial Group (MUFG) in the first of its kind social loan raised by a bank in India.

The public-sector lender plans to deploy the proceeds from this loan to lend to women or businesses helmed by women, documents accessed by **ET** showed. Social loans are either raised for specific purposes or the liabilities raised are matched to loans already given for specific purposes.

The five-year loan includes a green shoe option of $500 million

"The five-year loan was raised through the Gift City branch of MUFG and priced at 90 basis points above the three month SOFR (Secured Overnight Financing Rate) which is a tighter pricing compared with what SBI's peer HDFC Bank received through a similar loan deal in December. MUFG is the sole bank in this deal but this loan will be syndicated to a wider section of lenders," said a person familiar with the details. HDFC had raised $1 billion through a three-and a half-year loan priced at 94 basis points above the three month SOFR in December.

A MUFG spokesperson confirmed that the Japanese lender has been mandated by SBI for a $1 billion five-year loan, which includes a green shoe option of $500 million. "SBI intends to deploy the proceeds from this facility towards women's economic empowerment loans to help support gender equality," she said.

ETPrime

Escape route

IndiGo's December operational collapse, which stranded nearly a million passengers, could have attracted a near-₹100-crore penalty as aviation minister Ram Mohan Naidu sought strict action. Instead, the airline was fined ₹22 crore and asked to give a ₹50-crore bank guarantee. Capacity constraints, regulatory delays, IndiGo's market dominance, lobbying heft and internal DGCA missteps ultimately led to a diluted punishment.
Tarun Shukla reports.

Golden shares

The Economic Survey has revived the 'golden share' idea, suggesting the government amend the Companies Act to retain control in PSUs with just 26% ownership. This could unlock up to INR12.5 lakh crore from PSU and bank share sales. While boosting disinvestment receipts and market efficiency, experts warn governance reforms are crucial to avoid loss of oversight or value dilution.

MOTILAL PRIVATE WEALTH ADVISES A BALANCED ALLOCATION STRATEGY

'Invest Lump Sums in Large-Cap, Hybrid Funds; Have Some Global Exposure, too'

Our Bureau

Mumbai: Motilal Oswal Private Wealth is advising investors to adopt a balanced allocation strategy — anchoring portfolios with large-cap or hybrid funds, and complementing them with staggered exposure to mid- and small-cap stocks — with sentiment improving following the finalisation of the India-US trade deal.

"Investors could allocate 50% to large caps and hybrids, 40% to mid and small caps, and 10% to global markets," says Ashish Shanker, MD & CEO, Motilal Oswal Private Wealth. He recommends making lump-sum allocations to large caps and hybrids immediately, while staggering investments into mid and small caps over the next couple of months. Within global markets, he favours emerging-market exposure. Following the sharp run-up in silver prices, the wealth manager suggests partial profit-booking for investors with heavy exposure, while maintaining a neutral stance on gold for portfolio stability. Those under-allocated to gold can consider gradual accumulation on dips for 'moderate' medium-term returns.

'Concerns that dragged down the market through 2025 are now beginning to ease'

Concerns that dragged down the market through 2025, including elevated valuations amid weak earnings, the absence of a direct AI-investment theme in India and rupee depreciation, and others, are now beginning to ease, he said.

In the near term, the firm remains 'cautiously constructive' on equities. With no additional consumption or tax stimulus to lift demand and high transaction costs contributing to volatility, stock selection rather than broad index momentum is expected to drive returns in 2026.

Aye Fin Sets Price Band at ₹122-129/Share

MUMBAI Delhi-based Aye Finance, a non-banking financial company (NBFC), has announced the price band of its ₹1,010 crore-initial public offering (IPO) at ₹122-129 per share. The issue will open for subscription on February 9 and close on February 11. Investors can subscribe for a minimum of 116 equity shares and its multiples thereafter. The offer consists of a fresh issue of shares of ₹710 crore and an offer for sale of ₹300 crore.

DEC-QTR RESULTS ROUNDUP

Cognizant profit up 19%

AVIK DAS
Bengaluru, 4 February

Nasdaq-listed Cognizant on Wednesday reported a 19 per cent rise in net profit to $648 million in the fourth quarter of calendar year 2025 (Q4CY25). Revenue rose 4.9 per cent to $5.3 billion on a constant currency basis, which discounts the impact of currency fluctuations, growth was 3.8 per cent.

The growth numbers were way better than most of its Indian counterparts. Only HCLTech fared better than Cognizant with a constant currency growth of 4.8 per cent and reported growth of 7.4 per cent.

Cognizant, which follows the January-December calendar year, expects to grow at 4-6.5 per cent in the full year of 2026 after beating its own guidance in 2025. For 2025, it grew at 6.4 per cent on constant currency, slightly above its estimates of 6-6.3 per cent.

"The macro continues to be uncertain with geopolitics and inflation, and that will make the spends in favour of the cost takeout, but if those go down, the spends will be in the newer area," Cognizant Chief Executive Officer (CEO) Ravi Kumar said.

And, even while technology spends remain muted or get redirected, financial services spends in the US – the largest market – are picking up. For the three months ending December 31, financial services vertical was up 9.3 per cent on constant currency. North America, which contributes three-fourths to the top line, was up 4.2 per cent.

Winning large deals, worth $100 million and above, has been a key priority for Kumar in this uncertain macroeconomic environment. In 2025, Cognizant won 28 large deals with total contract value (TCV) growth up almost 50 per cent compared to 2024. Total bookings for the fourth quarter was $28.4 billion.

"MACRO CONTINUES TO BE UNCERTAIN, AND THAT WILL MAKE THE SPENDS IN FAVOUR OF THE COST TAKEOUT, BUT IF THOSE GO DOWN, THE SPENDS WILL BE IN THE NEWER AREA"
Ravi Kumar, CEO, Cognizant

Operating margins jumped 120 basis points (bps) to 16 per cent sequentially. "In 2025, we outperformed the high end of our guidance ranges, combining top-tier revenue growth with 50 bps of expanded adjusted operating margin and 11 per cent adjusted EPS (earnings per share) growth," Chief Financial Officer (CFO) Jatin Dalal said.

The company, whose majority of employees are based in India, saw its tech services attrition climb down to 13.9 per cent from 14.5 per cent, sequentially. As of December, it had 351,600 employees and net hiring during the year was 14,800 people.

Going ahead, Cognizant will continue to hire at the bottom end of the pyramid, which refers to new engineering graduates. It hired about 20,000 such graduates last year, of which 16,000 are already working on live projects.

Trent Q3 profit rises 3.1%

SHARLEEN D'SOUZA
Mumbai, 4 February

Fashion and lifestyle retailer Trent saw its consolidated net profit rise 3.1 per cent in the October-December quarter of financial year 2025-26 (Q3FY26) compared to the same period last year.

Its revenue from operations rose 14.8 per cent to ₹5,345.1 crore in Q3 compared to the same period last year.

"Given the accounting standards, our consolidated revenues do not include revenues of the Trent Hypermarket business. However, the reported results include the proportionate share of profitability of this venture and is accounted based on the equity method," the company said.

Its net profit on a consolidated basis stood at ₹512.8 crore in the quarter ended December. Its profit before interest depreciation and tax stood was up 22.1 per cent at ₹1,099.9 crore in Q3.

THE FIRM'S REVENUE FROM OPERATIONS ROSE 14.8% TO ₹5,345.1 CRORE IN Q3 COMPARED TO THE SAME PERIOD LAST YEAR

"We believe, given our approach with respect to merchandise sourcing, price architecture, distribution and our disciplines around inventory provisioning, the full-year results are more representative of the health of the business. The gross margin profile of Westside and Zudio remains stable. Operating Ebit (earnings before interest and taxes) margin for Q3FY26 was 13.8 per cent (13.2 per cent for Q3FY25)," the company said in its release.

Noel N Tata, chairman, Trent said in the release, "On a higher base, our fashion business registered category-leading growth during the quarter. The customer sentiment is gradually improving and our business outlook for the medium term continues to remain positive. Our focus continues to be on portfolio growth, elevating products and enhancing store experience for our customers."

He added, "We have consistently delivered a differentiated consumer proposition that appeals to a wider audience across diverse markets. We believe an unwavering focus on being relevant to our customers, and building resilience with our business model choices will continue to hold us in good stead."

Tata Power profit drops 4%

NANDINI KESHARI & SUDHEER PAL SINGH
New Delhi, 4 February

Tata Power on Wednesday reported a 4 per cent drop in net profit at ₹1,194 crore for the December quarter due to the ongoing shutdown of the flagship Mundra thermal plant in Gujarat. The company's revenue, too, dropped 11 per cent to ₹14,269 crore.

The company said its performance during the third quarter and 9-month period reflects the strength of its diversified and integrated portfolio, spanning renewables, transmission and distribution, new energy solutions, and conventional generation.

Speaking to the media in a post-results interaction, Managing Director and Chief Executive Officer Praveer Sinha said the company witnessed good performance in the solar manufacturing and Engineering, Procurement & Construction (EPC) segments, apart from transmission and distribution and hydro power businesses.

"The only place where we did not do well was that the Mundra plant did not operate. We are now in the final stages of finalising the PPA with Gujarat first, and then the same will be taken up with the other four states," Sinha said. "We have agreed on most of the things, and I expect we will be able to close this in the next few weeks. We expect quarter four will be a very robust performance," he added.

Sinha also informed the company has crossed 10 Gigawatt (Gw) of cumulative renewable EPC execution, delivered record solar cell and module output, and scaled rooftop solar installations beyond 4 Gw.

During the quarter, subsidiary Tata Power Renewable Energy commissioned SJVN's 1 Gw and NHPC's 300 Mw solar projects using modules from its Tirunelveli facility.

Emcure Q3 PAT grows 48%

Pune-based Emcure Pharmaceuticals posted a 48 per cent year-on-year (Y-o-Y) rise in profit after tax (PAT) for Q3FY26 to ₹231 crore, while its revenue from operations rose 20 per cent to ₹2,363 crore.

On a sequential basis, the revenue was up 4 per cent, while PAT was down by almost 8 per cent, thanks to a one-time provisioning on account of the labour Code (₹38 crore). Employee costs rose 5.56 per cent.

Satish Mehta, chief executive officer (CEO) and managing director (MD), Emcure said, "Q3 delivered a strong performance, with all our businesses outpacing industry growth. During the period, we strengthened our India portfolio with launch of Poviztra, a biological injectable semaglutide. Our international business continues to see strong growth led by launch of our differentiated product pipeline."

SOHINI DAS

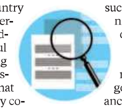
RCom fraud case: Apex court directs ED to form probe team

BHAVINI MISHRA
New Delhi, 4 February

The Supreme Court (SC) on Wednesday directed the Enforcement Directorate (ED) to constitute a senior-level Special Investigation Team (SIT) to carry forward the probe into the alleged large-scale bank fraud involving Reliance Communications (RCom), its group companies and industrialist Anil Ambani.

A Bench led by Chief Justice of India (CJI) Surya Kant, along with Justices Joymalya Bagchi and Vipul Pancholi, said the investigation must be pursued decisively and taken to its logical conclusion without disruption.

Advising the ED to form a dedicated team of experienced officers, the court said all lawful measures must be adopted to ensure an effective and fair probe.



The court also recorded an undertaking on behalf of Ambani that he would not leave the country without prior permission. Senior advocate Mukul Rohatgi, appearing for Ambani, assured the Bench that his client was fully cooperating with the investigation and remained in India.

The assurance came amid concerns that Ambani could travel abroad before completion of the probe.

The undertaking was questioned by Solicitor General Tushar Mehta, who referred to past instances where similar assurances had not prevented accused persons from leaving the country.

Advocate Prashant Bhushan, appearing for the petitioner, also cautioned that such statements lose significance once an accused travels overseas. After hearing all sides, the court recorded both the government's assurance that preventive steps would be taken and Ambani's undertaking not to travel without leave of court.

In a significant additional direction, the Bench asked the Central Bureau of Investigation (v) to examine whether bank officials were complicit in the alleged fraud.

मेळघाटमध्ये आरोग्य सुधारणांसाठी १३६ कोटींची मागणी

अमरावती, दि. ४: मेळघाटमधील आरोग्य सेवांमधील त्रुटींवरून उच्च न्यायालयाने अलीकडेच जिल्हा आरोग्य विभाग आणि राज्य सरकारला फटकारले होते. या पार्श्वभूमीवर, जिल्ह्याच्या आरोग्य विभागाने नवीन उपाययोजनांसाठी जिल्हा नियोजन समिती (DPC) मार्फत शासनाकडे १३६ कोटी १० लाख रुपयांची मागणी केली होती. मात्र, शासनाने या मागणीच्या तुलनेत ६४ कोटी रुपये कमी, म्हणजेच केवळ ७२ कोटी रुपयांना मंजुरी दिली आहे.

जिल्हा परिषदेचे जिल्हा आरोग्य अधिकारी (DHO) कार्यालय आणि जिल्हा शल्य चिकित्सक (CS) यांनी संयुक्तपणे सन २०२६-२७ साठी आरोग्य सेवांचा आराखडा तयार केला होता. यामध्ये जिल्हा परिषदेने ७७ कोटी ५५ लाख ७० हजार रुपयांची मागणी केली होती, तर उर्वरित मागणी जिल्हा शल्य चिकित्सक कार्यालयाकडून करण्यात आली होती. अशा प्रकारे दोन्ही यंत्रणांनी मिळून एकूण १३६ कोटी १० लाख ५५ हजार रुपयांची मागणी डीपीसीकडे सादर केली.

शासनाने जिल्ह्यातील इतर सर्व यंत्रणांच्या मागण्यांचा हवाला देत केवळ ७२ कोटी रुपयांचा नियतव्यय मंजूर केला आहे. विशेष म्हणजे, गेल्या वर्षी याच सरकारने दोन्ही यंत्रणांना ८९.५ कोटी रुपये दिले होते. यावर्षी अधिक उपाययोजना करण्याची गरज असताना, किमान गतवर्षीपेक्षा जास्त निधी मिळेल अशी अपेक्षा होती, परंतु ती फोल ठरली आहे. निधी कपातीमुळे आरोग्य विभाग गोंधळात पडला असून, उपाययोजना कशा कराव्यात असा पेच अधिकाऱ्यांसमोर उभा राहिला आहे.

मागणी केलेल्या रकमेतून जिल्हा परिषदेच्या आरोग्य विभागाला प्राथमिक आरोग्य केंद्रे आणि उपकेंद्रांचे बांधकाम व विस्तारीकरण करायचे होते. तसेच, उर्वरित इमारतींसाठी अग्निसुरक्षा यंत्रणा खरेदी करणे, वैद्यकीय अधिकारी व कर्मचाऱ्यांच्या निवासस्थानांची दुरुस्ती करणे, आणि जिल्ह्यातील ग्रामीण रुग्णालये व उपजिल्हा रुग्णालयांसाठी औषधे व इतर साधनसामग्री खरेदी करणे अपेक्षित होते.

याशिवाय, नव्याने सुरू झालेल्या शासकीय वैद्यकीय महाविद्यालयासाठी आयसीयू, एनआयसीयू, बालरोग विभाग आणि कॅज्युल्टी विभाग अद्ययावत करणे आवश्यक आहे. यासाठी वाढीव निधी मिळणे गरजेचे असून, डीपीसीचे अध्यक्ष या नात्याने पालकमंत्री चंद्रशेखर बावनकुळे किती अतिरिक्त निधी मिळवून देतात, याकडे संबंधित यंत्रणांचे लक्ष लागले आहे.

माजलगावात गटनेत्यांच्या वादामुळे विषय समित्यांच्या निवडी पुन्हा आठवडाभर लांबण्याची शक्यता

बीड, दि. ४: माजलगाव येथील नगरपालिकेच्या विषय समित्या निवडी गटनेत्यांच्या वादामुळे होऊ शकल्या नाहीत. आठ दिवस उलटले तरी विषय समित्या निवडीबाबत तारीखच न आल्याने निवडी आणखी आठ दिवस होण्याची चिन्हे नाहीत अशी चर्चा आहे.

येथील नगरपालिका निवडणुकीत २६ पैकी दोन्ही राष्ट्रवादीचे १०-१० नगरसेवक निवडून आले होते. बाकीचे इतर पक्ष व अपक्ष म्हणून निवडून आले होते. राष्ट्रवादी काँग्रेस (अजित पवार) गटाचे राहुल लंगडे यांना तर राष्ट्रवादी काँग्रेस (शरद पवार) गटाकडून इम्रान खान यांना गटनेते करण्यात आले. यानंतर राष्ट्रवादी काँग्रेस (शरद पवार गट) चे नगरसेवक राष्ट्रवादी काँग्रेस (अजित पवार) गटाचे आ. प्रकाश सोळंके यांना जाऊन मिळाले होते. त्यानंतर उपाध्यक्षपदी सहाल निवडून आले. यामुळे राष्ट्रवादी काँग्रेस शरद पवार गटाचे नेते मोहन जगताप व उपाध्यक्ष सहाल चाऊस यांच्यात वाद झाला.

दोघांकडे पाच पाच नगरसेवक गेल्याने २७ तारखेला झालेल्या विषय समितीच्या निवडणुकीत गटनेते मोहन जगताप यांच्याकडे गेल्याने सहाल चाऊस यांच्या गटाची चांगलीच कोंडी झाली. यामुळे विषय समित्यांची निवड लांबणीवर टाकण्यात आली. लांबणीवर टाकण्यात आलेली विशेष समिती निवडणूक चार दिवसांनी होईल असे सांगितले गेले होते. परंतु आठ दिवस उलटले तरी या समितीची निवड होऊ शकली नाही. अद्यापही या निवडीची तारीख आली नसल्याचे सांगितले जाऊ लागले आहे. यामुळे या पक्षाच्या दोन्ही गटातील वातावरण पेटल्याचे दिसून येऊ लागले आहे.

बंदी असलेल्या तंबाखू विक्रीवर लातूर पोलिसांचा छापा

लातूर, दि. ४: शहरात शासनाने बंदी घातलेल्या तंबाखूजन्य पदार्थांच्या विक्रीविरोधात पोलिसांनी कारवाई करत बिदर गेट परिसरातील एका पान टपरीवर छापा टाकला. या कारवाईत बंदी असलेला तंबाखू व सिगारेटचा साठा जप्त करण्यात आला असून, या प्रकरणी दोघांविरुद्ध स्वतंत्र गुन्हे दाखल करण्यात आले आहेत. सोमवारी (दि. २ फेब्रुवारी) सायंकाळच्या सुमारास उदगीर शहर पोलीस ठाण्याच्या हद्दीत ही कारवाई करण्यात आली.

बिदर रोडवरील 'स्टार पान शॉप' येथे छापा टाकल्यानंतर महाराष्ट्र शासनाच्या आदेशानुसार प्रतिबंधित असलेले तंबाखूजन्य पदार्थ विक्रीसाठी साठवून ठेवण्यात आल्याचे निष्पन्न झाले. या प्रकरणी पोलीस कर्मचारी बजरंग नागनाथ गजलवार व सतीश भानुदास पवार यांनी दिलेल्या फिर्यादीवरून आसिफ हुसेनसाब शेख (रा. बदलापूर, ता. उदगीर) व नरसिंग सतीश बेद्रे (रा. गोपाळ नगर, उदगीर) यांच्याविरुद्ध गुन्हा नोंदवण्यात आला आहे. आरोपींनी स्वतःच्या आर्थिक फायद्यासाठी शासनाची बंदी असतानाही तंबाखू व सिगारेट विक्रीसाठी जवळ बाळगल्याचे तपासात स्पष्ट झाले आहे. छाप्यात सुमारे १ हजार ९९ रुपयांचा तंबाखूजन्य पदार्थांचा साठा जप्त करण्यात आला आहे. उत्पादन, साठवणूक व विक्रीस मनाई असतानाही हे पदार्थ विक्रीच्या उद्देशाने ठेवण्यात आल्याने पोलिसांनी कारवाई केली.

या प्रकरणाचा पुढील तपास पोलीस कर्मचारी आमले व बंडे हे करीत असून, शहरात बेकायदेशीर तंबाखू विक्री करणाऱ्यांवर कठोर कारवाई सुरूच राहणार असल्याचा इशारा पोलिसांकडून देण्यात आला आहे.

अमरावतीमधील धारणीच्या जंगलात चौकीदार निघाला चोर

अमरावती, दि. ४: पश्चिम मेळघाटातील प्रादेशिक वन विभागाचा परतवाडा विभाग लाकूड तस्करीसाठी प्रसिद्ध आहेतच. आता मात्र धारणी शहरालगतच्या जंगलातील एका शेतात जवळपास २ घन मीटर लाकूड जप्त करण्यात आल्याने चौकीदारच चोर असल्याची चर्चा सुरू झालेली आहे. प्रादेशिक वन विभागाच्या धारणी व सुसर्दा या वनपरिक्षेत्रात अनेक वेळा अवैध वृक्षतोड करुन लाखो रुपयांच्या सोनेरी सागवानाची तस्करी यापूर्वी झालेली आहे.

आता मात्र, अजब-गजब मेळघाटाच्या नावानुरूप एक घटना उजेडात आल्याने एकच खळबळ माजलेली आहे. धारणी शहराजवळच्या बोड जंगलातील एका शेतात लपवून ठेवलेले सागाचे लाकूड रेंजर लियाकत शेख यांनी पकडलेले आहे. पूर्ण लाकूड धारणी आगारात जमा करुन पुढील तपास वनपरिक्षेत्र अधिकारी यांच्या मार्गदर्शनात वर्तुळ अधिकारी पी. डी. वानखडे करत आहेत. या प्रकरणी पूर्ण प्रकरण नोंद करण्यात आल्याची माहिती असून अंदाजे २ घन मीटर सागाचे लाकूड आहे.

बीडमध्ये बेपत्ता तरुणाचा मृतदेह विहिरीत आढळला

बीड, दि. ४: गेवराई तालुक्यातील तलवाडा येथील अंबिका नगर परिसरात राहणारा रामेश्वर मोहन शिंगणे (वय २५) हा तरुण काही कारणास्तव रागाच्या भरात घरातून निघून गेल्यानंतर बेपत्ता झाला होता. अनेक दिवसांच्या शोधानंतर अखेर त्याचा मृतदेह अंबिका नगर परिसरातील एका विहिरीत आढळून आल्याने परिसरात खळबळ उडाली आहे.

रामेश्वर शिंगणे हा – आपल्या आईला सांगून घराबाहेर पडला होता. मात्र त्यानंतर तो घरी परतला नाही. नातेवाईक व ग्रामस्थांनी त्याची सर्वत्र शोधाशोध केली; मात्र तो कुठेही आढळून आला नाही. अखेर तलवाडा पोलीस ठाण्यात त्याच्या आईच्या तक्रारीवरून रामेश्वर बेपत्ता असल्याची नोंद करण्यात आली होती.

अंबिका नगर भागातील एका विहिरीत एका तरुणाचा मृतदेह तरंगताना नागरिकांच्या निदर्शनास आला. ही माहिती तलवाडा पोलिसांना कळविण्यात आली. माहिती मिळताच तलवाडा पोलीस ठाण्याचे सहाय्यक पोलीस निरीक्षक मनोज निलंगेकर यांच्या मार्गदर्शनाखाली उपनिरीक्षक कैलास अझाडाग, बीट अंमलदार अंजन गडदे व पोलीस हवालदार नारायण काकडे घटनास्थळी दाखल झाले. विहिरीतील पाण्यात बराच काळ मृतदेह राहिल्याने शरीर पूर्णतः छिन्न-विच्छिन्न अवस्थेत आढळून आले. त्यामुळे पंचनामा करून जागीच शवविच्छेदन करण्यात आले. मृतदेहाची ओळख रामेश्वर शिंगणे अशी पटली. या घटनेमुळे तलवाडा व अंबिका नगर परिसरात हळहळ व्यक्त होत असून, तरुणाच्या मृत्यूने कुटुंबावर दुःखाचा डोंगर कोसळला आहे. या प्रकरणाचा तपास तलवाडा पोलीस करीत असून, मृत्यूमागील नेमके कारण शोधण्यासाठी तपास सुरू आहे.
